Chassis Components

Frame Crossmembers

M-2770	63-67	#2 transmission crossmember (A)	539.99
M-2513	63-67	#3 differential front crossmember, includes differential front support (A)	459.99
M-2627	63-67	#3 crossmember differential support bracket, included on M-2513	69.99
M-2512	63-67	#4 crossmember, above rear axle (A)	309.99
SU-317	63-67	Rear end support crossmember, w/new cushions installed (A)	539.99
SU-609	63-67	Rear end support crossmember to frame mount bolts & washers (4 pcs) (A)	5.49
SU-350	65-67	Rear end support cushion receiver, welds to frame, receives mount bolt (A)	ea 46.99
M-244	63-67	Rear frame crossmember (A)	319.99

M-244

Factory Style Crossmember Cushions

4" diameter rubber cushion for mounting rear end crossmember to frame. Inserts into crossmember assembly. 2 per Corvette.

SU-7	63-67	Crossmember cushion (A)	59.99
SU-916	63-67	Crossmember cushions (pair) (A)	109.99
SU-609	63-67	Crossmember cushion mount hardware (4 pcs) (A)	5.49

SU-7

SU-916

SU-609

Delrin Crossmember Upgrade

Eliminates nearly all deflection. Excellent upgrade for street or track performance. Delrin bushings will raise the differential approximately 3/4" which provides a better halfshaft angle. Includes (2) Delrin crossmember cushions and differential front snubber cushion kit with lower Delrin bushing. Car set.

SU-1618	63-67	Delrin crossmember cushion upgrade	259.99
---------	-------	------------------------------------	--------

Crossmember Reinforcement

Eliminates rear crossmember flex by reinforcing factory differential crossmember cushions. Preventing separation of the differential cross member from the frame. Improving handling and consistency. Includes (2) black anodized aluminum reinforcements and hardware. Car set.

SU-1617	63-67	Crossmember reinforcement kit	79.99
---------	-------	-------------------------------	-------

Front Crossmember Repair

Designed by a fellow Corvette enthusiast, repair tool slides up inside front crossmember and gently pulls dented section out to its original shape. Requires no cutting, welding or heating.

TL-146	63-67	Front crossmember repair tool	196.99

M-3584	67	Frame rail upper gusset (LH or RH) (A5)	49.99
M-3635	63-64	Rear frame kick-up assembly w/brackets (LH or RH) (A8)	769.99
M-3636	65-67	Rear frame kick-up assembly w/brackets (LH or RH) (A8)	769.99
M-3292	63-67	Rear frame kick-up rear reinforcement (LH or RH)	79.99

Frame Rail Repair

Corvette frames include factory drain holes, which often become plugged over time resulting in accelerated rot. Zip's frame rail repair sets include 23" or 48" inner and outer side rail sections, end cap, and 6" sleeve for sectioning frame. For lesser repairs, inner and outer side rail sections are also available individually.

M-297	63-64	Frame rail repair kit, 23" (LH or RH) (B)(A9)	179.99
M-2621	63-64	Frame rail repair kit, 48" (LH or RH) (B)(A10)	209.99
M-298	65-67	Frame rail repair kit, 23" (LH or RH) (B)(A9)	179.99
M-2620	65-67	Frame rail repair kit, 48" (LH or RH) (B)(A10)	209.99
M-3819	63-64	Outer side rail repair, 23" (LH or RH)	62.99
M-3816	63-64	Outer side rail repair, 48" (LH or RH)	79.99
M-3820	65-67	Outer side rail repair, 23" (LH or RH)	62.99
M-3817	65-67	Outer side rail repair, 48" (LH or RH)	79.99
M-3812	63-67	Inner side rail repair, 23" (LH or RH)	46.99
M-3813	63-67	Inner side rail repair, 48" (LH or RH)	79.99

Body Mount Frame Brackets

M-2918	63	#1 Body mount bracket (LH or RH) (A)	69.99
M-2920	64-67	#1 Body mount bracket (LH or RH) (A)	64.99
M-2514	63	#2 Body mount bracket, Conv. only (A)	ea 46.99
M-3637	64-67	#2 Body mount bracket, Conv. only (A)	ea 49.99
M-2515	63	#3 Body mount bracket (A)	ea 46.99
M-2516	64-67	#3 Body mount bracket (A)	ea 49.99
<i>Note: #2 and #3 body mount brackets include cage and nut.</i>			
M-3217	63	#4 Body mount bracket (A)	ea 49.99
M-2660	64-67	#4 Body mount bracket (A)	ea 48.99
M-3638	63-64	Inner body mount bracket w/cage & nut, mounts on #3 crossmember (LH or RH)	22.99
ZM-2511	63-67	Body mount square nuts (2)	8.99
M-3623	63-67	Body mount nut cage, #2 & #3 mount	ea 9.99

Chassis Restoration Kit

Includes custom frame stencil, white spray stencil ink, paint crayons for shim, frame and engine marks, 6-8 inspection paints, shim tape and technical bulletins. No Discount.

CR-200	63	Chassis restoration kit	149.99
CR-201	64	Chassis restoration kit	149.99
CR-202	65	Chassis restoration kit	149.99

--------	-------	---	-------

Front Sway Bar Kit

Keeps your Corvette "flat" during spirited driving. Also a cost effective alternative if replacing a tired factory bar. Includes heavy-duty sway bar, stabilizer links, mount brackets and poly bushings.

SU-653	63-67	Front sway bar kit, 1".....	209.99
SU-1391	63-67	Front sway bar kit, 1 1/8".....	244.99
SU-652	63-67	Front sway bar kit, 1 1/4".....	284.99

SPC Adjustable Control Arms

SPC's adjustable upper control arms offer almost infinite adjustment of both camber and caster for maximum handling and performance. Upper a-arms include a steel cross shaft with OE style rubber pivot bushings and ball joint mounting plate. Sold in pairs.

SU-1461	63-67	SPC adjustable control arm.....	659.99
---------	-------	---------------------------------	--------

Polyurethane Bushings

Rubber bushings can rot, deform or simply wear-out. Poly replacements last virtually forever plus deliver quicker response along with more predictable handling. Graphite impregnated to prevent squeaks.

SU-308	63-67	Sway bar end link kit.....	26.99
SU-970	63-67	Sway bar end link bushings (8).....	12.99
SU-310	63-67	Sway bar frame bushings w/brackets, 3/4" (2).....	24.99
SU-311	63-67	Sway bar frame bushings w/brackets, 7/8" (2).....	24.99
SU-314	63-67	Sway bar frame bushings w/brackets, 1" (2).....	24.99

Coil Springs

SU-204	64-67	Coil springs, 327 STD (16 1/2" tall) (C).....	159.99
SU-122	63-67	Coil springs, F-41 (12" tall) (C).....	289.99
SU-417	65-67	Coil springs, 396 & 427 w/o AC (C).....	244.99
SU-431	66-67	Coil springs, 427 w/AC (C).....	159.99
MF-271	64-67	Coil spring "ED" labels, STD (2) (C).....	8.99
MF-273	65-67	Coil spring "EA" labels, F-40/F-41/L88 (2) (C).....	9.99
MF-272	65-67	Coil spring "EB" labels, 396/427 (2) (C).....	9.99
MF-274	66-67	Coil spring "EF" labels, 427 w/AC (2) (C).....	9.99

Note: Coil springs are original GM or reproductions built with same height and spring rate as originals. Sold in pairs.

Replacement Springs

Fix your Corvette's sagging front end and spongy ride at the same time. Replacement coils deliver ride quality similar to factory F-41 suspension. Shorter but higher spring rate springs are easier to install – no need to use spring compressors – but do not affect correct ride height. Sold in pairs.

SU-660	63-67	Front springs, 327.....	109.99
SU-661	65-67	Front springs, 396 & 427.....	119.99

Restoration Poly Bushings

Designed for the enthusiast who wants the advantages of polyurethane (will not rot, deform, or wear-out; quicker steering and suspension response), but who also wants an OE appearance. Resto poly bushings feature a "matte" finish and mount using factory brackets when required.

SU-1150	63-67	Front sway bar end link bushings (8).....	49.99
SU-1149	63-67	3/4" front sway bar frame bushings (2).....	32.99
SU-1148	63-67	15/16" F41 front sway bar frame bushings (2).....	32.99
SU-1147	63-67	Shock upper mount bushings (4).....	19.99

Shocks

SU-88F	63-67	Shock, Delco gas-charged (C)	52.99
MF-266	63-67	Shock absorber decals, STD, includes (2) "EK" & (2) "EM" decals	8.99
MF-447	63-67	Shock absorber decals, STD, includes (2) "EL" & (2) "EM" decals	7.49

Assembled Trailing Arms

Zip Products Rebuilt Drum Brake Trailing Arms

Return your rear suspension to as-new condition. Rebuild includes all-new bearings, bushings, seals, shims, spacer and dust shield. All other parts are fully reconditioned and reassembled to GM specifications. Also available with new wheel cylinders, brake shoes and shoe mounting hardware installed – call Zip for details.

S-158 63-65 Rebuilt trailing arm (LH or RH) **429.99**

Note: This is a rebuild service and can not be ordered without first sending your Corvette's original trailing arms in for rebuild.

Zip Products Rebuilt Disc Brake Trailing Arms

Assemblies are disassembled, inspected, cleaned and painted. Rebuild includes all-new bearings, bushings, seals, shims, spacer, dust shield, park brake shoes and stainless hardware and park brake backplate. NEW rotors are installed to eliminate rotor run-out. All other parts are fully reconditioned and reassembled to exact GM specifications.

SU-566 65-67 Rebuilt trailing arm w/NEW rotor (LH or RH) **599.99**

Note: Trailing arms sold on exchange. Add \$375.00 refundable core charge per side if rebuildable cores do not accompany order.

Zip Products ALL-NEW Disc Brake Trailing Arms

Ready-to-install complete assemblies are built to GM specifications using all-new parts including new trailing arm, spindle bearing support, caliper mount bracket, wheel bearings, bushings, seals, shims, spacer, rotor, dust shield, park brake shoes and stainless hardware and park brake backplate. Outright purchase, no core required.

SU-845 65-67 ALL-NEW trailing arm w/rotor (LH or RH) **1,099.99**

Zip Products ALL-NEW Offset Disc Brake Trailing Arms

Bolt-on assemblies use all-new parts including 2" offset, heavy-duty trailing arm (1/4" jig-welded C-channel steel with gloss black powder coat finish), spindle bearing support, caliper mount bracket, wheel bearings, polyurethane bushings, seals, shims, spacer, rotor, dust shield, park brake shoes and stainless hardware and park brake backplate. Outright purchase, no core required.

SU-1591 65-67 ALL-NEW offset trailing arms w/rotors (car set) **2,299.99**

CORE REFUNDS -Customer cores are thoroughly inspected to determine rebuildable condition. Trailing arm or wheel bearing assembly components judged to be non-rebuildable will incur a deduction from core refund. Note when submitting cores, do not include strut rod, shock mount or rotor.

Trailing Arms

New reproduction arms are powder coated for a durable, lasting finish. Includes installed bushing. Must drill holes for sway bar if applicable. Made in the USA. Sold each.

SU-646 63-64 Trailing arm, w/bushings (LH or RH) **229.99**
SU-118 65-67 Trailing arm, w/bushings (LH or RH) **219.99**

Offset HD Trailing Arms

2" offset allows use of wider tires on stock rims, or upsize to "plus" size wheel/tire combinations. Includes heim joint pivot. Made in the USA. Pair.

SU-990 63-67 Offset heavy-duty trailing arms..... **754.99**

Zip Products Rebuilt Wheel Bearing Assemblies

Rebuild service includes disassembly, inspection and cleaning of entire unit, then installation of all-new bearings, bushings, seals, shims, spacer, dust shield, park brake shoes and stainless hardware and park brake backplate. NEW rotors eliminate rotor run-out. All other parts are reconditioned and reassembled to GM specifications. REVERSE BUILD (see note below).

SU-528 65-67 Rebuilt bearing w/NEW rotor (LH or RH)..... **449.99**

Note: Wheel bearing assemblies sold on exchange. Add \$275.00 refundable core charge per side if rebuildable cores do not accompany order.

Zip Products ALL-NEW Rear Wheel Bearing Assemblies

If you'd rather bolt all-new assemblies on instead of rebuilding your originals, Zip can fill the order. Ready-to-install complete assemblies are built to exact GM specifications using all-new parts. Outright purchase, no core required. REVERSE BUILD (see note below).

SU-1050 65-67 ALL-NEW bearing assembly (LH or RH)..... **799.99**

Zip Wheel Bearings Set-Up

Tackling rear wheel bearings is not a recommended "do-it-yourself" project. Special tools and critical tolerances come into play, and a misstep here could prove disastrous down the road. There's a lot riding on the set-up being exact! Zip's skilled technicians have the expertise to do the job correctly and safely. All work is performed in-house and backed by our customer satisfaction guarantee. Let us handle the rebuild – you just enjoy cruising your Corvette. Worry-free.

REVERSE BUILD-Wheel bearing assemblies are designed to bolt-on directly to your Corvette's trailing arm. By reversing the spindle support mounting studs, we can ship you a completely assembled and adjusted bearing assembly, including the park brake hardware and shoes. Eliminating several hours of labor upon installation.

How to rebuild rear trailing arm & wheel bearings

Wheel Bearings & Rotors

M-231	63-67	Bearing greasing tool.....ea	12.99
SU-359	63-67	Bearing dust shield (2 per car) (J).....ea	4.99
SU-360	63-67	Bearing dust deflector (2 per car) (J).....ea	4.99
ZSU-642	63-67	Bearing inner seal (J).....ea	11.99
ZSU-641	63-67	Bearing outer seal (J).....ea	11.99
RB-203	63-67	Bearing spacer.....ea	16.99
SU-306	63-67	Bearing spacer & shim set, includes 2 spacers & 9 shims (car set) (J).....ea	74.99
DB-562	65-67	Rotor w/rivet holes (J).....ea	69.99
DB-481	63-67	Rotor rivets (10 pcs).....ea	9.99

Rear Wheel Bearings Kit

Zip has made the time consuming job of replacing rear wheel bearings a bit easier by assembling a complete kit. Includes inner and outer Timken bearings with inner and outer seals. Per side.

M-3899	63-67	Timken wheel bearings kit (J).....ea	52.99
--------	-------	--------------------------------------	-------

Caliper Brackets & Backplates

SU-335	65-67	Caliper mount bracket (LH or RH) (J).....ea	79.99
SU-412	65-67	Park brake backplate, silver (LH or RH) (J).....ea	44.99
<i>Note: Park brake backplates include installed park brake anchor.</i>			
SU-1654	65-67	Park brake backplate anchor bolts (2).....ea	8.49
SF-721	63-67	Park brake backplate mount hardware (16 pcs).....ea	6.49
PB-248	65-67	Park brake shoe guide plate, mounts on backplate.....ea	4.99

Rear Spindle Tools

Spindle Press

Use to press-out the most stubborn spindle easily and without risking damage to threads or end. Solid steel construction.

TL-121	Rear spindle press.....ea	299.99
--------	---------------------------	--------

Spindle Remover

Use to drive "frozen" spindle from carrier without damaging threads. Threads onto spindle and rests against shoulder.

SU-86	Rear spindle remover.....ea	22.99
-------	-----------------------------	-------

HD Spindle Knocker

Use this heavy-duty knocker with your air hammer for quick removal of "frozen" spindles. Available with .401 or .498 shank.

SU-825	HD spindle knocker, .401 shank.....ea	74.99
SU-825A	HD spindle knocker, .498 shank.....ea	74.99

Spindle Bearing Puller

Use to remove rear wheel bearing and race from trailing arm. Works equally well with rotor riveted in place or removed.

