Lloyd Mats

The premier manufacturer of custom-application floor and cargo mats for three decades and counting, Lloyd's obsessive attention to perfect fit and finish makes them the choice of Corvette enthusiasts everywhere. If you want the best – demand Lloyd.

Ultimat

As the name suggests, enjoy “living room” luxury in your Corvette! Ultimats use two pounds of 2-ply twisted nylon yarn per square yard to create a dense 5/16” pile that holds up to hard use. Bound edges can never unravel. OE colors (Jet Black, gray or Browstone) with embroidered logo appliqué. Floor mats anchor same as factory. Specify coupe or convertible model when ordering cargo mats.

I-3211 20-23 Coupe GM front & rear cargo liners149.99
I-3212 20-23 Convertible GM front & rear cargo liners149.99

Seat Belt Guide Stay

Corvette owners discovered an issue in the GM design related to the seat belt guides on their C7 or C8 Corvette seats. Factory seat belt guides feature an opening to allow the seat belt to be inserted into the guide. However, this same opening also allows the belt to slip in and out- sometimes when you don't want it to happen! The results of this seat belt movement can be premature seat wear due to belt rub, incorrect shoulder/chest position during driving, or difficulty locating the belt upon entry.

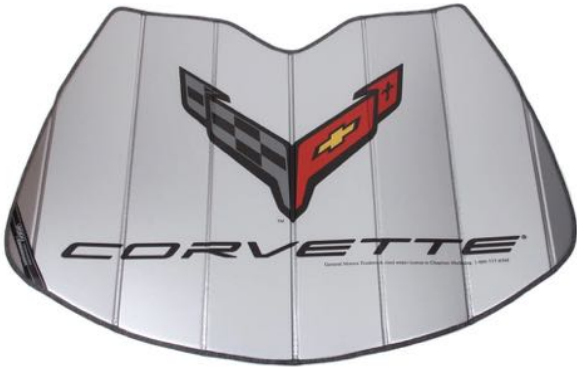

X-3905 20-23 Seat belt guide stay, pair14.99

Sill Ease Complete Sill Protection

Clear sill protectors allow your C8 Corvette's factory paint color to show through plus they are designed with an ultra-clear panel to enhance the looks of your Stingray's factory sill plates. By far the most practical C8 Corvette sill protectors available. Sold in pairs.

X-4490 20-23 Sill Ease complete sill protection99.99

Covercraft Windshield Sun Shade

Protect your C8 Corvette's interior and keep it cool at the same time with an accordion design windshield sunshade custom fit for your Corvette Stingray. Designed to fit deeply into the windshield corners to completely block out the sun to protect your Corvette's dash. Reflective insulated materials reduce interior temperature while protecting from harmful UV rays. Outer side is a silver reflective fabric and the inner side is soft felt. Folds quickly and easily for easy storage. GM Licensed C8 Corvette emblem. Designed to fit all 2020-2023 Corvette Stingrays.

X-4526 20-23 Covercraft insulated windshield sun shade w/C8 emblem.....144.99

Windshield Accordion Custom Fit Sunshield

Protect your 2020-2023 Corvette's interior and look great doing it with a great looking Accordion style custom fit Sunshield. Made of reflective Mylar to reflect virtually all of the sun's harmful UV rays with bubble insulation to keep your interior cool. Features GM licensed large color C8 Corvette emblem. Custom cut to perfectly fit the windshield and easily folds for storage when not in use.

