SU-1272	88-96	Sway bar frame bushing bracket.....	ea	14.99
SU-1270	84-87	Sway bar frame bushing support.....	ea	9.99
SU-1273	88-96	Sway bar frame bushing support.....	ea	9.99
SU-1271	84-87	Sway bar link bracket	ea	21.99
SU-1274	88-96	Sway bar link bracket	ea	21.99
SU-1278	84-87	Sway bar link lower bushing w/housing	ea	32.99
SU-488	84-96	Sway bar link upper bushing	ea	12.99

Front Sway Bar Components

Worn out front suspension components often cause handling issues. Sway bar end mount kits include original style sway bar upper bushings, end links, lower sway bar link bushing/housing (84-87 only) plus all the hardware to secure and mount the sway bar ends. Car set.

SU-1404	84-87	Front sway bar end mount kit		119.99
SU-1405	88-96	Front sway bar end mount kit		64.99

84-96 Front Suspension A

Polyurethane Front Sway Bar Bushings Sets

Kit includes (2) front sway bar frame bushings with brackets and (4) end link bushings.

SU-453	84-87	24mm sway bar bushings w/end links		29.99
SU-454	84-87	26mm sway bar bushings w/end links		29.99
SU-455	84-87	30mm sway bar bushings w/end links		29.99
SU-457	88-96	22mm sway bar bushings w/end links		29.99
SU-458	88-96	26mm sway bar bushings w/end links		29.99
SU-459	88-96	30mm sway bar bushings w/end links		29.99

ADDCO Performance Sway Bars

Fastest way to improve upon the factory handling without sacrificing ride comfort. Bars reduce body roll and deliver a more stable ride through corners. Includes polyurethane frame mount bushings and sway bar end link bushings. Powder coated black.

SU-1172	85-87	1 1/8" front sway bar kit.....		249.99
SU-1171	88-96	1 1/8" front sway bar kit.....		339.99
SU-1173	85-96	1" rear sway bar kit		259.99

Performance Sway Bar End Links

Upgrade over factory end links for less bushing deflection and adjustability; especially good for lowered or track prepped C4. Premium Heim joints and poly bushings.

SU-1550	88-96	Front sway bar performance end links		269.99
SU-1551	89-96	Rear sway bar performance end links		195.99

Adjustable Sway Bars

Increase or decrease sway bar stiffness by varying end link mount position. Features powder coated 35mm front or 25.4mm rear sway bar each with (2) holes for end link position. Kit includes premium heim joints, stainless steel adjusters and polyurethane mount bushings to complete installation.

SU-1552	88-96	Front adjustable 35mm tubular sway bar kit.....		629.99
SU-1553	88-96	Rear adjustable 25.4mm tubular sway bar kit.....		449.99

Front Suspension Rebuild Kit

Restore your Corvette's road handling to factory specs – and prevent excessive wear on expensive tires. Premium suspension components packed into a single kit that rebuilds both sides of front suspension. Includes upper and lower ball joints and inner and outer tie rod ends. While suspension is disassembled, consider replacing your upper and lower control arm bushings and sway bar bushings.

SU-668	84-87	Front suspension kit.....	299.99
SU-669	88-92	Front suspension kit.....	289.99
SU-968	93-96	Front suspension kit.....	299.99

Composite Fiberglass Springs

Performance-tuned composite leaf springs enable the C4 owner to select the suspension performance level they desire for their car. Base rates are designed off factory 1996 FE-1 springs which provide upgraded ride quality for most C4 Corvettes. Sport spring will provide Z51 performance handling without sacrificing your Corvette's sports car ride. Features factory style mounting pads and ends.

SU-1076	84-96	Front spring, base (350-420lb)	749.99
SU-1077	84-96	Front spring, sport (640-720lb).....	749.99
SU-1692	84-96	Rear spring, base (210-250lb).....	499.99
SU-1690	84-96	Rear spring, sport (325-340lb)	499.99