TL-117	Rear spindle bearing puller.....ea	199.99
--------	------------------------------------	--------

Spindle Installation Tool

Use to pull spindle and bearings into carrier without damaging bearings, threads or seals. No more pounding spindles into place!

TL-119	Rear spindle installation tool.....ea	114.99
--------	---------------------------------------	--------

Spindle Set-Up Tool

Use to check end play of new bearing assembly - aids in proper shim selection before installing spindle into bearing housing.

TL-118	Rear spindle set-up tool.....ea	119.99
--------	---------------------------------	--------

Performance Suspension

QA1 Shocks

The preeminent name in the performance shock industry. QA1's put you in complete control – on the street, and on the track. The choice of those whose choose the best. Dyno tested. Made in the USA.

Non-Adjustable

Non-adjustable, but every bit the performer. Smooth-look aircraft grade aluminum body with bright-anodized finish. Available individually or car set.

SU-1360	63-67	QA1 front non-adjustable shock	154.99
SU-1361	63-67	QA1 rear non-adjustable shock	154.99
SU-1381	63-67	QA1 non-adjustable shock package	619.99

Sport

Ideal for Corvette owners who want improved handling and performance without adjustability. Tuned with a firmer valve for pro-touring or autocross racing. Available individually or car set.

SU-1468	63-82	QA1 Sport front shock	159.99
SU-1469	63-82	QA1 Sport rear shock	159.99
SU-1470	63-82	QA1 Sport shock package	639.99

Single-Adjustable

Provides 18 levels of compression/rebound damping using a single, easy-reach twist knob. Lightweight forced aluminum body. Available individually or car set.

SU-1362	63-67	QA1 front single-adjustable shock	199.99
SU-1363	63-67	QA1 rear single-adjustable shock	199.99
SU-1378	63-67	QA1 single-adjustable shock package	799.99

Double-Adjustable

Double adjustable valving allows for independent, precise control of compression and rebound. The most accurate way to dial-in your Corvette's suspension.

SU-1364	63-67	QA1 front double-adjustable shock	296.99
SU-1365	63-67	QA1 rear double-adjustable shock	296.99
SU-1375	63-67	QA1 double-adjustable shock package	1,129.99

QA1 Coil-Over System

Gain full control over your Corvettes suspension and handling characteristics. Features QA1's lightweight aluminum body shock, available in single adjustable or double adjustable option. Perfect for fine tuning handling for the street, drag, road race or auto cross. Includes 2.5" springs available in a combination of spring rates to further enhance your suspension. Specify spring rate.

SU-1477	63-67	QA1 single adjustable front coil over system	699.99
SU-1478	63-67	QA1 double adjustable front coil over system	899.99

KYB Gas-a-Just® Shock Absorbers

Gas-charged mono-tube shocks for the enthusiast who wants to enjoy performance handling at a reasonable price. Guaranteed not to fade. Limited lifetime warranty.

SU-205	63-67	KYB gas shock, front	59.99
SU-206	63-67	KYB gas shock, rear	59.99
SU-919	63-67	KYB gas shock package	219.99

Bilstein Shock Absorbers

If you're looking for maximum performance in a shock absorber, look no further than Bilstein. Mono-tube-design, gas-charged Bilsteins deliver precise, uncompromising performance on the street and at the track. Available in both heavy duty and sport design. Hardware included.

SU-807	63-67	Bilstein gas shock, front (HD)	100.99
SU-808	63-67	Bilstein gas shock, rear (HD)	110.99
SU-993	63-67	Bilstein gas shock package (HD)	423.99
SU-1408	63-67	Bilstein gas shock, front (Sport)	100.99
SU-1408	63-67	Bilstein gas shock, rear (Sport)	100.99
SU-1409	63-67	Bilstein gas shock package (Sport)	399.99

AC-Delco Shock Absorbers

Smooth-riding AC-Delco shocks are the perfect replacement for your factory hydraulic dampers. Lifetime warranty. Sold each or in car set.

SU-88F	63-67	Delco gas shock, front	52.99
SU-88R	63-67	Delco gas shock, rear	52.99
SU-536	63-67	Delco gas shock package	189.99

Detroit Speed SpeedRay Suspension

Transform your Corvette's factory frame for superior handling and ride quality. 100% bolt-on system or with a small amount of fabrication for a competition coil over option. Features DSE quick ratio rack & pinion, tuned coil-over shocks/springs, splined sway bar, aluminum spindle & wheel bearing assembly, upper & lower tubular control arms and offset mounting brackets to optimize suspension geometry and additional clearance for GenV LT engines. Available in your choice of shock option and coil over spring weight. No Discount.

Small Block or LS Conversion (550lb Springs)

SU-1515	63-67	SpeedRay front (bolt-in, non-adjustable).....	7,232.99
SU-1517	63-67	SpeedRay front (bolt-in, single-adjustable).....	7,797.99
SU-1516	63-67	SpeedRay front (bolt-in, double-adjustable).....	8,697.99
SU-1521	63-67	SpeedRay front (fabricated, non-adjustable).....	7,089.99
SU-1523	63-67	SpeedRay front (fabricated, single-adjustable).....	7,457.99

SU-1520	63-67	SpeedRay front (fabricated, single-adjustable).....	7,485.99
SU-1518	63-67	SpeedRay front (fabricated, double-adjustable).....	8,455.99
SU-1519	63-67	SpeedRay front (fabricated, double-adjustable remote).....	8,365.99

Detroit Speed Deca-Link Rear Suspension

Converts your Corvette's factory chassis to a modern CV axle shafts and hub bearing. Two-piece aluminum/steel cradle assembly allows for easy differential housing removal. Offset inboard to allow for additional tire clearance. DECALink IRS works with an original differential assembly. All suspension link lengths are adjustable, and the kit has adjustments for rear anti-squat geometry and roll center height. The suspension points are hard mounted to eliminate stock rubber mounted suspension deflection. Includes forged aluminum uprights, two-piece cast aluminum/steel cradle assembly, DSE/JRI coilover shocks/springs allow spring rate tuning and ride height adjustments. No Discount.

SU-1525	63-67	Deca-Link rear (non-adjustable, 17 spline).....	10,154.99
SU-1526	63-67	Deca-Link rear (single-adjustable, 17 spline).....	11,312.99
SU-1527	63-67	Deca-Link rear (double-adjustable, 17 spline).....	12,053.99
DB-1300	63-67	Willwood 4R-MC4 rear brake kit w/SRP rotors (DSE).....	2,090.99
DB-1301	63-67	Willwood 4R-MC4 rear brake kit w/GT rotors (DSE).....	1,965.99
DB-1302	63-67	Willwood rear brake cable kit (DSE).....	159.99

Note: Willwood brakes designed exclusively for the Deca-Link rear suspension system. Available in SRP & GT rotor options.

SU-1527

SPC Adjustable Control Arms

SPC's adjustable upper control arms offer almost infinite adjustment of both camber and caster for maximum handling and performance. Upper a-arms include a steel cross shaft with OE style rubber pivot bushings and ball joint mounting plate. Sold in pairs.

SU-1461	63-67	SPC adjustable control arm	659.99
---------	-------	----------------------------------	--------

Performance Suspension

Performance Suspension Upgrade

Designed to elevate your Corvette's handling to better-than-stock specs. Upgrade includes new 1" front and 3/4" rear sway bars, KYB Gas-a-Just® gas-charged shocks, upper and lower control arm bushings, tie rod ends, ball joints, an idler arm, trailing arm bushings, differential snubber cushion, adjustable strut rods, front coil springs and a 360 lb. fiberglass rear spring. Bushings are polyurethane. Available with or without front and rear springs. No Discount.

SU-657	63-67	Suspension package w/o springs.....	1,199.99
SU-656	63-67	Suspension package w/springs.....	1,579.99

Contact a Zip Corvette sales representative for specially designed suspension packages. Zip can build a suspension specifically to your Corvette needs. Choose from a full selection of front & rear spring options, shock types (including adjustable QA1), sway bar packages and bushing combinations. Just give us a call – we'll help you transform your Corvette's suspension from grocery getter to track performer.

Performance Sway Bars

Performance sway bars improve handling and cornering ability by significantly reducing body roll. Install with hand tools. Hardware included.

SU-654	63-67	Sway bars package: 1" & 3/4" (front & rear).....	389.99
SU-1676	63-67	QA1 front 1 1/4" sway bar kit.....	258.99

"Total Suspension" Kit

Polyurethane bushings maximize suspension performance by delivering predictable response in all driving modes. "Total suspension" kit includes front sway bar links, ball joint and tie rod end boots, power steering ram bushings, transmission mount, front and rear control arm bushings, rear spring cushions, rear strut rod bushings, differential snubber cushions, and rear sway bar and end link bushings. Does not include front sway bar frame bushings.

SU-851	63-67	Polyurethane "Total Suspension" kit.....	309.99
--------	-------	--	--------

Shark Bite™ Suspension

Impressive for its time, Corvette second generation suspension falls short when compared to current technology. So vault your classic into the present! Boasting improved geometry plus light weight control arms upgrade handling and cornering stability. Add companion coil-overs for tunable ride height and response. A-arms available as-cast (natural) and include shafts, bushings and ball joints. Spreader bar can adjust to greatly stiffen and re-align the front cross member/uprights. Coil-overs feature double adjustable (rebound and compression) Viking shocks. True bolt-on installs. No Discount.

SU-1508	63-67	Shark Bite aluminum upper control arms (car set).....	1,179.99
SU-1179	63-67	Shark Bite aluminum upper control arms w/performance ball joints (car set).....	1,459.99
SU-1465	63-67	Shark Bite aluminum lower control arms, w/shafts and ball joints (car set).....	2,799.99
SU-1180	63-67	Shark Bite front coil-over package (soft spring rate).....	1,099.99
SU-1302	63-67	Shark Bite front coil-over package (medium spring rate).....	1,099.99
SU-1303	63-67	Shark Bite front coil-over package (hard spring rate).....	1,099.99
SU-1509	63-67	Shark Bite front spreader bar (stock or tubular arms).....	159.99
SU-1510	63-67	Shark Bite front spreader bar (Shark Bite arms).....	159.99
SU-1183	63-67	Shark Bite rear coil-over package.....	2,599.99

SU-97	63-67	Side yoke outer bearing seal	ea 19.99
SU-1655	63-67	Side yoke retainer clips (car set)	5.49

Reconditioned Side Yokes

If your Corvette suffers from excessive tire wear or posi clutch "chatter", worn side yokes are most often the cause. Zip's reconditioned yokes are made of heat treated "through-hardened" steel to resist wear and eliminate need for frequent rear end alignments. Sold each.

SU-521	63-67	Side yoke (stub axle), STD	149.99
SU-557	63-67	Side yoke (stub axle), HD	149.99

Note: Side yokes sold on exchange. Add \$25.00 refundable core charge per side if rebuildable cores do not accompany order.

Zip Products Rebuilt Differential

Zip's rebuild service for '65-67 Corvette differentials works two ways: your original diff can be professionally refurbished, or, if you're in a "can't wait" situation, a \$500.00 core charge can be issued for a unit in stock and available for immediate shipment. Differentials are completely rebuilt and assembled and include a 3-YEAR UNLIMITED MILEAGE WARRANTY. Note warranty does not cover racing applications.

S-133 65-67 Rebuilt rear differential, same ratio.....**699.99**

Rebuilt Differential with NEW Gear Set

Whether you're looking for low-end grunt or high-speed cruising, Zip has the right differential. Here again we can rebuild your diff, or issue a \$500.00 core charge for an in-stock, already assembled unit. These differentials receive the same attention as all others – except here you can choose to have a NEW gear set installed. No Discount.

SU-1384	65-67	3.08 Rebuilt rear differential.....	999.99
SU-1385	65-67	3.36 Rebuilt rear differential.....	999.99
SU-1386	65-67	3.55 Rebuilt rear differential.....	999.99
SU-1387	65-67	3.70 Rebuilt rear differential.....	999.99
SU-1573	65-67	3.90 Rebuilt rear differential.....	999.99

SU-1385

"Extreme Performance" Rebuilt 4.33 Differential

Looking for extreme performance but can't find a 4-series carrier? Zip has a custom designed 4.33 gear set to match-up to your '65-67 3-series carrier. Available outright or through Zip's differential rebuild service. Sold on exchange, \$500.00 core charge. No Discount.

SU-1389 65-67 4.33 Rebuilt rear differential.....**1,099.99**

Shark Bite Differential Cover

Cast aluminum differential cover features improved cooling and extra webbing for increased strength. Includes bosses to plumb an external cooler for extreme applications. Larger interior design for increased oil capacity. Weighs 50% less than OE factory cover! Available stock or Shark Bite upgrade.

SU-1505	63-67	Shark Bite differential cover (stock suspension).....	569.99
SU-1506	63-67	Shark Bite differential cover (Shark Bite suspension).....	609.99

CORE REFUNDS: Customer cores are thoroughly inspected to determine rebuildable condition. Differential components judged to be non-rebuildable will incur a deduction from core refund and include egg-shaped pinion shaft hole, cracked case, broken ring gear bolts and/or broken gears.

Zip Differential Rebuild

Your Corvette's diff is key to getting the power to the pavement. Its complex nature suggests a rebuild is best left to professionals, as a correct set-up will ensure clunks, whines or "bangs" never rear their head. Zip's skilled technicians inspect, clean and magnaflux each core, then reassemble it using all-new parts including bearings, races, seals, shims and a positraction clutch pack. All work is performed in-house and is backed by our customer satisfaction guarantee.

Zip diffs pushed Leighton Reese's Banner Engineering Corvette through three seasons of the SPEED World Challenge GT Series, plus two seasons of Rolex GT including the Rolex 24 At Daytona. We're confident you won't find a better built differential!

GM Gear Lube & Additive

GM's special formula gear lubricants work equally well in positraction and conventional rear ends both. Posi additive stops clutch "chatter" and clunking common to positraction clutch packs. Car requires 46 ounces of gear lube plus a single bottle of additive.

MG-59	GM/Delco gear lubricant, 32 oz.....	33.99
POSI	GM/Delco positraction additive, 4 oz.....	14.99

BG Lubricant & Additive

BG Ultra-Guard provides thermal stability, protection against wear, pitting and corrosion, improved seal performance and quieter operation. Available in 75w/90 for stock applications and HD 75w/140 for racing applications. LSII friction modifier ensures smooth and quiet operation of differential gears and posi clutch pack. Fortifies all GL-5 level gear lubricant additives while providing optimum surface protection. Corvette differentials require 46 ounces of gear lube plus 4 ounces of limited slip additive.

MG-212	BG 75w/90 synthetic gear lubricant, 32 oz.	32.99
MG-211	BG HD 75w/140 synthetic gear lubricant, 32 oz.	39.99
MG-213	BG LSII limited slip additive, 6 oz.	19.99

Driven Racing

Next gen Driven Racing synthetic oil provides consistent limited slip differential performance. Competition proven formulation utilizes a proprietary additive package to reduce drag, resist foaming and maintain viscosity under extreme heat and load. Break-In oil allows gear teeth to break-in quickly while improving surface finish; by polishing the gear teeth, micro-pitting is eliminated improving gear durability.

MG-276	Driven Racing 75W-90 limited slip gear oil, 32oz.....	26.99
MG-275	Driven Racing 80W-90 break-in gear oil, 32oz.....	15.99

Driveshaft reconditioning and u-joint replacement

U-Joints & Hardware

Corvettes left the assembly plant with non-greasable U-joints. Zip stocks correct originals, replacement U-joints with Zerk grease fittings, and heavy-duty U-joints without grease fittings. Sold individually.