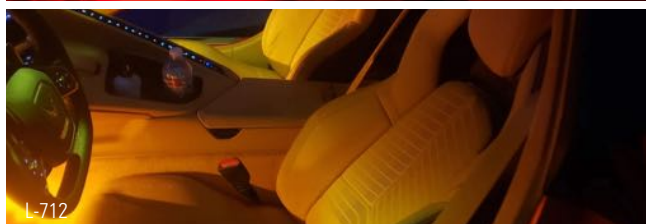

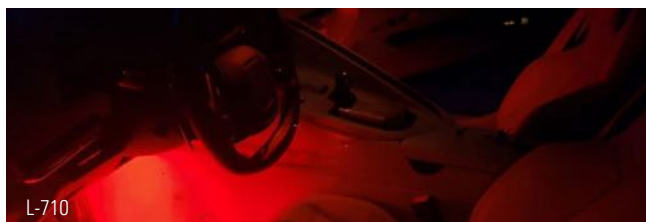

X-4538 20-23 Windshield accordion custom fit sunshield w/C8 emblem49.99

Sunvisor Label Covers

Don't try to peel-off those unsightly sunvisor seat belt labels or you'll ruin your C8 Corvette's factory sunvisors. Zip's sunvisor label covers are an exact match to your C8 Corvette's sunvisor material; simply peel and stick for a no modification installation. Material is the correct Jet Black for a perfect match to your 2020-2023 Corvette sunvisors. Sold in pairs.

X-4541	20-23	Sunvisor label covers	29.99
X-4558	20-23	3LT/Z06 Sunvisor lable covers	34.99

Custom LED Lighting Kits

Custom LEDs add accent lighting to your Corvette's exterior, interior or engine compartment. Perfect for getting your Corvette noticed at the local cruise-in! Single color LED kits offer deeper, richer color over RGB kits. All kits are custom built for their specific application and are easy to install with detailed online instructions. C8 Corvette interior footwell LED kit is specifically designed for the interior compartment front footwell area. Includes (2) LED strips with 18 Superbright LEDs and wiring harness. Connects into the factory harness plug and retains the "theater" effect of the factory interior lights. Truly plug-n-play. See instructions for specific wiring instructions and installation details. Designed for the Do-It-Yourselfer who wants to add custom illumination.

Superbright LEDs available in your choice of Aqua, Blue, Green, Red, White or Yellow. Specify color when ordering.

Blockit Rear Trunk Heat Shielding Kit

Due to the placement of engine and exhaust, the rear storage area of your mid-engine C8 Corvette can become hotter than desired. Not ideal if running to the grocery store or filling your rear trunk area with road trip necessities. Blockit® Ultralite Heat Shielding is a quick & easy way to help lower the temperature of your C8 Corvette's rear trunk area. New ultralite thin heat shield kit is designed to stick to the backside of the molded carpet. Simply pop-out the rear trunk carpet, measure, cut and stick! Blockit® Ultralite Heat Shielding testing shows 30 degree drop in rear storage area temperature!

X-4515	20-23	Blockit rear trunk heat shielding kit	129.99

Billet Aluminum Jack Pads

Protect your 2006-2013 Z06/ZR1, 2014-2019 C7 and 2020-2023 Corvette Stingray's lower rocker panels from damage due to improper lifting or jack stand placement. Original designed by GM- these billet aluminum jacking pads or pucks insert into factory shipping slots and secure with a simple twist. Provides the necessary clearance to ensure your Corvette's rocker panels are not damaged when being lifted. Set of 4. Fits 2006-2013 Z06/ZR1 Corvettes and all 2014-2023 Corvettes including both standard, Z06 and Grand Sport Corvettes.

X-3197 20-21 Billet aluminum jack pads.....69.99

Bolt-On Anodized Aluminum Jack Pad Set

Solid aluminum bolt-on jack lifting pads are designed to be left on your Corvette while driving. Quickly and easily protects your C5, C6, C7 or C8 Corvette from rocker damage with jack pads that are designed to bolt-on and stay in place.

X-4462 20-22 Bolt-on anodized aluminum jack pad set.....79.99

Rear Stainless Mud Guards

Count on American Car Craft to be the industry leader when it comes to personalizing your newly released C8 Corvette. ACC's set the bar for custom stainless steel accessories for the C5- C7 Corvette- and now you can get the same level of personal customization for your C8 Corvette.

X-4504 20-23 GM front splash guards54.99

GM Rear Bumper Protector

The 2020-2023 Corvette GM rear bumper protector mounts inside the trunk to guard against scratches caused from belt buckles and luggage while loading or unloading your cargo. Featuring an embroidered C8 Corvette Crossed Flags logo, this rear fascia protector attaches from the inside of the rear cargo area and rolls up for convenient storage when not in use.