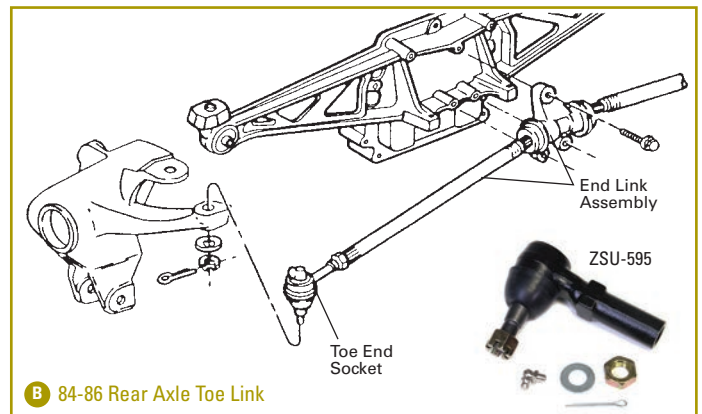

Hyperco Composite Springs

Precision manufactured with an epoxy matrix composite material—adapted from the aerospace industry. Molded to an exact true arch will retain its shape for life. Maintain factory-style 1996 FE1 performance or upgrade with a Z51 rated rear spring. Includes factory style mounting pads and ends to aid installation.

SU-1494	84-96	Hyperco FE1 rear composite spring, 228lb	599.99
SU-1079	84-96	Hyperco Z51 rear composite spring, 326lb	599.99

Rear Spring

BL-658	84-96	Spring center mount bolts	26.99
WS-4728	84-96	Spring outer bushing, rubber	ea 5.99
WS-4773	84-96	Spring outer bushings, rubber (4)	19.99
SU-447	84-96	Spring outer bushings, poly	22.99
BL-657	84-96	Spring outer mount bolts w/hardware	24.99
SU-1569	84-96	Spring outer mount kit w/bolts & rubber bushings (car set)....	48.99

B 84-86 Rear Axle Toe Link

Rear Axle Toe Link

ZSU-595	92-96	Rear axle toe end socket (2 per car)	ea 49.99
---------	-------	--	----------

HD Rear Toe Link Assembly

Heavy-duty rear toe rod assembly unit features HD Heim bearings, powder coated sleeves and a custom designed center mount bracket. Improves handling predictability and eliminates unwanted toe changes. Fits all 1984-1996 Corvettes including ZR1 models.

SU-1542	84-96	HD Rear toe rod assembly	413.99
---------	-------	--------------------------------	--------

Complete Polyurethane Bushing Set

Polyurethane bushings maximize your suspension's performance by delivering quicker steering response and predictable handling in all driving modes. Set includes: tie rod end boots, rear spring cushions, rear strut rod bushings, differential carrier housing bushings, front and rear control arm bushings and rack & pinion bushings. Does not include sway bar bushings – must order separately.

SU-852	84-96	Polyurethane bushing set.....	249.99
--------	-------	-------------------------------	--------

C4 Lowering Kit

A "dropped" C4 looks great and handles even better! Kit lowers car approximately 1" without sacrificing ride quality. Available as front wedge only or complete kit with rear spring extension bolts with nuts.

SU-1502	84-96	Front lowering wedges (pair).....	26.99
PM-398	84-96	Full car lowering kit	49.99

Bilstein Gas Shocks

If you're looking for maximum performance in a shock absorber, look no further than Bilstein. Mono-tube design, gas-charged Bilsteins deliver precise, uncompromising performance on the street and at the track. Hardware and installation instructions included. Available individually or car set.

SU-809	84-87	Bilstein gas shock, front	ea	100.99
SU-810	84-87	Bilstein gas shock, rear	ea	90.99
SU-811	84-87	Bilstein gas shock, rear, Z51	ea	111.99
SU-812	88	Bilstein gas shock, front, non-Z51	ea	111.99
SU-814	89-94	Bilstein gas shock, front	ea	112.99
SU-816	89-94	Bilstein gas shock, front, Z51	ea	111.99
SU-815	88-94	Bilstein gas shock, rear	ea	99.99
SU-817	88-94	Bilstein gas shock, rear, Z51	ea	99.99
SU-818	95-96	Bilstein gas shock, front, Z51	ea	112.99
SU-819	95-96	Bilstein gas shock, rear, Z51	ea	99.99

Bilstein Shock Sets

SU-672	84-87	Bilstein gas shock set (ND)	383.99
SU-673	84-87	Bilstein gas shock set, Z51 (ND)	425.99

SU-964	95-96	Bilstein gas shock set, Z51 (ND)	425.99

F45 Shock Simulators

Replace your factory RTD (Real Time Dampening) shocks with the best aftermarket shocks available – while eliminating the MIL codes and their subsequent effects on your Corvette. Plug-and-Play. Instructions included. Car Set.