Zip Resto Tip: U-Joints Replacement

Installing new U-joints in your Corvette can turn into a costly job. A simple \$30.00 repair could grow into the replacement of your entire driveshaft. For a no-hassle removal, you'll need a tool similar to Zip's U-Joint Removal Tool (part number TL-129), or a standard shop press. Begin by removing the retaining clips on the U-joint bearing caps. Support the underside of the yoke with a large socket (1 1/4") on the bed of the press, and then begin pressing the U-joint with a smaller socket or rod. Make sure the U-joint is square and all pressure is placed onto the bearing cap – this will help keep the yoke from absorbing the pressure and possibly damaging the driveshaft. Continue pressing the U-joint until it can go no further. Remove the cap you pressed out with a pair of pliers, then reverse the driveshaft and press the opposite cap in the same manner. Once out, you'll be able to remove the U-joint from the driveshaft.

To install the new U-joint, lightly sand the inside of the yoke to clean out any corrosion or burrs, then spray with WD-40 to make installation smoother. Begin installation of the new U-joint by removing one cap and pressing it halfway into the driveshaft yoke. Now place the U-joint inside the yoke and press the cap all the way in. Press the second cap into the yoke, being careful to align it with the U-joint. Then reinstall the spring clips and make sure they are fully seated into the groove. You're done!

Steering Conversions

Power Steering Conversion Kit

Includes all-new factory style components including; control valve, ram, hoses, brackets, power steering pump, pump pulley, pitman arm, relay rod and hardware. Drive belt and crank pulley must be purchased separately.

SC-327	63-67	Conversion kit, 327 Base motor.....	999.99
SC-328	63-67	Conversion kit, 327 Hi-Perf w/o F.I.	1,099.99
SC-329	66-67	Conversion kit, 427.....	1,199.99

Borgeson Power Steering Conversion

True power steering for your 1963-1967 Corvette. Borgeson's steering conversion features a remanufactured Delphi 600 steering box designed to bolt to the factory mounting location. Kit includes power steering box, hoses, drag link or relay rod adapter and column coupler/rag joint connector. Everything needed to convert your Corvette's power assist to true power steering. Note: Column must be collapsed for installation. Frame reinforcement designed to reduce frame/box flex.

SC-848	63-66	Power steering conversion	799.99
SC-849	67	Power steering conversion	799.99
SC-907	63-67	Borgeson frame reinforcement.....	89.99

Power Steering Add On

Borgeson & Steeroid power steering conversions are designed for Corvettes with factory power steering. This power steering upgrade is available for non-power steering Corvettes with the purchase of a power steering add-on kit. Kit includes power steering pump, pump pulley, engine mount brackets and mount hardware. Does not include crank pulley or drive belt as required per application.

SC-767	63-67	Power steering add-on kit, 68 327 base & 69-74 350 w/AC (steel pulley)	269.99

SC-769	66-67	Power steering add-on kit, 427.....	479.99

Steering Conversion

How much do you want to transform your Corvette's steering? Zip has multiple conversion systems available to make your "hard to steer" Corvette turn on a dime. Factory Corvette power steering was not really power steering – it was power assist. Zip's complete conversion packages include all factory style components. OE style power steering pump, valve and ram assemblies are ideal for the enthusiasts serious about originality. Borgeson conversions are available for those who want genuine power steering. Delphi 600 power steering gearboxes adapted to fit your Corvette's steering linkage system (some modification required). Steeroids rack & pinion systems bolt-on a rack system which can be used on both manual and power steering Corvettes. For those interested in the latest in steering technology – fully electric system utilizes an adjustable column electric motor for variable assist, just like the C7 Corvette.

Steeroids™ Conversion

Replace your Corvette's out of date recirculating ball steering with a Steeroids rack & pinion kit for improved feel, greater control and faster turns. Bolt-on install uses basic hand tools and requires no modifications. Kit includes brackets, tie rod ends and hardware. Available for manual or power steering. Zip recommends upgrading to power while everything is apart – add-on kit includes factory pump and brackets. Call for details. No Discount.

SC-902	63-67	LS engine Steeroids conversion hoses	199.99

Electric Power Steering

Converts manual steering to a fully electric steering system – just like the C7 Corvette! Includes 40amp motor, prewired control module with adjustable potentiometer and all mounting hardware. Requires removal and cutting of original steering column. Once installed, electric motor is hidden under dash. Unit provides variable assist steering! No discount.

Flaming River Rack & Pinion Cradle

Update your mid-year Corvette's steering system with a Rack and Pinion Cradle System by Flaming River. Allows for improved horsepower, performance and handling. System bolts into existing original mounting locations with no suspension modification installation (column may need to be shortened). Provides more than 6" of travel for full turning radius. Complete rack & pinion kit includes hardware, universal joints, cradle system, quick ratio rack and pinion and complete step by step instructions.

SC-912	63-67	Manual rack & pinion cradle kit	1,689.99
SC-913	63-66	Power rack & pinion cradle kit (use OE pump kit)	2,369.00
SC-914	67	Power rack & pinion cradle kit (use OE pump kit)	2,289.99
SC-915	63-67	Power rack & pinion cradle kit (use FR pump kit)	2,289.99

Flaming River Pump Kit

Designed to work with the Flaming River Rack & Pinion Cradle kit as a replacement for the stock steering pump. Kit includes: Power steering pump with V-belt pulley, mounting bracket and hardware, remote power steering reservoir and braided stainless hose kit.

SC-917	63-67	327 power steering pump kit	869.99
SC-916	65-67	396/427 power steering pump kit	869.99

All Flaming River steering columns are made from 304 grade stainless steel, in paintable mill finish OR polished to a high luster. They will never rust and are chemically clean and can be painted to match or highlight an interior color with only minor preparation. Proudly Made in USA.

SC-912

Flaming River 63-66 Steering Column

All new steering column perfect for '63-66 Corvette applications. Plus get the added benefit of tilt steering to your early mid-year Corvette. Sleek design similar to original straight column including the 1 1/2" diameter tube. Designed to fit into the original dash mount. Features 3/4"-36 splined input shaft for connection to your factory column coupler. Available in black powdercoat or polished stainless steel for a truly custom look.

SC-927	63-66	Tilt steering column, black	989.99
SC-928	63-66	Tilt steering column, polished stainless	999.99

Flaming River 67 Steering Column

All new steering column for '67 Corvette with correct integrated dash mount bracket. Add the benefit of tilt steering allowing for more room behind the steering wheel. Original style design including the 1 1/2" diameter tube. Features 1"-48 splined input shaft for connection to your factory column coupler. Includes laser cut collapsible design for added safety. Available in black powdercoat, paintable mill stainless or polished stainless steel.

SC-924	67	Tilt Steering column, black	1,149.99
SC-925	67	Tilt steering column, mill stainless	1,089.99
SC-926	67	Tilt steering column, polished stainless	1,239.99

Flaming River Hazard Kit

Allows for the addition of hazard light (4-way flasher) functionality. Connects directly to the 4-1/4" male connector on the wiring harness of Flaming River steering columns. Includes one female connector, 12V flasher, 15A fuse, and seven spare crimp terminals to plug in additional wires to the provided connector.

Rag Joint Rebuild Kit

Rebuild your Corvette's steering column coupler with Zip's rag joint kit. Includes new coupling, guide pins and attaching bolts. Note kit does not include original-style metal reinforced material.

ZSC-524	63-67	Coupler rag joint kit, replacement.....	19.99
---------	-------	---	-------

Billet-Joint Column Coupler

Eliminates factory column coupler. Billet-Joint is CNC machined from aircraft steel. Sealed needle bearing design will last ten times longer than standard universal joint. Nickel plating prevents rust.

How to rebuild steering box & proper set-up

Steering Box Rebuild Kit

Complete with all pitman shaft and worm gear components (bushings, seals, recirculating balls, etc.) needed to rebuild your Corvette's original box.

SC-638	63-67	Steering box rebuild kit	89.99
--------	-------	--------------------------------	-------

Steering Box Rebuild

Your original steering box can be returned to as-new condition, or, if you're in a hurry Zip has rebuilt boxes in stock. All are disassembled, cleaned and painted. Rebuild includes all-new bearings, races, seals and adjustment to OE specs. Additional costs apply if worm gear or pitman shaft gear is damaged. Add \$125.00 refundable core charge if rebuildable core does not accompany order.

SC-532	63-67	Steering box, rebuilt	249.99
--------	-------	-----------------------------	--------

Steering Box Lubricant

The most commonly overlooked "fluid" to replace when servicing your Corvette. Driven Racing Oil chassis grease is correct for use in all steering boxes. Screw-in fitting makes frequent greasings – to ensure longevity of box – quick and easy. Can be used on all chassis fittings including tie rods, ball joints and idler arms.

Disc Brake

Rebuilt Delco Brake Calipers

Original Delco Moraine housings. Calipers are cleaned, inspected and rebuilt with stainless sleeves, then reassembled using all-new components including pistons (choose original-style or O-ring seal), springs, seals, bleeder screws and pad pins. O-ring design is best for Corvettes stored for long periods between use. Calipers are pressure tested for a leak-free installation. Limited lifetime warranty. Sold each.

DB-323	65-67	Rebuilt caliper w/original-style seal	129.99
DB-580	65-67	Rebuilt caliper w/O-ring seal.....	149.99

Note: Rebuilt calipers sold on exchange. Add \$80.00 per wheel refundable core charge if rebuildable cores do not accompany order.

NEW Delco Brake Calipers

New GM licensed Delco castings for a genuine factory look. Calipers are sleeved with stainless steel, assembled using all-new parts (choose original-style or O-ring seal), and pressure tested for a leak-free installation. Limited lifetime warranty. No core required. Sold each.

How to replace disc brake calipers and pads

Original-Style vs. O-Ring Seal

Lip seal piston seals were factory installed in mid-year era calipers, and if you're wanting to keep your Corvette 100% correct they are the way to go. However, be aware that prolonged inactivity and/or worn brake components are the enemy of the lip seal design. If you enjoy exercising your Corvette heartily, or, conversely, your pride and joy often sits for extended periods, O-ring seals are the better choice. Superior in design all-around, O-rings offer the best sealing possible.

Brake Pads & Caliper Mount

BL-718	65-67	Caliper mount bolts w/washers, replacement (car set)	15.99
BL-714	66-67	J56 caliper support mount bolts (car set)	15.99
DB-1292	65-67	Pads, ceramic, axle set	34.99
ZDB-322	65-67	Pads, organic, axle set	29.99
ZDB-456	65-67	Pads, semi-metallic, axle set	36.99
DB-24	65-67	Pad mount center pin	ea 2.99
DB-701	65-66E	Front caliper mount bracket (LH or RH)	59.99
DB-702	66L-67	Front caliper mount bracket (LH or RH)	59.99
SU-335	65-67	Rear caliper mount bracket (LH or RH)	79.99

GM Licensed Brake Pads

Reproduction GM Licensed brake pads. Soft organic compound riveted to brass backplates. Rivets feature Delco logo. Low metal content for extended rotor wear, squeak-free and low dusting.

DB-1189	65-67	Reproduction organic brake pads, axle set	39.99
---------	-------	---	-------

Caliper Clipper

Makes disc pad installation simple. Clipper holds pistons in compressed position to allow easy pad insertion. Single caliper requires pair of clippers. Sold individually.

DB-38	65-67	Caliper clipper	9.99
-------	-------	-----------------	------

Pad Anti-Squeak Shims

Tough plastic "insulators" mount along the trailing edge of pad to stabilize the pad in the caliper – and thereby put a stop to annoying squeaks, squeals and vibration.

DB-542	65-67	Pad anti-squeak shims, set of 8 (car set)	16.99
--------	-------	---	-------

Speed Bleeder*

Allows one-person brake bleeding. Replaces OE bleeder screw with one-way check valve that allows fluid and air to pass then closes so air isn't sucked back into system between pedal pumps. Two pair required per car.

DB-512	65-67	Speed Bleeder (2)	23.99
--------	-------	-------------------	-------

Rotors

DB-561	65-67	Rotor, front, w/rivet holes	ea 69.99
DB-562	65-67	Rotor, rear, w/rivet holes	ea 69.99
DB-481	65-67	Rotor rivets, front or rear rotor (10 pcs)	9.99

DB-715	65-67	Piston spring, rear, 2nd design	ea 1.99

Caliper O-Ring Conversion Kit

Upgrade your Corvette's calipers from GM's lip seal design pistons to a much improved O-ring style. Includes O-ring pistons, O-rings, dust boots and caliper fluid seals. Fits 2nd design calipers. Available in OE rubber or high heat silicone design. Kit does one wheel.

DB-771	65-67	Front caliper conversion kit	49.99
DB-772	65-67	Rear caliper conversion kit	49.99
DB-1296	65-67	Front caliper conversion kit, high heat silicone	59.99
DB-1297	65-67	Rear caliper conversion kit, high heat silicone	59.99

J56 Brake Caliper

DB-1320	65-67	Front caliper dual pin set (car set)	20.99
---------	-------	--------------------------------------	-------

Brakes

Hawk Performance

Hawk Performance brake compounds provide advanced braking characteristics to enhance your driving experience. Unique compounds combine the safety and quality of Aerospace design partnered with the braking technology of Motorsports.

Hawk Talon Performance Rotors

Hawk Talon drilled and slotted rotors feature beveled holes for superior cooling under the most extreme conditions. Unique Hawk DTC curved slot design provides consistent contact between the rotor and pad while sweeping away gas and dust; the result is a high performance rotor that enables harder, more precise braking. Talon rotors feature Magni barrier coating to maintain corrosion resistance. Sold in pairs.

DB-1226	65-67	Hawk Talon front rotors	327.99
DB-1227	65-67	Hawk Talon rear rotors.....	289.99

DB-1226

Hawk Ceramic Brake Pads

Performance Ceramic is engineered to reduce brake noise, vibration and harshness; creating a quieter performing brake pad. Expect reduced brake pad wear, lower dust output levels and a rotor-friendly brake pad. Protection at its best for your Corvette's factory or custom alloy wheels! Sold in axle sets.

DB-1092	65-67	Hawk ceramic brake pads.....	161.99
---------	-------	------------------------------	--------

DB-1092

Hawk 5.0 Brake Pads

High Performance Street 5.0 is one step closer to giving you the greatest stopping power and pedal feel for your Corvette. Hawk's Ferro-Carbon compound provides advanced braking characteristics including shorter stopping distances, improved performance under heavy braking conditions and street car friendly characteristics. Sold in axle sets.

DB-1093	65-67	Hawk 5.0 brake pads	161.99
---------	-------	---------------------------	--------

DB-1093

POWERSTOP.

Power Stop

From a simple set of replacement brake pads to slotted or cross-drilled rotors, Power Stop provides superior performance over your Corvette's stock brake components.

Z16 Evolution Ceramic Brake Pads

True ceramic compound engineered for low dust and extended rotor wear. Virtually noise free. Dual rubber backed shims offer six times noise reduction than plain steel shims. Sold in axle sets.

DB-1094	65-67	Power Stop Z16 Evolution brake pads.....	54.99
---------	-------	--	-------

DB-1094

Z26 Street Warrior Brake Pads

Designed for high performance street drivers who demand shorter stops. Z26 brake torque is consistently higher than OE pads with outstanding thermal stability. Z26 friction compound is a carbon fiber and ceramic hybrid that resists fade to 1500 degrees. Count on superior bite without dusty wheels. Sold in axle sets.