X-4431 20-23 Rear bumper protector129.99

Tail Light Blackout Lens Package

The 2020-2023 C8 Corvette Stingray looks great! And it looks even better when you black-out your tail or brake lights. Especially if you're sporting a dark exterior color. Due to 3D nature of your C8 Corvette's factory tail lights- traditional "flat" acrylic black-outs can be either difficult to install or just not designed to cover the entire tail light.

X-4491 20-23 Tail light molded acrylic blackout lens package379.99

GM Rear Script Emblem

Enhance your Next Generation Corvette's powerful styling with Chevrolet Accessories rear script emblem. Replaces factory rear script allowing you to customize your 2020-2022 Corvette's rear end.

Exhaust Heat Protection Shields

There is no doubt that the C8 Corvette is a rolling work of art but there are still some areas that can be improved. Corsa's Black Out Exhaust Heat Protection Shields replace GM's reflective heat wrap with an added layer of black heat protection eliminating the eyesore behind the C8 exhaust tip cavity.

Panoramic Outside Door Mirrors

Reduce blind spots with the Panoramic C8 Corvette outside door mirror! When you glance over at your outside rear view mirror, you want to see as much area as possible. Unfortunately, the driver's side mirror may not show everything you need to see. Regardless of where the mirror is positioned, a flat mirror's field of view will always be limited. What's needed is a mirror that has a larger field of view. Many C8 Corvette owners have addressed this by adding a small convex mirror to the door mirror glass. These blind spot mirrors provide the safety and convenience of a wider field of view.

GM Accessory Wheel Locks

GM Accessory wheel locks will deter and protect your 2020-2023 C8 Corvette's wheels from would be thieves. Set includes four wheel locks, one for each wheel, created with a special puzzle-design and matching key. Easy to use wheel locks function like a regular lug nut, but require a special key tool for installation and removal. Its design allows for an unlimited number of different computer generated lock and key patterns. The lock utilizes narrow grooves that helps resist the intrusion of lock removal tools into the pattern. Every lock is through-hardened and tempered, reaching the depth of hardness needed for an unsurpassed level of security (unlike case hardening which is only a surface treatment).

Sprint Booster Select V3 Power Converter

The C8 Corvette Sprint Booster Select V3 power converter will eliminate the delay between your Corvette's gas pedal and throttle body that is common on all drive by wire systems. Its purpose is to change the rate at which the throttle body opens in relation to gas pedal operation, which will decrease the amount of time it will take your Corvette to reach full throttle. The "Direct Response" helps improve reaction times at the drag strip and also allows you to throttle more accurately out of turns on the road course. The Sprint Booster gives real time control over the acceleration of your Corvette's engine and fits all 2020 C8 Corvettes.

PM-921 20-23 Sprint booster select V3 power converter299.99

Corsa Carbon Fiber Air Intake System

100% carbon fiber construction- the perfect blend of aesthetics and performance in a single C8 Corvette air intake system from Corsa Performance. Efficiently directs and improves airflow, eliminating calibration concerns while increasing power, throttle response and fuel economy. Outflows your Corvette's stock intake and delivers +14HP and +13FtLbs without tuning.

Silver Bullet Throttle Spacers

The aFe Power Silver Bullet throttle body spacers are designed with a Serrated/Helix surface that creates air turbulence in the intake manifold. This turbulence increases the air pressure in the combustion chamber resulting in increased horsepower, torque and improved throttle response. The Serrated/Helix combination design also reduces intake whistle that occurs with other helix only designs.

Delco Air Filter Element

LT engines ingest a large amount of oil through the PCV system which can lead to a poor running engine and even create a condition to cause engine knock. By installing an oil catch can, you eliminate this while still keeping the PCV system intact and allowing the system to function as designed. Instead of oil entering the intake and getting mixed with fuel in the cylinders, the catch can traps the oil from entering back into your Corvette's engine.

PM-928	20-23	LT2 Mightymouse oil catch can (mild)	339.99

CORSA®

PERFORMANCE EXHAUSTS

Patented Reflective Sound Cancellation technology uses sound wave to tune out "bad" frequencies and virtually eliminate interior resonance. All you hear is great sound! All-stainless construction. Systems feature a straight-through muffler design for superior flow and minimum backpressure. Superior fit. Lifetime CORSA guarantee.