SU-1195	96	F45 shock simulators	229.99
---------	----	----------------------	--------

Bilstein FX3 Electronic Shocks

Original equipment Bilstein FX3 shocks and actuators are direct replacements for Selective Ride and Handling option originally installed on 89-95 Corvettes. Sold individually.

SU-678	89-91	Bilstein FX-3 front shock	ea	251.99
SU-679	89-91	Bilstein FX-3 rear shock	ea	231.99
SU-680	92-95	Bilstein FX-3 front shock	ea	251.99
SU-682	92-95	Bilstein FX-3 rear shock	ea	231.99
SU-1496	89-95	Bilstein FX-3 front shock actuator	ea	Call
SU-1497	89-95	Bilstein FX-3 rear shock actuator	ea	Call

FX3 Actuator Repair Service

Rebuild service includes replacement of factory plastic internal pieces with machined aluminum components. Actuator failures result in "Service Ride Control" telltale light.

S-203	89-95	FX3 actuator repair service	169.99
-------	-------	-----------------------------	--------

FX3 Shock Actuator Repair

Factory FX3 aluminum gears are often found broken, causing issues with the "Service Ride Control" system. New gears are cad plated steel. Includes roll pin for installation. Sold individually.

SU-1434	89-91	FX3 shock actuator gear	ea	42.99
SU-1435	92-95	FX3 shock actuator gear	ea	42.99
SU-1438	89-95	FX3 shock actuator retaining clip	ea	5.99

FX3 Upper Shock Bushing

Polyurethane replacement upper shock bushing. Replaces worn or deteriorated factory bushings. Bushings do not come with new replacement shocks. Set of 4.

SU-1436	89-95	FX3 front shock upper bushing set	14.99
SU-1437	89-95	FX3 rear shock upper bushing set	14.99

Shock Mount Hardware

SU-1460	88-96	Front shock upper mount bushings, poly (non-FX3)	14.99
SU-1415	84-96	Rear shock inner mount nuts (2)	16.99
SU-1414	84-96	Rear shock inner washers (2)	8.99
SU-1416	84-96	Rear shock outer mount nuts (2)	15.99
SU-1459	88-96	Rear shock upper mount bushings, poly	14.99

QA1 Shocks

The preeminent name in the performance shock industry. QA1's put you in complete control – on the street and on the track. The choice of those whose choose the best. Dyno tested. Made in the USA.

SU-1369

SU-1366

SU-1358

SU-1371

SU-1368

Non-Adjustable

Non-adjustable, but every bit the performer. Smooth-look aircraft grade aluminum body with bright anodized finish. Available individually or car set.

SU-1357	84-96	QA1 front non-adjustable shock	ea	142.99
SU-1358	84-87	QA1 rear non-adjustable shock	ea	142.99
SU-1359	88-96	QA1 rear non-adjustable shock	ea	142.99
SU-1382	84-87	QA1 non-adjustable shock package (ND)		589.99
SU-1383	88-96	QA1 non-adjustable shock package (ND)		589.99

Single-Adjustable

Provides 18 levels of compression/rebound damping using a single, easy-reach twist knob. Lightweight forced aluminum body. Available individually or car set.

SU-1369	84-96	QA1 front single-adjustable shock	ea	190.99
SU-1370	84-87	QA1 rear single-adjustable shock	ea	190.99
SU-1371	88-96	QA1 rear single-adjustable shock	ea	190.99
SU-1379	84-87	QA1 single-adjustable shock package (ND)		759.99
SU-1380	88-96	QA1 single-adjustable shock package (ND)		759.99

Double-Adjustable

Double adjustable valving allows for independent, precise control of compression and rebound. The most accurate way to dial-in your Corvette's suspension.

SU-1366	84-96	QA1 front double-adjustable shock	ea	284.99
SU-1367	84-87	QA1 rear double-adjustable shock	ea	284.99
SU-1368	88-96	QA1 rear double-adjustable shock	ea	284.99
SU-1376	84-87	QA1 double-adjustable shock package (ND)		1,129.99
SU-1377	88-96	QA1 double-adjustable shock package (ND)		1,129.99

AC-Delco Gas Shocks

If handling and ride quality have deteriorated as the miles have added up, install a fresh set of smooth-performing AC-Delco gas-charged shocks and return your Corvette to factory specs. Available individually or car set.