DB-1095	65-67	Power Stop Z26 Street Warrior brake pads.....	99.99
---------	-------	---	-------

DB-1095

Power Stop Drilled & Slotted Rotors

Superior braking + aggressive looks = win-win! Feature drilled holes for cooling and machined rounded slots to sweep away gasses and spent pad material. Mill balanced G3000 grade castings are silver zinc plated to resist rust. Sold in pairs.

DB-1096

DB-1096	65-67	Power Stop front rotors	209.99
DB-1097	65-67	Power Stop rear rotors.....	189.99

"1-Click" Brake Kits

Full car set of Power Stop's drilled and slotted rotors in combination with your choice of brake pad compounds. Z16 Evolution brake pads are an excellent choice for daily driver/spirited street use. Zip recommends Power Stop's Z26 Street Warrior carbon fiber and ceramic hybrid compound for drivers looking to shorten stops. Bigger bite, yet still sheds minimal dust. Car set.

DB-1098	65-67	Power Stop rotors w/Z16 Evolution pads.....	469.99
DB-1099	65-67	Power Stop rotors w/Z26 Street Warrior pads.....	529.99

DB-1098

Wilwood Brakes

Incredible stopping power – wrapped in stunning looks. Applying motorsports technology to street applications, Wilwood's big brakes are an ideal complement to suspension, wheel and tire upgrades.

Wilwood Brake Calipers

Update your D8 Corvette with legendary Wilwood stopping power. Direct bolt-on replacement for OE calipers. D8-4 forged billet aluminum 4-piston calipers feature stainless steel pistons and high-temp seals. Kits include Wilwood braided stainless hoses and BP-10 pads. (Fronts also available in 6 piston design). Available "raw" cast or powder coated black or red. May require 3/16" spacer. No Discount.

DB-850	65-67	Wilwood D8-4 front kit, natural.....	579.99
DB-853	65-67	Wilwood D8-4 front kit, black.....	739.99
DB-851	65-67	Wilwood D8-4 front kit, red.....	739.99
DB-979	65-67	Wilwood D8-6 front kit, natural.....	709.99
DB-981	65-67	Wilwood D8-6 front kit, black.....	862.99
DB-980	65-67	Wilwood D8-6 front kit, red.....	862.99
DB-849	65-67	Wilwood D8-4 rear kit, natural.....	579.99
DB-854	65-67	Wilwood D8-4 rear kit, black.....	739.99
DB-852	65-67	Wilwood D8-4 rear kit, red.....	739.99

Promatrix SRP Rotors

Wilwood's SRP rotors offer the high tech look and improved performance of a directional cross-drill and face slot pattern. The venting and cleaning action of the hole and slot pattern reduce pad glaze and minimize irregular pad build-up on the rotor faces, resulting in a smoother engagement feel at the pedal and consistent response from the pads. Rotors are precision machined to less than .001 tolerance for overall flatness, parallelism, and radial run-out on long grain carbon iron castings. Available in a black electro coat finish providing corrosion resistance.

DB-1102	65-67	Wilwood Promatrix SRP Rotors (car set).....	569.99
DB-1103	65-67	Wilwood Promatrix SRP Rotors (Black Electro Coated).....	172.99

Wilwood Big Brake Kits

Unsurpassed braking capacity of the Forged Narrow Superlite caliper serves as the base of Wilwood's Corvette brake kit. Engineered for simplified installation and full compatibility with OE master cylinder output and factory spindle mount. Now you can increase your Corvette's brake capacity while complimenting the style of custom wheel & tire packages. 2-piece rotors available in GT slotted or SRP drilled & slotted designs. Superlite calipers in your choice of powder coated black or red. Includes detailed instructions. No Discount.

Wilwood 6-Piston Superlite Front Brakes

DB-1104	65-67	Wilwood 13.06" front brake kit w/GT rotors.....	1,834.99
DB-1105	65-67	Wilwood 13.06" front brake kit w/SRP rotors.....	1,959.99
DB-1106	65-67	Wilwood 14" front brake kit w/GT rotors.....	2,119.99
DB-1107	65-67	Wilwood 14" front brake kit w/SRP rotors.....	2,118.99
DB-1195	65-67	Wilwood SL6 front stainless brake hoses (2).....	69.99

Wilwood 4-Piston Superlite Rear Brakes

DB-1108	65-67	Wilwood 13.06" rear brake kit w/GT rotors.....	1,949.99
DB-1109	65-67	Wilwood 13.06" rear brake kit w/SRP rotors.....	1,947.99
DB-1110	65-67	Wilwood 14" rear brake kit w/GT rotors.....	2,119.99
DB-1111	65-67	Wilwood 14" rear brake kit w/SRP rotors.....	2,118.99
DB-1194	65-67	Wilwood SL4 rear stainless brake hoses (2).....	69.99

Note: Wilwood 13" brake rotors require the use of 17" wheels; 14" rotors require 18" wheels. See information online for caliper & wheel dimensions.

Want the looks of a Wilwood brake kit without having to upgrade to custom 17" wheels? Consider Wilwood's factory D8-4 brake calipers and a set of SRP drilled & slotted rotors.

Wilwood Racing Brake Fluid

EXP 600 Plus has tested to 626°F with a wet boiling point of 417°F to withstand even the severe heat and pressure cycles of pro-level motorsports. Maintains firm pedal and consistent, quick response long after lesser blends have failed. Low viscosity.

DB-311	63-66E	Front crossover line clip (1 per car)	5.49
CZ-1235	66L-67	Front crossover line clips (2) (C)	5.49
BL-500	66L-67	Front crossover line clip bolts, "E" headmark (2)	4.49
DB-794	63-64	Master cylinder front & rear line clip, holds lines together, 63 Z06 & 64 J56	10.99
DB-329	65-67	Master cylinder front & rear line clip, holds lines together, 65-66 PWR & 67 All	10.99
DB-482	63-67	Rear crossover line center clip (C)	ea 6.49
BL-500	63-67	Rear crossover line clip bolts, "E" headmark (2)	4.49
DB-630	63-67	Brake line clip bolt (1-6 per car) (C)	ea 2.49

Reproduction Clips & Bolts Kit

100%-correct brake line clips are exact match in size, shape and finish to those installed at the Corvette assembly plant. Mounting bolts feature correct headmark and finish.

DB-625	63-65	Brake line clips & bolts kit, correct (9 clips/2 bolts)	56.99
DB-626	66	Brake line clips & bolts kit, correct (10 clips/6 bolts)	44.99
DB-627	67	Brake line clips & bolts kit, correct (11 clips/9 bolts)	40.99

Complete Brake Hose Kit

Original-style rubber hoses with "U" clips and copper washers. Same as factory installed on mid-year Corvettes. Made in the USA from Goodyear Rubber Company hose. Set of 4. DOT approved.

DB-543	63-67	Rubber brake hose set	69.99
--------	-------	-----------------------	-------

Brake Line Blocks

DB-301	63-64	Block, left front, STD & PWR	23.99
DB-301	65	Block, left front, STD	23.99
DB-310	65	Block, left front, PWR 3/16" & Z06	23.99
DB-303	66	Block, left front, STD	23.99
DB-302	66	Block, left front, PWR	23.99
DB-302	67	Block, left front, STD & PWR (C)	23.99
DB-308	63-65	Block, left rear, STD & PWR 3/16"	23.99
DB-316	66-67	Block, left rear (C)	23.99
DB-309	63-67	Block, right rear (C)	15.99
DB-630	63-67	Block mounting bolt (C)	ea 2.49
ZDB-40	63-67	Block "U" mount clip (2 per car) (C)	ea 1.99
DB-847	63-67	Block "U" mount clip, correct (2 per car)	ea 4.99
DB-525	63-67	Block support bracket, left or right rear block, welds to frame kick-up (2) (C)	20.99

Proportioning Valve

DB-1237	67	Proportioning valve, reproduction (C)	Call
DB-509	67	Proportioning valve, replacement (C)	79.99
DB-497	67	Proportioning valve bracket (C)	31.99
DB-566	67	Proportioning valve mounting bolt	4.49
DB-632	66	J56 valve bracket	94.99
DB-1315	66-67	J56 valve rebuild kit	29.95
DB-633	67	J56 valve bracket	82.99
BL-713	66	J56 valve mount bolt	2.79

Stainless Steel Brake Hoses

Braided stainless with teflon lining outlasts rubber – plus delivers a firmer pedal and shorter stopping distances. Sold in car set. DOT approved. Made in the USA.

DB-560	63-67	Brake hose set, stainless (4)	159.99
DB-899	63-67	Brake hose set, stainless (4), specify blue, red, yellow or graphite	199.99

Caliper & Wheel Cylinder Hoses

ZDB-16	63-67	Brake hose, front (2 per car) (C)	ea 16.99
ZDB-17	63-67	Brake hose, rear (2 per car) (C)	ea 16.99
ZDB-40	63-67	Brake hose "U" clip (6 per car) (C)	ea 1.99
DB-1244	63-67	Brake hose "U" clips (car set) (C)	7.49
DB-847	63-67	Brake hose "U" clip, correct (6 per car)	ea 4.99
DB-19	63-67	Brake hose copper washer (C)	ea 2.79
SU-1026	63-67	Brake hose front frame bracket, welds on	ea 13.99
SU-710	63-67	Brake hose trailing arm brackets, weld on (2)	23.99

DB-48	65-67	Shoe spring installation tool, makes parking brake set-up fast and easy	12.99

Brake Shoes Hardware

Corvettes left the assembly plant with steel park brake shoes hardware. These springs and retainers deteriorate over time and often break – leaving you with a non-working brake. Zip's all-stainless hardware kit includes everything you'll need when replacing your original park brake shoes.

DB-14	65-67	Park brake shoe hardware kit	59.99
-------	-------	------------------------------------	-------

Wheels & Hubcaps

63-66 Replica Aluminum Knock-Off Wheels Set

The result of meticulous research supporting all-new tooling, these "original" design castings are the closest wheels available to true factory option knock-offs. Set includes (4) wheels with adapters, lug nuts, correct cones, spinners and lead hammer. No Discount.

H-795	63-64	Knock-off wheels set.....	2,269.99
H-796	65	Knock-off wheels set.....	2,269.99
H-797	66	Knock-off wheels set.....	2,269.99

'63-64 replica aluminum knock-offs have "raw cast" finish; '65-style have dark gray painted recesses with polished chrome cones; '66 have dark gray recesses with brushed chrome cones.

H-795

H-796

H-797

Direct Bolt-On Knock-Offs

Love the look of knock-offs, but want the security of a bolt-on wheel? Zip's direct bolt-on replica knock-offs are dead ringers for the real thing – but attach with a special lug nut instead of the spinner. Set includes (4) wheels, adapters, cones and spinners. No Discount.

H-798	63-64	Direct bolt-on knock-off wheel set.....	2,599.99
H-799	65	Direct bolt-on knock-off wheel set.....	2,599.99

FiTech Fuel Injection

Ditch the carb and advance into the EFI world with FiTech's bolt-on throttle body fuel injection system. The Go Street EFI system is ready to run WITHOUT programming. Simply bolt-on in place of your factory Holley or Q-Jet carb and the self-tuning system will eliminate cold start issues, hesitation, vapor lock and flooding problems. The more you drive; the more it adapts to your application. Note: Requires use of 58psi fuel pump. See www.zip-corvette.com for more information.

M-2716

M-2720

Harmonic Balancer Repair

Sleeve repairs groove worn in balancer by the timing cover oil seal. M-3570 rebuild kit includes specially molded rubber cushions and rivets for rebuilding GM #3760584. Requires use of a shop press capable of 8,000 lbs. pressure, and an air chisel for staking rivets.

M-2335	63-67	Harmonic balancer sleeve, 327	12.99
M-2334	65-67	Harmonic balancer sleeve, 396 & 427	44.99
M-3570	63-65	Harmonic balancer rebuild kit, includes 2 rubber cushions & 6 rivets, to rebuild GM #3760584	60.99

ATI Super Damper® Harmonic Balancer

OE dampers are optimally tuned to fit a narrow band of "perceived" normal driving conditions and generally do not perform well outside of those limits. ATI's Super Damper can handle any performance scenario to better protect your engine. Black zinc chromate finish with laser engraved timing marks. Tunable and rebuildable.

Direct replacement for factory unit. See individual specs online: www.zip-corvette.com.

PM-745	63-67	Super Damper, 327 w/hydraulic lifters	304.99
PM-757	63-67	Super Damper, 327 w/solid lifters	359.99

ZDDPlus™ Oil Additive

Today's oils are largely missing the key ingredient critical to a flat tappet engine's survival: zinc dialkyl dithiophosphate (ZDDP). ZDDPlus additive creates a protective film on cam and lifter contact points to prevent premature – and often catastrophic – wear. One bottle per 5 quarts at every oil change ensures your Corvette has the right amounts of protective zinc and phosphorus in the oil.

M-3835	ZDDPlus oil additive, 4 oz.....	11.99

Zip Resto Tip: Aluminum Valve Covers

With the valve covers removed from the engine, rinse them with water and spray with a degreasing solution such as Simple Green. Let the solution set for about 5 minutes and then scrub the covers with a firm-bristled brush to remove all traces of oil and grime. Thoroughly rinse and allow to dry completely before continuing. Once dry, lightly mist dull aluminum paint onto the covers with one or two passes. After applying the light coating, pour half a pint of lacquer thinner into a steel or glass container and spray the thinner with the aluminum paint. With a small brush (1/2" recommended) in hand, wet the brush in the thinner/paint solution and brush the covers. Work the surface until the desired look is reached. The thinner will evaporate and the paint will be left in the pores of the aluminum, making your valve covers look new again. If the covers look as if they have been painted, then too much paint was applied and you will need to brush-on more lacquer thinner. If oily stains can be seen, reapply a heavier coating of aluminum paint and continue with the application steps.

Rebuilt Tach Drive Distributor

Rebuild includes complete disassembly, installation of new housing bushings, line boring to original tolerances and re-assembly with new hardened mainshaft, lower gear, improved cross shaft gear and ignition points. Zip can even convert your Corvette's distributor to a full electronic ignition set-up using Pertronix's Ignitor III set-up.

Note: Distributors sold on exchange. Add \$200 refundable core charge if rebuildable core does not accompany order.

HEI Tach Drive Distributor

Keep your factory tach – and get the performance of no-points HEI. Note: cap will not fit under OE shielding. Requires 13.7 volts. Pigtail connects HEI coil to original harness. Requires HEI spark plug wires.

M-3790	63-67	HEI tach drive distributor.....	119.99
E-1115	63-67	HEI coil wiring harness pigtail.....	17.99

Dragon Fire Pro Series Electronic Distributor

Electronic Distributor with mechanical tach drive and yet small enough to fit under the factory ignition shielding. Features a magnetic pickup and module, which means it can be used with just an ignition coil - no need for an expensive or distracting aftermarket ignition box. Zip recommends a Flame-Thrower III ignition coil. Female cp allows for use of stock spark plug wires.

Replacing the tach drive gear and coupling

Gear Replacement Kit

Mid-year Corvettes are known for stripping tach drive cross shaft gears. Kit includes improved tach gear, brass button, washer and brass coupling. Stainless Dura-Last coupler/gear kit includes "roller" bearing to eliminate potential wear.

M-4069	63-67	Tach drive gear replacement kit.....	52.99
M-4216	68-74	Stainless Dura-Last coupler & gear kit.....	89.99

Distributor Rebuild

Over time, the mainshaft wears the soft brass bushings in the distributor housing and begins to "wobble" – the likely culprit behind persistent drive gear problems. Fresh upper and lower bushings will have your distributor performing like new.

Ignitor Electronic Ignition

Enjoy the benefits of High Energy ignition while keeping your Corvette "all-original" underhood – all components fit inside the distributor cap for a truly stealth install.