Active Valve NPP

CORSA's patented Reflective Sound Cancellation technology for the C8 Stingray Corvette! The best of both worlds is possible with the new CORSA C8 Corvette valve-back exhaust system; GM's proprietary valve technology coupled with CORSA's RSC muffler technology that eliminates drone, increases flow, maximizes power and provides the great sound that you've come to expect from Corvette's leader in performance exhaust systems. Fits C8 Stingray Corvette equipped with factory NPP option.

EX-2383	20-23	3.0" cat-back active valve NPP exhaust system w/ 4.5" polished Pro-Series tips.....	3,997.99

NPP

CORSA's patented Reflective Sound Cancellation technology for the C8 Stingray Corvette! The best of both worlds is possible with the new CORSA C8 Corvette valve-back exhaust system; GM's proprietary valve technology coupled with CORSA's RSC muffler technology that eliminates drone, increases flow, maximizes power and provides the great sound that you've come to expect from Corvette's leader in performance exhaust systems. This system replaces the AFM valve with a machined simulator bracket engineered specifically to prevent an AFM Check Engine Light. Perfect for aggressive drivers who plan on driving primarily in "Track" Mode. Fits C8 Stingray Corvette equipped with factory NPP option.

EX-2385	20-23	3.0" cat-back valve NPP exhaust system w/ 4.5" polished Pro-Series tips.....	3,691.99

Xtreme System

Much like the CORSA performance Track Series the Xtreme Exhaust System is made for drivers seeking an ultra-aggressive exhaust note without resonance caused by 4 cylinder economy mode operation. Fits C8 Stingray Corvettes equipped with or without factory NPP option. This exhaust is designed to eliminate restrictions, maximize weight savings, and bring the noise by being 27 pounds lighter than the factory exhaust.

EX-2390	20-23	Cat-back exhaust system w/ black Pro-Series tips (AFM delete).....	2,372.99

aFe MACH Force-XP

The aFe MACH Force-XP Stainless Steel Cat-Back Exhaust System for the C8 Corvette is custom designed with a high tolerance factory fitment that your car deserves. The stainless steel muffler with an integrated x-pipe is designed to unleash all available horsepower and torque while evenly distributing exhaust pulses traveling through the system. This integration does an amazing job of minimizing exhaust drone and maximizing scavenging!

aFe Twisted Shorty Headers

aFe Power is excited to release their new 2020-2023 C8 LT2 Corvette Tri-Y header system. The Tri-Y design allows for optimized tube lengths and specifically tuned opposite firing cylinders to improve cylinder scavenging, exhaust flow, and performance. Constructed of 1-7/8", 2-1/8" and 2-3/4" mandrel-bent 304 stainless steel tubing for maximum strength, durability, and corrosion resistance. Performance gains through aFe's in house dyno have shown +24hp and +17lbs of torque.

Mild2Wild Wireless Exhaust Control

The Mild2Wild exhaust controller allows you control your C8 Corvette's bi-modal exhaust system via a wireless remote with an ON/OFF push-button. The bi-mode exhaust was designed to allow for whisper quiet exhaust and wide-open race car sound depending on the exhaust valve positioning. Now you have full control in the palm of your hand for when the bi-modal exhaust opens up and screams!

E60 LPE Front Lower Spacer Kit

The LPE C8 Corvette Front Lowering Spacer Kit is a replacement for the stock front lift actuator seat to give customers the ability to lower the front of their 2020-2023 Corvette equipped with optional E60 front lift. The front lift lowering spacer kit is engineered to give the maximum 0.75 inch drop to retain the OEMs design and load tolerances of the front lift system. The front lowering kit also comes with a 0.25 inch spacer to drop the car 0.50 inches for track tuning without the need of an all new machined actuator seat. A de-pinning tool is provided to remove the pins from the shock electrical connector on cars equipped with magnetic ride.

SU-1646 20-23 E60 LPE Front Lowering Spacer Kit.....99.99

aFe Sway Bar Kit

Introducing the aFe Control Sway Bar Set for the C8 Corvette. These lightweight 1026 DOM steel tubular sway bars are CNC bent. The front and rear bars come in at 35 mm and each offer three points of adjustment so you can dial in to your driving style. Also included are low-deflection polyurethane bushings and premium 6061-T6 aluminum black anodized billet brackets.