SU-127	84-87	Front shock	ea	46.99
SU-128	84-87	Rear shock	ea	44.99
SU-581	84-87	Delco gas shock package		189.99

KYB Gas Shocks

Enjoy performance handling at a reasonable price! Gas-charged KYBs are an excellent replacement shock for all '84-96 Corvettes. Guaranteed not to fade no matter how hard they're pushed. Available individually or car set.

SU-803	84-87	KYB gas shock, front	ea	54.99
SU-804	84-87	KYB gas shock, rear	ea	59.99
SU-799	88	KYB gas shock, front, w/o FX3	ea	59.99
SU-798	89-96	KYB gas shock, front, w/o FX3	ea	59.99
SU-800	88-96	KYB gas shock, rear, Z51	ea	59.99
SU-1329	84-87	KYB gas shock set		209.99
SU-1332	88	KYB gas shock set		219.99
SU-1333	89-96	KYB gas shock set		219.99

QA1 Front & Rear Coilover Kit

Complete set designed to give you full control over your Corvette's suspension characteristics and ride height. Includes single or double adjustable QA1 shocks, custom designed upper and lower mounts, and optional spring rates designed for street cruising or aggressive track handling. Includes spanner wrench for spring adjustment. No discount.

SU-1630	88	Double adjustable coil over system, street springs		3,499.99
SU-1631	88	Double adjustable coil over system, aggressive springs		3,499.99

SU-703

Differential Rebuild Service

If your Corvette's rear end "bangs", "clunks" or "whines", Zip can return it to like-new condition. Cases are disassembled, inspected and cleaned and then rebuilt using all-new parts including bearings, races, seals, shims and a positraction clutch pack. Original ring and pinion is reinstalled and pattern tested with professional set-up tools.

S-135	84-96	Dana 36 differential rebuild service.....	799.99
S-136	85-96	Dana 44 differential rebuild service.....	799.99

Zip Products differentials are covered under a 3-Year unlimited mileage warranty. Warranty does not cover breakage resulting from hard use, racing applications or use of power adders or slicks.

Speedometer Calibrator

Recalibrate your C4 Corvette speedometer after changing your Corvette rear end ratio. Installs easily with 4-wires, without removing the transmission and includes internal rocker switches. Electronically changes the speed signal sent to the speedometer.

PM-265	84-93	Speedometer calibrator	179.99
--------	-------	------------------------------	--------

Zip Differential Rebuild

Your Corvette's diff is key to getting the power to the pavement. Its complex nature suggests a rebuild is best left to professionals, as a correct set-up will ensure clunks, whines or "bangs" never rear their head. Zip's skilled technicians inspect, clean and magnaflux each core, then reassemble it using all-new parts including bearings, races, seals, shims and a positraction clutch pack. All work is performed in-house and is backed by our customer satisfaction guarantee.

Zip diffs pushed Leighton Reese's Banner Engineering Corvette through three seasons of the SPEED World Challenge GT Series, plus two seasons of Rolex GT including the Rolex 24 at Daytona. We're confident you won't find a better built differential!

GM Gear Lube & Additive

GM's special formula gear lubricants work equally well in positraction and conventional rear ends both. Posi additive stops clutch "chatter" and clunking common to positraction clutch packs. Car requires 46oz of gear lube plus a single bottle of positraction additive.

MG-59	GM/Delco gear lubricant, 32oz.....	27.99
POSI	GM/Delco positraction additive, 4oz.....	12.99

BG Lubricant & Additive

BG Ultra Guard II provides thermal stability, protection against wear, pitting and corrosion, improved seal performance and quieter operation. Available in 75w/90 for stock applications and 75w/140 for racing applications. LSII friction modifier ensures smooth and quiet operation of differential gears and posi clutch pack. Fortifies all GL-5 level gear lubricant additives while providing optimum surface protection. Corvette differentials require 46oz of gear lube plus 4oz of limited slip additive.

D44 Crush Sleeve

Factory D44 equipped C4 Corvettes used shims to set the pinion preload until the 1994 model year- that is when Dana changed to a crush sleeve design. If you're changing the gears in your Dana 44 differential, a new crush sleeve is required for a rebuild as all new ring & pinions are designed to use the crush sleeve.

SU-1318	85-96	Pinion crush sleeve	10.99
---------	-------	---------------------------	-------

Differential Carrier Bushings

Set of 4 bushings to replace factory rubber 1984-1996 differential cover bushings. Polyurethane bushings will eliminate flex found in worn-out rubber bushings and protect your Corvette's alignment, eliminating premature wear of tires and suspension components. Fits both Dana 36 and Dana 44 differentials.