Ignitor replaces points and condenser with an electronic module for quick starts, better fuel economy, longer plug life and more horsepower. Ignitor II senses coil current and adjusts dwell up-down using a micro controller. The result? Constant peak energy over the entire rpm range. Ignitor III delivers "box ignition" performance – without the box! Five times more spark energy than points, plus a user-set rev limiter. All kits are compatible with stock coil, or for more juice add a **Flame-Thrower™** coil and matching plug wires at same time. See expanded descriptions of Ignitor ignition components online at www.zip-corvette.com.

How to replace an ignition coil

MSD Ignition Control

Microprocessor controlled, capacitive discharge ignition that multi sparks up to 3,000 RPM (single spark over 3,000 rpm) providing easy starts, a clean, smooth idle and quick throttle response by optimizing your engine's efficiency.

PM-881	63-67	Digital 6A ignition control box, black	299.99
PM-880	63-67	Digital 6A ignition control box, red	299.99

Flame-Thrower Ignition Coil

The Flame Thrower Coil by Pertronix is the perfect coil to go with an Ignitor breakerless ignition. Gain even more performance with 40,000 volts; allowing for larger spark plug gaps, smoother response and added fuel economy.

Flame-Thrower II - Designed for the Ignitor II ignition conversion. Low resistance of 0.6 Ohm and improved turns ratio provides even more performance- 45,000 volts.

Flame-Thrower III - Designed for the Ignitor III ignition conversion. Low resistance of 0.32 Ohm and improved turns ratio provides even more performance- 45,000 volts while charging faster at high RPMs. Rapid charge time means maximum spark energy sustained.

Oil filled coils offer great heat control for street driven Corvettes, epoxy filled provides superior winding support for high vibration environments. Available in black or chrome.

E-578	63-67	Flame-Thrower coil (epoxy)	59.99
E-1204	63-67	Flame-Thrower coil (oil)	56.99

E-1210	63-67	Flame-Thrower III coil, chrome	71.99

MSD Pro-Billet Distributor

Accurate magnetic pick-up, oversized shaft, and billet aluminum housing are just a few of the MSD advantages. Inside the billet distributor housing, a sealed ball bearing and long sintered bushing guide a 0.500" steel shaft for high rpm accuracy. Adjustable mechanical advance allows you to custom tailor timing curve. Must use MSD ignition box to complete your ignition upgrade.

PM-876	63-67	Pro Billet, black	389.99
PM-877	63-67	Pro Billet, red	379.99
PM-878	63-67	Pro Billet w/internal module & advance, black	481.99
PM-878	63-67	Pro Billet w/internal module & advance, red	481.99
M-4234	63-67	Pro Billet w/tach drive & advance	614.99

MSD Blaster 2 Ignition Coil

Designed for improved spark output- Special 100:1 windings provide maximum build-up of voltage! Oil filled metal canister and durable alkyl tower with brass primary terminals.

PM-883	63-67	Blaster 2 ignition coil, black	71.99
PM-882	63-67	Blaster 2 ignition coil, red	71.99

Spark Plugs

AC-Delco Spark Plugs

Insist on the best – genuine AC-Delco. Current production plugs are designed expressly for Corvettes to minimize radio interference. Order by application or check owner's manual for correct number. Sold each.

M-4284	63-67	Spark plug wire set (multi-angle plug boot)	153.99
--------	-------	---	--------

Dragon Fire Sport Spark Plug Wires

Dragon Fire Universal "Cut to Fit" 8.5mm spark plug wires with either 90° angle or 180° straight end boots. Designed to fit all Corvette applications including both HEI style (male) or factory style (female) distributor caps. 150 ohms per foot is possible with these spiral wound Kevlar core silicone jackets wires. Brass Terminals. Available in red, black or with hi-temp ceramic boots in black. Car set.

M-4304	63-67	Dragon Fire Sport spark plug wires, 90° (red or black)	79.99

U Spark Plug Wires

Reproduction Spark Plug Wires

OE-style wires include correct script, date code and spark plug end boots. Wires are dated 1st or 3rd quarter; specify year of car and VIN number. 396 and 427 with factory radio had braided wires; big-block cars built radio delete used wires without braided covering. Car set.

E-554	63-67	Spark plug wires, 327 (dated) (U)	84.99
E-555	63-65	Spark plug wires, F.I. (dated)	99.99
IS-209	65-66	Spark plug wires, 396 & 427, braided (undated), w/valve cover clips	169.99
IS-218	67	Spark plug wires, 427, braided (undated), w/valve cover bolt attachment	169.99
E-556	65-67	Spark plug wires, 396 & 427, braided (dated)	184.99
E-557	65-67	Spark plug wires, 396 & 427, w/o radio, unbraided (dated)	84.99

Note: Refer to chart below for recommended dating for '63-67. Serial numbers shown are the last five digits of the serial/VIN number – which corresponds to the assembly line build sequence.

Year	Serial#	Date
1963	00001 thru 09814	03-Q-62
	09815 thru 21513	1-Q-63
1964	00001 thru 12322	3-Q-63
	12323 thru 22229	1-Q-64
1965	00001 thru 11059	3-Q-64
	11060 thru 23564	1-Q-65
1966	00001 thru 15283	3-Q-65
	15284 thru 27720	1-Q-66
1967	00001 thru 12264	3-Q-66
	12265 thru 22940	1-Q-67

A 65-67 Side Exhaust Front Mount

B 65-67 Side Exhaust Mount

Side Exhaust Covers Package

Zip's all-in-one package includes new reproduction covers, upper trim strips, front and rear cover brackets, cover mount screws and U-nuts, and trim strip screws and flat nuts. Car set.

EX-685	65-67	Side exhaust cover & trim set (ND)	1,849.99
--------	-------	------------------------------------	----------

Side Exhaust Package

Completely replaces poor-condition original components – or add the coveted looks and sound of factory side exhaust to any mid-year Corvette. Includes aluminized or stainless mufflers, trim moldings, new reproduction covers, and all mounting hardware. No Discount.

Aluminized Muffler System

EX-516	63-67	Side exhaust package, 327, 2"	2,949.99
EX-517	63-65	Side exhaust package, 327, 2 1/2"	2,949.99

Stainless Muffler System

EX-691	63-67	Side exhaust package, 327, 2"	3,449.99
EX-692	63-65	Side exhaust package, 327, 2 1/2"	3,449.99
EX-693	65-67	Side exhaust package, 396/427	3,449.99

Prefer carbon steel mufflers or new "original" sound? Zip can build the side exhaust package you want – call your sales representative for details.

Carbon Steel vs. Aluminized vs. Stainless

Carbon Steel – The closest-to-OE reproductions available. Jig-welded carbon steel header pipes with an aluminized steel 2.75" chambered section as original, and correct 2.75" chrome plated tips.

Aluminized – An excellent choice for those wanting a "factory" muffler – but much longer life than carbon steel. Jig-welded aluminized steel header pipes with an aluminized chambered section and 2.75" polished stainless tips for lasting looks.

Stainless – Delivers near-forever performance. Jig-welded 304 stainless steel header pipes with a stainless steel (inside and out) chambered section and 2.75" polished tips.

For true "original" sound, carbon steel and aluminized mufflers are now available with redesigned (correct perforations) inner baffle tubes that are exact replicas of factory pipes. 2-piece clampable design reduces freight costs associated with welded head pipe.

EX-2011	66-67	427 Automatic	269.99

Doug's Headers Side Mount Exhaust

Doug's Headers side mount headers deliver the most aggressive style and performance. Manufactured in heavy 16-gauge tubing with thick 3/8" flanges with machined sealing beads for both long lasting and leak-free performance. Side tubes slip directly over collector. Replaceable mufflers available in hi-flow glass pack (loudest max flow), glass pack and reverse flow (quieter). Headers and side tubes available in hi-temp black, chrome, metallic ceramic coated or polished stainless.

EX-2365	63-67	327/350 Side mount headers, metallic ceramic	1,099.99
EX-2366	63-67	327/350 Side mount headers, hi-temp black	757.99
EX-2367	63-67	327/350 Side mount headers, chrome	1,257.99

Sweet Thunder Slip-In Muffler Inserts

Fitting both Hooker or Doug's 4" side mount exhaust tubes, Sweet Thunder changes the game with their Performance 4" Side Exhaust Slip-In Muffler Inserts. Designed to give you total control over your Vette's sound. Available from 1.75" to 2.75" depending on how much aggression you want out of those pipes.

EX-2403	63-67	Side exhaust Slip-In muffler inserts, 1.75"	289.99
EX-2404	63-67	Side exhaust Slip-In muffler inserts, 2.00"	289.99
EX-2405	63-67	Side exhaust Slip-In muffler inserts, 2.25"	289.99
EX-2406	63-67	Side exhaust Slip-In muffler inserts, 2.50"	289.99
EX-2407	63-67	Side exhaust Slip-In muffler inserts, 2.75"	309.99

Tight Tuck Performance Header

Perfect for the Vette Rod or stock application. Tight Tuck headers hug the side of your small block, allowing for clearance between the frame rails without interfering with stock engine mounts. 16-gauge metallic ceramic coated. Fits D-Port heads including ZZ4 and ZZ383 crate engines. Complete with gaskets and header bolts.

EX-992	63-67	327/350 Tight tuck headers	529.99
--------	-------	----------------------------------	--------

Header Pipe Systems

4-piece pipe set connects from Tight Tuck headers to mufflers. For use with stock or Magnaflow performance mufflers. Car set.

EX-993	64-67	4-speed Tight Tuck header pipe set	311.99
--------	-------	--	--------

Header Mount Bracket

Problem solved! Mount brackets custom designed for use when installing headers. Allows for alternator or compressor to be in factory location.

M-4143	63-67	AC compressor mount header bracket	40.99
M-4144	63-67	Alternator mount header bracket, LH side	99.99
M-4145	63-67	Alternator mount header bracket, RH side	89.99

Muffler & Exhaust Tips

Aluminized Muffler

Exact replica of factory-original muffler in appearance, fit and sound. Features aluminized case, end caps and 14-gauge (.70 wall) inlet and outlet pipes. Hand-jigged and MIG welded for a precise fit. Uses single mount bracket for installation as original. Zip Products 3-YEAR LIMITED WARRANTY AGAINST CORROSION. Note warranty does not cover damage due to out-of-time backfires. Sold in pairs.

EX-949	63-67	Mufflers w/2" inlet (pair) (C)	259.99
EX-950	63-67	Mufflers w/2 1/2" inlet (pair) (C)	259.99

Magnaflow Mufflers

More power and the signature Magnaflow rumble for your C2 Corvette! Magnaflow's aluminized, straight through design mufflers custom fitted for your C2 Corvette. Magnaflow performance mufflers don't include chambers, baffles or louvers to restrict exhaust flow; the result is improved performance, reduced backpressure, extended durability and a smooth exhaust tone that is sure to turn the heads. Sold in pairs. Designed to connect to factory exhaust pipes.

How to detail your Corvette's exhaust manifolds

VHT FlameProof™

Heat resistant, silica-ceramic spray coating withstands temperatures to 2,000°F. Ideal for exhaust manifolds. Cured matte finish has look of cast iron.

ZMG-72	VHT FlameProof coating	17.99
--------	------------------------------	-------

Note: Hazardous and/or aerosol materials such as paint cannot be shipped by air.

Calyx Manifold Dressing

The ultimate cleaner/polish to keep your exhaust manifolds "concourse" perfect. No need to remove manifolds, simply brush away loose dirt and rust, apply Calyx cream, then polish to a natural silver luster. Non-toxic.

MG-69	Calyx manifold dressing.....	18.99

EX-208

EX-373

Exhaust/Header Wrap

Common knowledge says heat is the enemy of power. Composite wrap reduces underhood temps up to 50% plus promotes increased exhaust flow. Sold in 2" x 50' roll. Tan withstands 1200°F direct and 2000°F intermittent heat, titanium 1800°F/2500°F. Hi-Temp silicone spray coating penetrates to seal, protect and prolong the life of tan wrap. For HD titanium, "bare" (no spray) is recommended. 304 stainless steel ties secure wrap to pipes/collectors for a clean, finished look.

EX-2127	Exhaust/header wrap, tan, 2" x 50'	49.99
EX-2128	Exhaust/header wrap, titanium, 2" x 50'	59.99
EX-2129	Stainless locking ties, 8" (set of 8)	14.99
EX-2130	Stainless locking ties, 14" (set of 4)	9.99
TL-176	Stainless locking tie tool	5.99
EX-2131	Hi-Temp silicone coating, 12 oz. aerosol	10.99

Note: Aerosol materials such as silicone coating cannot be shipped by air.

Manual Transmission Rebuild Service

If the thought of tackling your Corvette's "stick" gearbox is a bit too intimidating – have Zip do it! Transmission is completely disassembled, cleaned, and thoroughly inspected. Case is restored to factory finish. Rebuild includes all-new bearings, syncros, bushings and seals. Additional costs may be incurred depending on condition of gears and cluster assembly (parts not replaced during standard service). 1-year unlimited mileage warranty. Sold on exchange only. No Discount.

Note: Contact Zip for more information on transmission ratios and application details. See page 90 for automatic to manual conversion packages.

Hydraulic Clutch

Get rid of your factory heavy clutch pedal with a new hydraulic clutch actuator kit. High quality Wilwood master cylinder with remote reservoir actuates a HD concentric slave cylinder/throw-out bearing. Kit includes stainless hose and firewall mount bracket. Rated for 7,000rpms. Use TKO or Muncie trans.

PFG-405	67	Pre-assembled front end, black	9,299.99

Pre-Assembled Press Molded Front End

Press Molded vs. Hand Laid

Press molded panels "(pm)" are pressure-formed in matched molds as original, creating an exceptionally strong part smooth on both sides. Hand laid panels "(hl)" are built by layering fiberglass mat and resin into a single mold. The result is a high-strength part of uniform thickness with a smooth surface on the outside only. To help keep your Corvette as original as possible, Zip offers as many press molded pieces as are available. Before starting any repair or restoration, consider using press molded panels – the extra money spent now for "correctness" will make your Corvette more valuable in the long run.

Complete 1-Piece Front End

Hand laid, 1-piece front ends reduce restoration time and ensure seamless body lines. High-quality construction results in a ripple free finish. Includes installed headlamp reinforcement bars as original. Predrilled and precut for grills, moldings and emblems. Prepaid only. Ships truck freight collect (\$35.00 crate fee). No Discount.

HFG-032	63-64	1-piece stock front end, door-to-door	2,299.99
HFG-041	65-66	1-piece stock front end, door-to-door	2,299.99
HFG-051	67	1-piece stock front end, door-to-door	2,299.99

As a cost savings option, Zip offers 1-piece front ends for "driver" cars. Be aware there is a drawback to this approach: the resale value of your Corvette is likely to be lower than had you installed correct press molded panels. While cost and labor will be more expensive than going with a 1-piece, it will still be less than the probable loss suffered at the day of sale. For the highest quality product with the greatest resale potential, Zip recommends installing press molded panels or a pre-assembled press molded front end.

PFG-453

PRESS MOLDED VS. HAND LAID

Press molded panels "(pm)" are pressure-formed in matched molds as original, creating an exceptionally strong part smooth on both sides. Hand laid panels "(hl)" are built by layering fiberglass mat and resin into a single mold. The result is a high-strength part of uniform thickness with a smooth surface on the outside only. To help keep your Corvette as original as possible, Zip offers as many press molded pieces as are available. Before starting any repair or restoration, consider using press molded panels – the extra money spent now for "correctness" will make your Corvette more valuable in the long run.