SU-1642	20-23	Front & rear sway bar kit	639.99

Z51 LPE Ride Height Adjustable Spanner Wrench

The LPE C8 Corvette Spanner Wrench Set is a specifically designed precision tool designed for C8 Corvette ride height adjustment and performance tuning. A must for performance enthusiasts to optimize handling for track days or changing the stance of their C8 Z51 Corvette. With its ergonomic shape, the C8 Corvette spanner wrench offers a comfortable grip, maximum leverage, and clearance for adjusting the shock spanners to desired ride height. There is approximate 1" of total adjustment on the threaded collar to lower the rear and front shocks.

POLICIES & SHIPPING - Zip Products

We're proud that orders placed by 3:00 p.m. EST ship that same day on in-stock items! Packages ship UPS Ground or USPO unless otherwise requested or unavailable due to location or size and weight of parts. Expected delivery is 1-6 business days within the continental USA. Please provide complete street address to ensure delivery. Saturdays, Sundays and holidays are not included in UPS delivery times.

SHIPPING CHARGES - Shipping charges are most precisely calculated by shipment type, order weight and destination. Customers will be notified of shipping charges prior to order shipment. Please call or go online for shipping charge quotes if desired.

UPS AIR SERVICES - UPS provides all guaranteed Air services for Zip Products unless specified by the customer. Available services include Next Day Air, 2nd Day Air, and 3 Day Select. All charges are based on weight or dimensional weight (whichever is greater) and shipment destination. Saturday service is available on Next Day Air shipments only.

TRUCK SERVICES - Some parts in our catalog are too large to be shipped by UPS. These parts are noted in the catalog as "truck." Truck shipments are required to be prepaid for the total parts cost plus freight charges by check, money order or credit card. The customer is responsible for being at provided shipping address to accept parts.

OTHER SHIPPING SERVICES - Zip Products also uses the services of FedEx and the U.S. Postal Service. Orders must be paid by credit card, Pay Pal or prepaid check. All FedEx continental USA services are available. Packages sent through the Post Office are sent First Class Priority.

ZIP INTERNATIONAL - From single parts to everything needed for a complete restoration, Zip ships Corvette parts the world over. International orders are processed within 24 hours of receipt and delivered via UPS, Postal Service or your own freight forwarder. Please specify shipping method preferred. If not specified, orders will be shipped by the best method as determined by Zip Products. Charges are based on actual weight or dimensional weight according to the size of the entire shipment, whichever is greater. Payment is accepted by credit card, Pay Pal or bank draft. Shipping charges do not include any customs or duty fees and may not include brokerage fees. Quotes will be provided for total cost of order, if required due to payment method.

- **Canada:** Orders must include full address with city and province. All orders are shipped UPS Ground or Air unless otherwise specified or UPS is unable to deliver to your location. To better serve our customers, Zip is recognized as a non-resident importer, a status that allows us to collect all duties, taxes and brokerage fees at the time your order is processed. This arrangement means you know the exact cost to have parts delivered to your door – no hidden costs for your shipments!
- **PUERTO RICO, HAWAII & ALASKA:** All Puerto Rico and Hawaii orders can be sent UPS Ground, Next Day Air, 2nd Day Air, or through the Post Office. Please specify shipping method preferred.
- **A.P.O., F.P.O.:** All orders going to these addresses must be sent by the Post Office.
- **VIRGIN ISLANDS, GUAM:** All orders going to these locations can be shipped via UPS Express or the Post Office. Please specify shipping method preferred.

MAIL-IN ORDERS - Customers placing orders by mail and paying by personal check, money order or certified funds can go online or call for shipping charge quote. Shipping charges are most precisely calculated by order weight and destination. Download order forms at www.zip-corvette.com.

LIABILITY DISCLAIMER - Zip Products is not responsible for any damage, injury, loss or any other charges, caused by delays or incurred in the replacement of any defective items. Zip's liability is limited to the replacement and the shipping cost of defective items only. Improper installation, damage or injury resulting from the use of items sold by Zip Products are the purchaser's responsibility. Due to changes in the Corvette industry, part numbers, specifications, prices and availability of parts can change. Consequently, there may be times when parts are discontinued or prices increased. Changes may also occasionally occur in our policies and terms. Call Zip during regular business hours for up-to-date information.