Underbody Insulation

OE-style "blanket" fits under shifter tunnel to effectively shield interior compartment from excess heat generated by transmission.

Most fiberglass repair materials have a recommended shelf life of approximately three (3) months. Note hazardous and/or aerosol products such as paint and fiberglass cannot be shipped outside of the continental USA, or by air freight to any destination.

Body Repair Guides

Be it poor panel fit, seams showing or past collision damage, the fact is most Corvettes exhibit body issues of some sort. Ray J. Shiro shares his 30+ years experience in fiberglass repair in step-by-step CD guides for do-it-yourself enthusiasts and pros alike. Packed with repair/replace photos and illustrations. Volume 1 includes front body, headlight assembly, body seam repair, bonding strips and panel splicing techniques. Volume 2 covers panel and bonding strip removal, reinforcement splicing and body restoration.

| B-657 | Body Repair CD, 1963-67, Vol. 1: Front-to-Cowl | 44.99 |
| B-658 | Body Repair CD, 1963-67, Vol. 2: Rear Body | 44.99 |

SMC Fiberglass Resin

Superior adhesion on SMC and fiberglass panels. Polyester-based resin formulated to use with fiberglass mat, cloth and tape. Waterproof and impact resistant. Cures to a sandable surface much faster than regular fiberglass resin. White cream hardener included.

- | | | |
|--------|-----------------------------------|--------|
| MG-246 | SMC fiberglass resin, quart | 114.99 |
|--------|-----------------------------------|--------|

Fiberglass Resin

Heavy, thixotropic formula that will not run or sag. Cures to a non-tacky surface. Can be filled, sanded or drilled. Liquid hardener included.

- | | | |
|-------|-------------------------------|-------|
| R-940 | Fiberglass resin, quart | 79.99 |
|-------|-------------------------------|-------|

Fiberglass "Chrome-A-Lite" Body Filler

Gold colored, high quality, lightweight body filler with smooth texture providing easy application, excellent adhesion and superb featheredge. Blue crème hardener included.

- | | | |
|-------|--|-------|
| R-937 | Chrome-A-Lite body filler, quart | 19.99 |
|-------|--|-------|

Fiberglass Reinforced Body Filler

Best known for its bridging capabilities in rebuilding shattered fiberglass. Formulated with long strands of chopped fiberglass, double strength of standard fillers. Blue cream hardener included.

- | | | |
|-------|--|-------|
| R-938 | Fiberglass reinforced body filler, quart | 64.99 |
|-------|--|-------|

Vette Panel Adhesive/Body Filler

Polyester body filler for fiberglass panels. Prevents repair mapping on seam lines over fiberglass repairs. Not for use on SMC panels. Blue cream hardener included.

- | | | |
|-------|--|--------|
| R-939 | Fiberglass reinforced body filler, quart | 114.99 |
|-------|--|--------|

3M 08115 Panel Bonding Adhesive

Two-part epoxy used to bond steel, aluminum, SMC and traditional fiberglass body panels. 200 ml cartridge designed to be used with applicator.

- | | | |

Locks

Zip's lock sets are the most-correct available for '63-67 Corvettes. Door sets feature concours-correct notched face and dimpled shutter as original. Locks include "knock out" NOS or reproduction keys.

Ignition Lock Cylinder

LK-353	63-64	Ignition lock cylinder w/keys	38.99
LK-354	65	Ignition lock cylinder w/keys	44.99
LK-355	66	Ignition lock cylinder w/keys	23.99
LK-356	67	Ignition lock cylinder w/keys	34.99

Door Locks

Include installed pawls. '63-66 hex keys have Briggs & Stratton markings and "®" GM logo as original; '67 hex keys are "A" groove with GM logo.

LK-360	63-66	Door lock cylinders w/pawl and key.....	54.99
LK-361	67	Door lock cylinders w/pawl and key.....	49.99

Glove Box

LK-202	63	Glove box lock cylinder	32.99
LK-205	64-66	Glove box lock cylinder	34.99
LK-205A	67	Glove box lock cylinder	38.99

Spare Tire Lock

OE-style reproduction lock has correct size key cap and diameter drain hole. '63-66 include hex keys with Briggs & Stratton markings and "®" GM logo; '67 round keys are "B" groove with GM logo.

LK-211	63-64	Spare tire lock (small cap, small hole).....	64.99
LK-372	65-66	Spare tire lock (small cap, large hole).....	79.99
LK-373	67	Spare tire lock (large cap, large hole).....	79.99

Glove Box & Spare Tire Set

Includes glove box case/bezel and reproduction spare tire lock. Perfect if ignition and door locks have already been replaced and you now want to add correct glove box and spare tire locks. Note: '65-67 glove box and spare tire locks were the only locks GM keyed alike with round key.

LK-369	65-66	Glove box & spare tire lock (round key).....	86.99
LK-370	67	Glove box & spare tire lock (round key).....	86.99

Ignition & Door Lock Set

Keyed-alike sets include original-style ignition lock cylinder and door locks with installed pawls. Correct hex keys – '63-66 have Briggs & Stratton markings and "®" GM logo as original; '67 keys are "A" groove with GM logo.

LK-204A	63-64	Ignition & door locks set.....	79.99

LK-368	67	Deluxe lock set (hex & round keys).....	169.99

Keys

All '63-64 Corvettes use hex keys for all locks (ignition, doors, glove box and spare tire). Mid-production '65 through '67 glove box and spare tire locks use round keys. Blanks are available in correct "knock out" style with Briggs & Stratton markings and "®" GM logo as original, or as replacement with GM logo only. Sold individually.

Detroit Speed Windshield Wiper Conversion

The performance and convenience of a late model wiper system in a package designed to easily and cleanly mount in your mid-year Corvette. DSE Corvette electric wiper kit contains a low profile, seven-speed wiper motor with 5 delays, low speed, and high speed, rotary switch, adapter plate, and wiring harness. CNC adapter plate mounts the wiper motor to the stock firewall bolt pattern and requires no permanent modifications. Wiring harness uses factory wiper grommet opening and requires no cutting of the factory harness. Add-on washer pump kit allows for complete wiper system upgrade.

How to replace the radiator in a 63-67 Corvette

Replacement Copper/Brass Radiator

Cool your Corvette with a new radiator made of copper and brass for efficient cooling. Replacement radiator fits into factory supports without any modifications to car – drop-in installation.

M-2258	63-67	Radiator, 327	479.99
RA-118	66-67	Radiator, 427	429.99

RA-118

Replacement Aluminum Radiator

Better cooling, yet "same" cost as copper/brass? Zip's USA-made replacement aluminum radiators prove that yes, you can indeed have it all! From the shop of one of the industry's premier suppliers comes a replacement radiator that offers the performance you expect – without the price tag usually attached to custom built aluminum. Twin tube core design more than doubles cooling capacity by increasing the tube-to-fin contact area. Furnace brazed and epoxy free. To maintain originality, Zip recommends painting radiator black or Black Ice coated.

Direct Fit® Radiators

Direct Fit® Aluminum Radiator

Like the name says, our radiators are designed to bolt right in – no ifs, ands or buts. Every Direct Fit radiator is made in the USA and begins life as a double-row core furnace brazed for strength and accuracy. Press formed end tanks are meticulously TIG welded by real craftsmen to ensure leak-free performance and knockout looks. Epoxy free. Have a work of art under your hood!

RA-297	63-67	Direct Fit radiator, 327	784.99

RA-157

RA-203

Direct Fit Finish

Direct Fit aluminum radiators are available in multiple finishes. Natural aluminum finish is standard. OE-style epoxy Black Ice coating provides factory look-alike without affecting cooling performance. Specify finish when ordering. Black Ice coated = +\$60.00.

Direct Fit® Radiator & SPAL Fan Combo

It's simple science: less engine heat = more power. Satisfy the most severe cooling demands by "bulletproofing" your Direct Fit radiator with pre-mounted, single or dual SPAL electric fans. Trick combo replaces factory shroud and engine fan while increasing cooling an additional 10-15%. Includes required fuses, relays and wiring.

RA-277	63-67	Direct Fit & fan, 327	1,174.99
RA-278	63-67	Direct Fit & fan, 327 w/transmission cooler	1,274.99

RA-280	66-67	Direct Fit & dual fans, 427 w/transmission cooler	1,439.99

Upgrade your '66-67 small-block, no-AC 18" aluminum radiator to a 427-style 24" core design for maximum capacity and efficiency. Radiator and dual fans combo includes mounting pins on bottom to eliminate need to replace radiator support.

RA-289	63-65	Direct Fit & fan, 427-style, 4-speed	1,339.99
RA-290	63-65	Direct Fit & fan, 427-style, Automatic	1,439.99
RA-291	66-67	Direct Fit & fan, 427-style, 4-speed	1,339.99
RA-292	66-67	Direct Fit & fan, 427-style, Automatic	1,439.99

Direct Fit HP & LS Conversion Radiators

Need more cooling capacity? Or swapping out your original small block with an LS engine? Zip has Direct Fit radiators available for your application needs. Direct Fit HP radiators feature a 2.75" core with (2) 1.25" internal cooling tubes, effectively increasing cooling capacity by another 35%. Direct Fit radiators are also available for LS conversions, featuring inlet & outlet ports on the passenger side, steam line connections, end tank temp switches and 16" SPAL cooling fans. Contact a Zip salesperson for more information on Direct Fit HP or LS Conversion radiators.

Radiator Hoses

Correct Part Number Lower Radiator Hose

Vintage Air For Classic Corvettes!

No debate, "cool cruising" in a classic Corvette is one of life's more fun events – except when it's a sweltering summer day. Achieve true coolness with Zip's complete Vintage Air Gen IV SureFit™ air condition system. At its heart is fully electronic operation, meaning no balky cables or vacuum controls. Fly-by-wire servos piggyback off original thumb wheels to provide variable blower fan speed and just-right air temperature blending. Factory-look install requires no fabrication or new holes drilled in dash or firewall. Best of all, even if your '63-67 Corvette was optioned with AC, a SureFit retrofit outperforms the old technology OE design in every way. A chill in the air never felt so good!

Includes evaporator kit plus condenser and drier package. Evaporator kit comes complete with all mounting brackets, hardware, louvers, duct hose, wiring harness and installation instructions. No Discount.

HURRICANE® For Classic Corvettes!

If your mid-year rolled off the assembly line without factory AC, here's the way to cruise cool. Old Air's cold air kit replaces the heater/defroster with a compact new unit that mounts behind the glove box to keep your car's interior looking stock. Custom switches piggyback off original heater controls so no new holes need to be drilled in dash or console. OE-style reproduction ductwork completes an installation that truly has a "factory finished" appearance. Cruise in cool comfort!

Kit includes rebuilt A6 compressor with mount brackets, drier/receiver, condenser with factory brackets, air condition and heater hoses, new battery tray, replica AC air vents, install hardware and instructions. Some applications may require additional-cost purchase of driver side exhaust manifold, alternator brackets, and/or double-groove crank and water pump pulleys. Specify R-12 or R-134a refrigerant. No Discount.

E-870	65L-67	Fuel tank sender harness, 36-gallon	65.99

Note: Sender harness is included with rear harness on standard tank Corvettes.

Custom Wire Harness

Custom installs, LS conversions and highly optioned Corvettes are all possible with today's street and resto-rod builders. Hence the reason the Custom Series wire harness package was created – to reduce build time while providing foresight, engineering and flexibility. Complete harness package covers from headlight to tail light and everything in between. Call for more information. No Discount.

E-1233	63-67	Custom wire harness package	1,299.99
ES-661	63-67	Custom wire harness courtesy light delay module	89.99
E-1257	63-67	Custom wire harness rear blower motor harness	57.99

Plug-In Conversion Harness

E-797 allows you to use '69-85 SI series internally regulated alternator in place of OE externally regulated unit. E-1165 harness allows '84-99 CS series external fan/internally regulated alternator to be used as replacement for OE externally regulated unit.

E-797

E-797	63-67	Alternator conversion harness (SI series)	39.99
E-1165	63-67	Alternator conversion harness (CS series)	39.99
E-1185	63-65	Alternator relocation harness, relocates alternator to LH side	89.99

Wiring Harness Packages

Zip's "one box" harness packages eliminate electrical gremlins that often plague Corvettes due to faulty or missing wiring. Includes dash harness, engine harness, headlight and rear harnesses, and a laminated wiring diagram. '63-65 packages do not fit F.I. or air condition. '66-67 are applicable for both 327 and 427 engine, and will work for AC-equipped cars with purchase of additional harnesses. No Discount.

Replacing headlight pivots & installing new motors

Detroit Speed Headlight Conversion

DSE Electric Headlight Door Kit replaces the stock electric actuated system to operate the headlight doors more reliably, smoother and in sync. Kit includes everything you need for installation including two electric actuators, a control module, harness, mounting brackets, and hardware. Eliminates the problematic factory "roll" switch on the console as the control module will automatically actuate when the headlamps are turned on/off. No modification required.

HDL-411	63-67	DSE Electric headlight conversion kit	ea	649.95
---------	-------	---------------------------------------	----	--------

Lights

License Plate Light

L-203	63-67	License light assembly, complete w/socket, lens & wire	134.99
ZWS-4428	63-67	License light body gasket	7.49

SF-525	67	Back-up lens screws (4)	6.49
SF-532	67	Back-up light housing nuts (4)	3.49

LED Lights

Super-bright LED assemblies offer quicker "light-up" and heightened visibility over OE bulbs. Plug-in install requires no modifications. LEDs draw less current than standard incandescent bulbs, resulting in fast-flashing signals. Zip recommends L-546 flasher to restore correct operation of turn signal indicators.

L-600	63-67	LED park light lens (amber)	ea 44.99
L-601	63-67	LED park light lens (clear)	ea 44.99

How to install a new set of mid-year Corvette taillights

The best paint and shiniest chrome quickly lose luster when masking a worn interior. The cure? **Build your own interior package and save 10%!** A same-order purchase of carpet, door panels and seat covers triggers our Restorer's Discount – and once there the more dollars spent mean the more dollars saved. From molded to cast to painted to polished, Zip stocks all manner of correct components to return your Corvette's interior to assembly line new!

Add to your interior package and continue to save!

Door pulls and armrests • Sill plates • Kick panels • Carpet underlayment • Reproduction floor mats • Jack cover board • Firewall insulation • Seat foam • Seat backs and seat tracks • Quarter panels • Center armrest • Headrests • Park brake console • Seat belts • Headliner • Dome light • Mirror • Sunvisors • Glove box • Ash tray • Lower shifter console • Clock • Dash pad • Dash indicators • Radio knobs and speaker • Radio side panels • Small gauges • Speedometer • Tachometer • Switches.

10% OFF RESTORER'S DISCOUNT

HOW IT WORKS – Retail customers receive 10% savings on a minimum purchase of \$850.00 of any combination of parts and/or accessories from this catalog or Zip's Web store. Sorry, No Discount ("ND") items may be included in total value but are not eligible for discount. Offer applies to a single order only and some restrictions apply, call for details.

Interior Dye

Restore or change the color of your Corvette's interior. Vinyl dye flexes with the surface it's applied to and will not crack, peel or rub off. Permanently adheres to carpet, door panels, seat covers, dash pads, fiberglass, plastic, metal and hard rubber with proper prep. Specify year and factory interior color.

DYE63	Interior dye, 12 oz. aerosol	29.99
DYE163	Interior dye, quart	123.99

Adhesion Promoter

The "secret weapon" pros use to make interior dye really stick. Spray dye on top of a fresh coat of adhesion promoter to chemically bond dye to panel. Proper prep makes the difference! 11 oz. aerosol.

MG-98	Adhesion promoter	12.99

Seat Belts

63 Seat Belts

Similar in appearance to original Irving Air Chute belts. Aluminum lift-latch buckle with satin face and metal-to-metal contact. Feature correct color webbing in original 3-panel design. Attachment to floor is handled through sewn, OE-style anchor plates. Specify color. Car set.

I-2567 63 Reproduction seat belts129.99

63 Replacement Belts

Not "OE" in appearance or mounting, but a cost saving alternative to reproduction belts. Close resemblance to Air Chute but with non-original webbing and chrome buckle. Specify black, red, saddle or silver. Includes mount hardware.

ZI-146 63 Replacement seat belts59.99

64 Seat Belts

Feature factory-style, cast lift-latch buckle with "Bow Tie" Chevrolet emblem. "Irving Air Chute" and model information stamped on back of buckle as original. Correct 3-panel webbing available in black, red, silver, saddle and dark blue. Note '64 belts do not utilize seat belt pockets and retractors as in later mid-year Corvettes.

I-2690 64 Reproduction seat belts389.99

All seat belts offered by Zip are sewn, assembled and tested in the USA under stringent Federal Motor Vehicle Safety Standards (FMVSS) guidelines to ensure you cruise safe – and secure.

65-66E Seat Belts

Feature factory-style, cast lift-latch buckle with "Bow Tie" Chevrolet emblem. "Irving Air Chute" and model information stamped on back of buckle as original. Correct 3-panel webbing available in black, red, silver, bright blue, green, maroon, saddle and dark blue. Note '65-66-Early belts utilize seat belt pockets and retractors. Car set.

I-2692 65-66E Reproduction seat belts, w/pockets & retractors489.99

64-67 Seat Belt Retractors & Warning Tags

I-136	65-66E	Belt retractor, correct	ea	30.99
I-624	64-66	Belt buckle Bow Tie disk decals (2)		13.99
MF-504	66-67	Shoulder harness belt buckle warning labels (2)		13.99
MF-508	65-66	Belt retractor installation instruction tags, orange tag w/wire	ea	9.99

64-66E Replacement Belts

Similar in appearance to original belts, including correct color 7-panel webbing and matched buckle with "Bow Tie" disk decal. I-2691 are replacement for '64 but can be used in '65-66-Early Corvettes if pockets and retractors (I-2430) are not desired. All applications require I-2434 replacement bracket – belts will not mount to factory console storage bracket. Specify black, red, green, bright blue, saddle or silver. Car set.

I-2691	64	Replacement seat belts		169.99
I-2430	65-66E	Replacement seat belts, w/pockets & retractors		299.99
I-2434	64-66E	Storage bracket, replacement-style belts		32.99

66L-67 Seat Belts

OE-style '66-Late-67 belt set. Features replacement buckles with GM logo and lap belts with retractor. Designed to fit same as factory belts, using new technology retractors. 3-panel webbing as original. Most Corvette colors available. Specify color. Car set.

I-2564 66L-67 Seat belts w/retractors, replacement339.99

Seat Belts Hardware

Correct reproduction belt mounting hardware. '63-64 use two pair of I-2503 bolts. '65-67 Corvettes use one pair of bolts and I-2504 nuts for lap belts. '66-67 with shoulder harnesses require single pair of bolts for harness installation.

D-975	63	Tachometer warning buzzer	34.99

Electronic Tachometer Conversion

Keep your Corvette's factory tachometer face even with a high energy electronic ignition distributor (no tach drive) or a complete LS engine conversion. Simple 3-wire installation. Instructions and hardware are included. Signal generator allows for bench calibration of electronic tachometers.

D-1017	65-57	Electronic tachometer conversion	174.99
TL-182	65-57	Electronic tachometer signal generator	49.99

Electronic Tachometers

Reproduction tachometers with pre-installed electronic conversions. Fully assembled tachs are calibrated and ready for installation. Maintains original look- perfect for high-energy ignition or LS conversion.

D-1068	65-67	5300 rpm electronic tachometer	299.99
D-1069	65-67	6000 rpm electronic tachometer	299.99
D-1070	65-67	6500 rpm electronic tachometer	299.99

Gauge Kit

Update your '63-67 instrument cluster with a fresh set of reproduction small gauges. Zip recommends installing cluster lens kit (below) at same time. Choose 60 or 80 lbs. oil gauge as applicable. GM licensed.

D-880	63	Small gauge kit w/60 lbs. oil	319.99
D-881	63	Small gauge kit w/80 lbs. oil	319.99
D-882	64	Small gauge kit w/80 lbs. oil	319.99
D-795	65	Small gauge kit w/60 lbs. oil	319.99
D-796	65	Small gauge kit w/80 lbs. oil	319.99
D-797	66-67	Small gauge kit w/60 lbs. oil	319.99
D-798	66-67	Small gauge kit w/80 lbs. oil	319.99

Small Gauges

D-859	63	Ammeter gauge	89.99

Dakota Digital RTX Instrument Gauge Package

RTX series is the latest from Dakota Digital, focused on retaining the stock mid-year Corvette look without sacrificing the late-model functionality. Every effort has been put forth to incorporate original style elements regarding layout, face styling and indicators. A casual glance may dismiss these as OE gauges but once you hit the switch and the LED backlighting comes on in your favorite color scheme, all doubts will be removed! CNC machined housings are filled with electronics designed and built in-house, high-definition TFT message centers can be fully configured to display just about any piece of information needed. Central control box makes installation and setup as easy as possible. Direct fit system installs in your Corvette's factory gauge cluster bezel (not included).

D-1136	63	RTX gauge cluster package	1,951.99
D-1137	63	RTX gauge cluster package (metric)	1,951.99
D-1142	63	RTX clock	289.99
D-1138	64	RTX gauge cluster package	1,951.99
D-1139	64	RTX gauge cluster package (metric)	1,951.99
D-1143	64	RTX clock	289.99

D-1141	65-67	RTX gauge cluster package (metric)	1,951.99
D-1144	65-67	RTX clock	289.99

Dakota Digital HDX Instrument Gauge Package

Fully customizable, direct fit instrument system designed to install into your mid-year Corvette's factory gauge cluster bezel. Available in black or silver alloy gauge-face styling, user select illumination colors for the gauge readings and needles, as well full-color TFT message center for additional information. Calibration and personal settings manipulated with the built-in, capacitive-touch buttons, or the available Bluetooth app devices. Specifications can be found online. Gauge cluster bezel not included.

D-1124	63-67	HDX gauge cluster package	1,856.99
D-1125	63-67	HDX gauge cluster package (metric)	1,856.99
D-1126	63-67	HDX clock	275.99

Dakota Digital VHX Instrument Gauge Package

VHX system fits directly into the stock instrument housing without modification, adding a wealth of features and information to your Corvette's dash panel. Features include fully lit needles, backlit faces, and highly visible LCD message centers. Available in carbon fiber, black or silver alloy face with red, white or blue illumination. Specifications can be found online. Gauge cluster bezel not included.

D-1127	63-67	VHX gauge cluster package	1,467.99
D-1128	63-67	VHX gauge cluster package (metric)	1,467.99
D-1129	63-67	VHX clock	213.99

Stereo System Components

AM/FM Bluetooth Repro Radio

Yesterday's look- today's technology- exactly what you get with these AM/FM stereo Bluetooth radios. Perfectly designed to match the factory look; features reproduction face, buttons, knobs and indicators. Behind the original appearance is the latest digital tech including 45 watts per channel, accessible controls for bass, treble, balance and fade plus Bluetooth, iPod, MP3 and/or Satellite radio. High-quality radio without compromising the look of your Corvette's original dash.

XR-217	63-64	AM/FM Bluetooth radio.....	869.99
XR-218	65	AM/FM Bluetooth radio.....	869.99
XR-219	66	AM/FM Bluetooth radio.....	869.99
XR-220	67	AM/FM Bluetooth radio.....	869.99

KHE Bluetooth Series

The perfect mix of "old school" looks and "new school" technology. Forget loose cassettes or CDs – just stream your music from your favorite device with Bluetooth functionality. Chrome surround with raised buttons and digital indicator. Digital AM/FM tuner with 6AM/6FM presets plus seek/auto scan, manual up/down tuning and power antenna lead. Separate bass and treble controls, fader, dual AUX inputs, clock and blue-backlit LCD illumination. iPod or MP3 Player USB input and mini SD card reader on front.

XR-191	63-67	KHE-100 Bluetooth series (100 watts- 25 x 4).....	Call
XR-178	63-67	KHE-300 Bluetooth series (200 watts- 50 x 4).....	Call

Stereo Speakers

Put some kick in your Corvette! Dual 4" speakers fit factory dash location with no modifications. Go full-stealth by adding a KHE-300 or 100 series radio with hidden USB port. 30 watts.

XR-110	63-67	Stereo speaker assembly, w/o AC.....	54.99
XR-122	63-67	Stereo speaker assembly, w/AC.....	49.99

Kenwood Speaker

Custom dual 4" pre-wired 1963-1967 Corvette stereo speaker; features 4" 2-way Kenwood speakers capable of 300 watts. Correct ohm rating for aftermarket radio. Designed to install in original area.

XR-210	63-67	Kenwood stereo speaker, w/o AC.....	109.99
XR-211	63-67	Kenwood stereo speaker, w/ AC.....	109.99

Kick Panels & Speakers

ABS black plastic panels with integrated 4" Kenwood 2-way speakers designed to handle 100 watts. Custom Autosound kick panels feature 4" x 6" coaxial 2-way, 140 watt speakers. Looks like factory option! Paint to match.

XR-156	63-67	Kick panels w/mounted speakers.....	169.99
XR-250	63-67	Custom Autosound Kick panels w/mounted speakers.....	164.99

Noise Suppression Kit

If your stereo buzzes or whines when the engine is running, the culprit could be the alternator. Zip's kit suppresses sound distortion due to engine interference.

XR-123	63-67	Noise suppression kit.....	37.99
--------	-------	----------------------------	-------

Bluetooth Radio Amplifier

Bluetooth amplifier can be used with or without a radio- simply connect your 2 or 4 speaker system directly to the amplifier and all our music is at the touch of your fingers through your mobile device. When connected to your Corvette's radio you'll have access to all your normal radio functions, once Bluetooth is enabled, the internal sensor mutes the output from the radio and converts to your streamed audio. Small enough (5" x 5" x 2") to be hidden anywhere - keep your factory radio for its aesthetics and hide behind the dash Bluetooth Amplifier for your musical enjoyment.

XR-212		Bluetooth radio amplifier.....	189.99

Custom Autosound

USA-230 AM/FM Radio

An excellent choice when looking for a more affordable radio without sacrificing quality electronics and a classic stereo look. Designed to fit the stock dash without any modifications. AM/FM stereo with 200 watts (4x50) power, 4 Channel RCA pre-outs, digital display with electronic tuner, 16 station pre-sets and a 4-way fader. Features auxiliary input which can connect to iPods, iPhones, satellite radio tuners or any other device with a headphone jack. Includes bezel with Corvette script.

XR-232 63-67 USA-230 AM/FM Stereo229.99

USA-630 AM/FM Radio

Designed to provide the best in audio technology wrapped in a classic look. Fits dash without any modifications. Boasts modern USB input for flash drives to playback MP3/WMA song files and a dock for your iPod. When connected to these devices the radio's digital display will show artist, song, album titles and allow song navigation through the radio. Specifications includes 300 watts peak power plus four RCA pre-outs, Auxiliary inputs for satellite radio tuners or iPhones. Electronic tuning & volume control, loudness compensation, 4-way fader, separate bass & treble, balance, 16 pre-sets (12FM/4AM), USA/Euro tuner and power antenna lead. Compatible with our optional BLUKIT adapter.

XR-231 63-67 USA-630 AM/FM Stereo w/USB port309.99

BLUKIT Adapter

Wireless interface for Custom Autosound CD controller radios (USA-630). Plugs into CD changer port of your Custom Autosound radio and gives you the ability for hands free calling from your Bluetooth capable phone. Also listen to music stored on your A2DP enabled Bluetooth device. BLUKIT adapter features CD changer port on the control box.

XR-234 63-67 BLUKIT Bluetooth Adapter129.99

USA-740 Bluetooth AM/FM Stereo

Built-in Bluetooth (microphone included), answer calls and stream music from your Bluetooth capable phone or compatible device. 300-watt peak power plus Hi 4volt, 4channel RCA Pre-outs and a Subwoofer RCA pre-out for additional amplifiers. USB input allows you to plug in a USB flash drive for playback of MP3/WMA/FLAC/WAV song files. Front mini jack auxiliary audio input and a rear RCA auxiliary audio input provide versatility for options like satellite radio, iPod or portable player. User selectable multiple LCD color choices with LCD dimmer control. The AM/FM RDS tuner shows station, song and artist on the LCD display. Other features include: 25 presets (15FM/10AM) w/autostore function, Direct CD-I Control, Separate Bass/Mid/Treble control, Loudness compensation, Fader & balance, USA/EUR/JAP/RUS Tuner capability and power antenna lead.

XR-230 63-67 USA-740 Bluetooth AM/FM Stereo.....399.99

Soundbar

Great sound solution for mid-year Corvette coupe. Designed to fit the rear horizontal panel. Only 3" deep divided into two sections with six speakers. Feature two 4" speakers, two mid-range and two tweeters. Capable of handling 200 watts power!

XR-233 63-67 Custom Autosound Soundbar179.99

Windshield Date Codes

Original '63-67 Corvette glass was manufactured by LOF and features an etched Safety "LOF" Plate logo. Each logo includes a specifications rating (AS-1 or AS-2 depending on glass placement) and the production date in a 2-letter designation. The first letter designates the month of production and the second letter designates the year of production. Glass was produced approximately four (4) months in advance of the car's final build date. Example: LA = March 1966

Month (1st letter)			Year (2nd letter)
January = N	May = J	September = A	1963 = C
February = X	June = I	October = Y	1964 = G
March = L	July = U	November = C	1965 = J
April = G	August = T	December = V	1966 = A
			1967 = Z

In addition to the Safety "LOF" Plate logo, other etched designations exist depending on whether the glass was of clear, shaded or tinted (Soft-Ray) construction. Glass was either laminated or solid tempered depending upon location and featured an "M" code, which is the manufacturer's code.

Adhesives & Cleaners

3M adhesive cleaner quickly dissolves weatherstrip adhesive, wax, grease, tar and more. Black or yellow adhesive (GM used yellow originally) bonds all types of weatherstrip to painted and unpainted metal. Silicone conditioner restores weatherstrip to "new black" look – and protects fresh weatherstrip against dry rot and cracking.

Protection

Covercraft Weathershield HP

Working with Nextec's extensive R&D resources Covercraft created what is considered the perfect fabric for outdoor or indoor vehicle protection. EPIC® by Nextec's encapsulation process delivers all weather protection, compact packability, easy care, and a soft-to-paint touch without sacrificing breathability.

CC-40 63-67 Covercraft Weathershield HP outdoor cover479.99

Max-Tech Cover

4-layer protection that's easy on the wallet. Not waterproof, but Max-Tech fabric does breathe so trapped water can evaporate. Gray only. Includes mirror pockets, cable with lock and storage bag.

CC-60 63-67 Max-Tech cover109.99

Premium Flannel Cover

Excellent dust barrier for garage-kept Corvettes. Moisture resistant poly/cotton outer layer is fully lined with soft flannel to pamper the finest paint. Includes grommets. Tan only. Storage bag included.

C19TF 63-67 Flannel cover149.99

SuperStretch Indoor Cover w/C2 Emblem

Form-fitted SuperStretch car covers are designed to protect your 1963-1967 Corvette while allowing those beautiful C2 Corvette body lines to be on display in your garage. Perfect indoor protection from dirt, dust, nicks, bumps and scratches. Features a GM licensed color emblem applied to the front. Storage bag included.