CHEVROLET, the Chevrolet emblem, CORVETTE, Corvette emblems, GM and AC-Delco are trademarks of General Motors Corporation.

©2020 Zip Products, Inc. All rights reserved. No part of this publication may be reproduced without the prior written consent of Zip Products. Content is based on information believed to be reliable, but cannot be guaranteed. Printed in the USA.

"NO HASSLE" GUARANTEE - Since 1977, Zip Products has supplied parts and accessories to Corvette enthusiasts the world over. Then as now, packed into every shipment is our unparalleled commitment to customer service. Here at Zip, we believe a happy customer is a repeat customer. If you're not completely satisfied with any product for any reason, we'll promptly refund or exchange any purchase within 30 days.

LOW PRICE GUARANTEE - Zip works hard to make certain our prices are competitive. That said, it's possible you may find "cheaper" merchandise elsewhere. If it is the same brand part or accessory offered for a lower price by another supplier, we'll match their published price. Price must appear in a current magazine advertisement, Web site or catalog to qualify. Don't sacrifice quality and customer service for the sake of a few dollars – call Zip!

RETAIL DISCOUNTS - Retail customers receive a 10% discount on each minimum purchase of \$850 on any combination of parts and/or accessories, excluding (ND) items. Call or visit online for more information.

WHOLESALE ACCOUNTS - Zip provides Corvette parts to more than 3000 wholesale accounts around the globe. Multi-line discount programs are designed for the installer or reseller. Contact a salesperson for specific details. Proof of business required.

"NO DISCOUNT" - An (ND) designation beside a part, group of parts or price indicates that "No Discount" is available on that part or group of parts.

BACKORDERS - Over 96% of orders ship complete; however, backorders do occasionally occur. Most ship within 10 business days. For longer delays, our policy is to ship orders up to 30 days old. Past 30 days we'll call for authorization first. If you wish to cancel a backorder, please notify Zip as soon as possible.

ITEM SHORTAGES - Inspect merchandise immediately upon receipt of order. Notify Zip of any shortages or discrepancies in your order within seven (7) days from shipment date. No claims allowed after seven (7) days.

DAMAGED PARTS - All parts shipped are insured for the amount of purchase. Should your order arrive damaged or missing merchandise, immediately notify the carrier (UPS, truck freight company, etc.) and Zip. Keep all shipping materials (box, packing, etc.) intact until an inspection can be made by the carrier.

CORE REFUNDS - Customers who have purchased a product sold on an exchange basis and had a core deposit applied must return the required rebuildable core within 30 days from the date of shipment. A copy of the original invoice must accompany the return. Failure to return cores within 30 days may result in a reduction or loss of the core deposit. Return freight for cores is the responsibility of the customer.

RETURNS & EXCHANGES - Zip includes a return form on the back of each invoice for your convenience. If you have questions or concerns regarding a return or exchange, call to speak to your Zip sales representative. Returns are eligible for one (1) year without a restocking fee. Return shipping is the responsibility of the customer. C.O.D. return packages are not accepted. The customer is responsible for returning parts in the same condition they were received, with proper packaging and insurance to cover the value of parts being returned. Canadian and international customers, call for authorization to return parts.

SALES TAX - Zip is required by state law to collect and remit sales tax on purchases made and shipped to a variety of states. These requirements are based on the specific regulation of the state. Tax is based on delivery destination and may include freight charges. More information about sales tax collection can be found at: <https://www.zip-corvette.com/tax.html>

IN-STORE SHOPPING - Zip has thousands of parts and accessories available for immediate pick-up at our showroom counter. Call before you come and we'll have your order waiting. Showroom hours are 8:30 a.m. to 5:30 p.m. EST Monday-Friday and 10 to 3 Saturdays. When traveling in the Richmond, Virginia area, visit Zip Products in Mechanicsville. We're just east of downtown Richmond, and only a quick drive off interstates I-64, I-95 or I-295.

Zip has over 25,000 parts & accessories in stock and ready to ship!