CC-174 63-67 SuperStretch black indoor cover, w/C2 Emblem189.99

Covercraft Form-Fit

Luxurious body hugging polyester with Spandex features a cotton inner lining for absolute beauty in curves. Highly breathable and machine washable. Available in black, charcoal, dark blue, silver-gray, hunter green or bright red. Includes matching storage bag.

CC-152 63-67 Covercraft Form-Fit indoor cover519.99

Black Onyx Satin

Polyester blend includes Lycra/Spandex to make the perfect combination of a Stain-like exterior with a luxuriously soft underside. Front and rear hems, mirror pockets and generation specific pattern makes for a sleek, form fitting look.

CC-180 63-67 Black Onyx stain indoor cover139.99

Cleartastic Paint Protection.

Ultra-thin film protects lower body from road rash where it's needed most: the chip-prone area behind the rear wheels. Precut static cling pieces fits flush against paint to create a virtually invisible barrier. Reusable- just peel off/press on. 2 piece set.

X-822 63-67 Cleartastic Film49.99

Ferguson Design Covers

Designed by Corvette enthusiast. Manufactured of high-grade, fire retardant water-proof vinyl with soft denim backing. Cockpit cover provides sun protection when the hardtop or soft top is down. Soft Top Hat Cover protects soft top and interior when the soft top is in up position. Coupe Sunjacket is perfect for covering your mid-year coupe when you don't want to carry a full car cover.

X-3966 63-67 Ferguson conv Cockpit cover229.99
X-3972 63-67 Ferguson conv Soft Top Hat cover239.99
X-3977 63-67 Ferguson coupe Sunjacket cover249.99

Flag Caddie

Show your patriotism at the next cruise-in, car show or parade. Mounts to convertible top strikers on windshield frame. Includes LH and RH flag mount and flags. 16" x 9"

X-1256	63-67	Flag Caddie, conv.....	49.99
X-1255		Replacement flags, pair	14.99

Ferguson Fender Apron

Same materials as cockpit cover – designed to protect fender top and nose panel from show judging or when providing heavy mechanical work in the engine compartment. Cheap insurance against the costly repair of a scratched fender.

X-3984	63-67	Ferguson fender apron	329.99
--------	-------	-----------------------------	--------

Coverking Windshield Sun Shield

Custom cut and patterned to fit mid-year Corvettes. Roll-up design stores easily. 3-layer design insulates against heat, reduces interior temperature and reflects harmful UV-rays protecting dash and interior from fading and damage. Includes C2 logo.

X-4057	63-67	Coverking roll-up Sun Shield	59.99
--------	-------	------------------------------------	-------

MG-123 MG-138 MG-164 MG-166 MG-240

Waxes & Sprays

Detail Spray removes light dust and smudges between washings, excellent as clay bar lubricant. Brilliant Glaze adds an ultra-high gloss to any surface (not a wax). A blend of polymers, resins and natural Carnauba; Buttery Wax delivers knock-out reflection, gloss and depth! Revive Hand Polish is one step solution for paint that needs that little something extra to bring back shine.

MG-123	Adam's Detail Spray, 16 oz	12.99
MG-124	Adam's Detail Spray, gallon refill	44.99
MG-134	Adam's Brilliant Glaze, 16 oz	24.99
MG-131	Adam's Buttery Wax, 16 oz.....	19.99

Cleaners

Car Shampoo makes big suds, rinses streak-free. Wheel Cleaner is safe for polished, chrome, powder coat and painted finishes. All-Purpose Cleaner cuts grease, brake dust and tar; use to clean machine buffing pads and microfiber applicator pads. No-ammonia Glass Cleaner leaves glass streak free. Use Leather & Interior Cleaner to deep clean leather, vinyl and plastic and Carpet & Upholstery Cleaner is non-foaming, yet makes dirt and stains disappear from interior.

Race Ramps

Unlike steel ramps, which are very heavy (not to mention rust immediately) and plastic ramps that are not stable- Race Ramps are light weight and strong, perfect for lifting or loading your Corvette or any other vehicle. Providing "rock-solid" stability in the garage, driveway or car show under any surface condition including epoxy coated floors or unstable sand and rocks. Race Ramp products eliminate the risks of skidding, slipping, sinking or crushing under pressure; that's a recipe for worry free maintenance or hauling. Manufactured of high-density urethane foam and proudly made in the USA.

40" Race Ramps

10" wide- 40" long lift ramps can hold up to 6000lbs, and each ramp weighs less than 10lbs! Custom designed low ride-height high performance vehicles, providing 7" of lift with a 16.7 degree incline. Perfect for stock mid-year Corvette. Includes hand straps for carrying or storage. Sold in pairs.

X-3598 40" Race Ramps (7" lift).....200.99

56" Race Ramps

12" wide- 56" long lift ramps can hold up to 6000lbs, and each ramp weighs less than 10lbs! Custom designed low ride-height high performance vehicles, providing 8" of lift with a 10.8 degree incline. Perfect for lowered mid-year Corvette. Includes hand straps for carrying or storage. Sold in pairs.

X-1706 56" Race Ramps (8" lift).....301.99

Zip has a full selection of Race Ramp trailer accessories available for Corvette owners. Products include lightweight Trailer Steps for easy entry and exit, Trailer Mates for increasing tie down height inside your trailer and Trailer Side Kicks that can either protect your Corvette during loading or make changing flat tires on the side of the road a breeze. Contact a Zip salesperson or go online for more information.

2-Piece Race Ramps

Need additional access to the under-side of your Corvette when lifted? The 2-piece design is perfect for you! Simply drive up the ramp, and once your Corvette is firmly chocked in place; remove the sloped section for complete access for oil changes, detailing or accessing suspension components. Available in multiple lengths depending on the ride-height of your Corvette. 14" wide. Sold in pairs.

X-2307 56" 2-piece Race Ramps (8" Lift).....337.99
X-2308 67" 2-piece Race Ramps (10" Lift).....469.99

Wheel Chocks

Provides extra security in any working environment- keeping your Corvette right where it is supposed to be. Made from solid rubber composite; allows them to be used on any surface including the ground (concrete, driveway or panted surfaces) or directly on your Race Ramps. 6" x 4" x 5" wide- weighing 3 pounds each. Sold in set of 4. Put a set in the garage and keep a set in the trailer.

X-2188 Race Ramp wheel chocks.....75.99

Flatstoppers

Flatstoppers were designed to keep your Corvette's tires from flat spotting during long periods of storage. Flat spots are particularly troublesome for Corvettes with original style bias ply tires. Simply drive-on to the Flatstopper; your tires will settle into the pad's concave depression and they'll be cradled in their own radius. Flatstoppers do not conduct heat or cold to your tires from changing floor temperatures. Eliminates the hassle of jack stands during storage. 14" wide. Set of 4.

X-2185 Race Ramps 14" Flatstoppers.....323.99

Trailer Ramps

Need a little more lift to make sure your car trailer loads correctly? Race Ramps Trailer Ramps allow low ride-height Corvettes a little less hassle while loading and you can be certain your front end will not get damaged in the process. Available in multiple heights depending on loading requirements.

X-3615 4" Trailer ramps (46" long x 14" wide).....349.99
X-3616 6" Trailer ramps (46" long x 14" wide).....360.99
X-3617 7" Trailer ramps (74" long x 14" wide).....501.99

Fender Gripper Fender Mat

No-slip cushioned pad protects paint from belt buckles and dropped tools. Washable and resistant to oil, grease, coolant, thinner, brake fluid and similar. Black with screen printed '63-67 logo. 22" x 34". GM licensed.

X-2208 Fender Gripper mat.....29.95

POLICIES & SHIPPING - Zip Products

We're proud that orders placed by 3:00 p.m. EST ship that same day on in-stock items! Packages ship UPS Ground unless otherwise requested or unavailable due to location or size and weight of parts. Expected delivery is 1-6 business days within the continental USA. Please provide complete street address to ensure delivery. Saturdays, Sundays and holidays are not included in UPS delivery times.

SHIPPING CHARGES - Shipping charges are most precisely calculated by shipment type, order weight and destination. Customers will be notified of shipping charges prior to order shipment. Please call or go online for shipping charge quotes if desired.

UPS AIR SERVICES- UPS provides all guaranteed Air services for Zip Products unless specified by the customer. Available services include Next Day Air, 2nd Day Air, and 3 Day Select. All charges are based on weight or dimensional weight (whichever is greater) and shipment destination. Saturday service is available on Next Day Air shipments only.

TRUCK SERVICES- Some parts in our catalog are too large to be shipped by UPS. These parts are noted in the catalog as "truck". Truck shipments are required to be prepaid for the total parts cost plus freight charges by check, money order or credit card. The customer is responsible for being at provided shipping address to accept parts.

OTHER SHIPPING SERVICES- Zip Products also uses the services of FedEx and the U.S. Postal Service. Orders must be paid by credit card, Pay Pal or prepaid check. All FedEx continental USA services are available. Packages sent through the Post Office are sent First Class Priority.

ZIP INTERNATIONAL- From single parts to everything needed for a complete restoration, Zip ships Corvette parts the world over. International orders are processed within 24 hours of receipt and delivered via UPS, Postal Service or your own freight forwarder. Please specify shipping method preferred. If not specified, orders will be shipped by the best method as determined by Zip Products. Charges are based on actual weight or dimensional weight according to the size of the entire shipment, whichever is greater. Payment is accepted by credit card, Pay Pal or bank draft. Shipping charges do not include any customs or duty fees and may not include brokerage fees. Quotes will be provided for total cost of order, if required due to payment method.

- **Canada:** Orders must include full address with city and province. All orders are shipped UPS Ground or Air unless otherwise specified or UPS is unable to deliver to your location. To better serve our customers, Zip is recognized as a non-resident importer, a status that allows us to collect all duties, taxes and brokerage fees at the time your order is processed. This arrangement means you know the exact cost to have parts delivered to your door – no hidden costs for your shipments!
- **PUERTO RICO, HAWAII & ALASKA:** All Puerto Rico and Hawaii orders can be sent UPS Ground, Next Day Air, 2nd Day Air, or through the Post Office. Please specify shipping method preferred.
- **A.P.O., F.P.O.:** All orders going to these addresses must be sent by the Post Office.
- **VIRGIN ISLANDS, GUAM:** All orders going to these locations can be shipped via UPS Express or the Post Office. Please specify shipping method preferred.

MAIL-IN ORDERS- Customers placing orders by mail and paying by personal check, money order or certified funds can go online or call for shipping charge quote. Shipping charges are most precisely calculated by order weight and destination. Download order forms at www.zip-corvette.com.

LIABILITY DISCLAIMER- Zip Products is not responsible for any damage, injury, loss or any other charges, caused by delays or incurred in the replacement of any defective items. Zip's liability is limited to the replacement and the shipping cost of defective items only. Improper installation, damage or injury resulting from the use of items sold by Zip Products are the purchaser's responsibility. Due to changes in the Corvette industry, part numbers, specifications, prices and availability of parts can change. Consequently, there may be times when parts are discontinued or prices increased. Changes may also occasionally occur in our policies and terms. Call Zip during regular business hours for up-to-date information.

CHEVROLET, the Chevrolet emblem, CORVETTE, Corvette emblems, GM and AC-Delco are trademarks of General Motors Corporation.

©2024 Zip Products, Inc. All rights reserved. No part of this publication may be reproduced without the prior written consent of Zip Products. Content is based on information believed to be reliable, but cannot be guaranteed. Printed in the USA.

"NO HASSLE" GUARANTEE- Since 1977, Zip Products has supplied parts and accessories to Corvette enthusiasts the world over. Then as now, packed into every shipment is our unparalleled commitment to customer service. Here at Zip, we believe a happy customer is a repeat customer. If you're not completely satisfied with any product for any reason, we'll promptly refund or exchange any purchase within 30 days.

LOW PRICE GUARANTEE- Zip works hard to make certain our prices are competitive. That said, it's possible you may find "cheaper" merchandise elsewhere. If it is the same brand part or accessory offered for a lower price by another supplier, we'll match their published price. Price must appear in a current magazine advertisement, Web site or catalog to qualify. Don't sacrifice quality and customer service for the sake of a few dollars – call Zip!

RETAIL DISCOUNTS- Retail customers receive a 10% discount on each minimum purchase of \$850 on any combination of parts and/or accessories, excluding (ND) items. Call or visit online for more information.

WHOLESALE ACCOUNTS- Zip provides Corvette parts to more than 3000 wholesale accounts around the globe. Multi-line discount programs are designed for the installer or reseller. Contact a salesperson for specific details. Proof of business required.

"NO DISCOUNT"- An (ND) designation beside a part, group of parts or price indicates that "No Discount" is available on that part or group of parts.

BACKORDERS- Over 96% of orders ship complete; however, backorders do occasionally occur. Most ship within 10 business days. For longer delays, our policy is to ship orders up to 30 days old. Past 30 days we'll call for authorization first. If you wish to cancel a backorder, please notify Zip as soon as possible.

ITEM SHORTAGES- Inspect merchandise immediately upon receipt of order. Notify Zip of any shortages or discrepancies in your order within seven (7) days from shipment date. No claims allowed after seven (7) days.

DAMAGED PARTS- All parts shipped are insured for the amount of purchase. Should your order arrive damaged or missing merchandise, immediately notify the carrier (UPS, truck freight company, etc.) and Zip. Keep all shipping materials (box, packing, etc.) intact until an inspection can be made by the carrier.

CORE REFUNDS- Customers who have purchased a product sold on an exchange basis and had a core deposit applied must return the required rebuildable core within 30 days from the date of shipment. A copy of the original invoice must accompany the return. Failure to return cores within 30 days may result in a reduction or loss of the core deposit. Return freight for cores is the responsibility of the customer.

RETURNS & EXCHANGES- Zip includes a return form on the back of each invoice for your convenience. If you have questions or concerns regarding a return or exchange, call to speak to your Zip sales representative. Returns are eligible for one (1) year without a restocking fee. Return shipping is the responsibility of the customer. C.O.D. return packages are not accepted. The customer is responsible for returning parts in the same condition they were received, with proper packaging and insurance to cover the value of parts being returned. Canadian and international customers, call for authorization to return parts.

SALES TAX- Zip is required by state law to collect and remit sales tax on purchases made and shipped to a variety of states. These requirements are based on the specific regulation of the state. Tax is based on delivery destination and may include freight charges. More information about sales tax collection can be found at: <https://www.zip-corvette.com/tax.html>.

IN-STORE SHOPPING- Zip has thousands of parts and accessories available for immediate pick-up at our showroom counter. Call before you come and we'll have your order waiting. Showroom hours are 8:30 a.m. to 5:30 p.m. EST Monday-Friday and 10 to 3 Saturdays. When traveling in the Richmond, Virginia area, visit Zip Products in Mechanicsville. We're just east of downtown Richmond, and only a quick drive off interstates I-64, I-95 or I-295.

Meet Zip Products!

It has been said a company's true value is in its people – and never have those words been better illustrated than here at Zip. You'll find under our roof a staff boasting more than one hundred years of collective Corvette knowledge, with many having been with us for a decade or longer.

Impressive? Yes, but the real beneficiary is you: our customer. We're committed to providing the best customer service, best parts and best Corvette experience possible. Every day. See for yourself what "Corvettes are all we do" really means!

Established in 1977, Zip Corvette has proven to be an industry leader for both restoration and performance Corvette parts. See for yourself – we are real people, selling real parts, in real time. Visit www.zip-corvette.com/about