SU-451	84-96	Differential carrier housing bushings.....	39.99

Steering

Reproduction Steering Wheel

If your early C4's steering wheel is looking like it's seen too much use over too many miles, Zip has a new reproduction wheel that's a dead ringer for the original. Based on the '86-89 factory design, this quality reproduction includes leather wrapping, padding and stitching same as OEM. Upgrades '84-85 to the popular thick rim "fat" design of later ('86-89) Corvettes.

Dupli-Color® Brake Caliper Paint

Custom DIY color for your C4 Corvette's brake calipers. Brush-on formula contains ceramic resins for maximum heat dissipation. Dries to a high-gloss finish that won't blister, flake or peel. Kit includes aerosol cleaner, tape, stir stick, brush and complete instructions. Specify black, red or silver.

MG-191	High-Performance Caliper Paint Kit.....	39.99
--------	---	-------

VHT Brake Caliper Paint

Gloss coating specifically designed for cast iron and aluminum brake calipers. Withstands temperatures to 900°F, brake dust and most anything Motor Nature can throw at it! For best results, use VHT's FlameProof 2,000°F primer as an undercoat. For super gloss, finish with a coat of high-temp clear. Easy to apply- dries quickly. Specify black, blue, red or silver. 11 oz. aerosol.

MG-192	VHT caliper paint	14.99
MG-193	VHT caliper paint clear coating	14.99
MG-194	VHT FlameProof primer.....	16.99

Speed Bleeder®

Allows one-person brake bleeding. Replaces OE caliper bleeder screw with one-way check valve that allows fluid and air to pass, then closes so air isn't sucked back into system between pumps. Sold in pairs – two pair per Corvette.

DB-582	84-96	Speed Bleeder.....	16.99

Wilwood Brake Kits

Incredible stopping power wrapped in stunning looks. Applying motorsports technology to street applications, Wilwood's big brakes are an ideal complement to suspension, wheel and tire upgrades.

Superlite 6R Front Brake Kit

For spirited street/autocross driving – and bonus “see-through” style. Packages include Wilwood's SL6 billet aluminum 6-piston calipers, 2-piece 12.88" or 14" GT slotted or SRP drilled/slotted rotors with black anodization, GT Series CNC-milled aluminum hats, aluminum brackets and BP-10 low dust/low noise brake pads. Bolt-on install fully compatible with factory hubs, master cylinder and ABS. Available with red or black anodized calipers. No discount.

DB-1179	84-87	Superlite 6R front brake kit w/12.8" GT rotors	1,822.99
DB-1180	84-87	Superlite 6R front brake kit w/12.8" SRP rotors	1,947.99

DB-1137

DB-1138

Superlite 4R Rear Brake Kit

Perfect compliment to Wilwood's Superlite front brake package. Includes SL4 billet aluminum 4-piston calipers, 12.8 GT slotted or SRP drilled/slotted rotors, GT Series CNC-milled aluminum hats, aluminum brackets and BP-10 low dust/low noise brake pads. Designed for use with the factory park brake system. See clearance chart online for wheel requirements. Available with red or black anodized calipers. No discount.

DB-1175	84-87	Superlite 4R rear brake kit w/12.8" GT rotors.....	1,822.99
DB-1176	84-87	Superlite 4R rear brake kit w/12.8" SRP rotors.....	1,947.99

Wilwood Brake Hose

Required for installation of SL4 or SL6 brake calipers on C4 Corvettes. Includes stainless steel brake hose, conversion fittings and retaining clips. Can be used on both front and rear brake packages. Axle set.

DB-1155	84-96	Wilwood stainless brake hoses.....	69.99
---------	-------	------------------------------------	-------

POWERSTOP®

Power Stop Evolution Tru-Cast Rotors

Superior braking = aggressive looks = win-win! Feature drilled holes for cooling and machined rounded slots to sweep away gasses and spent brake pad material. Recommended OE replacement. Mill balanced G3000 grade castings are silver zinc plated to resist rust. Sold in pairs.

DB-1022	84-87	Power Stop brake rotors, front (2)	159.99
DB-1023	84-87	Power Stop brake rotors, rear (2)	159.99

Michelin Pilot Sport 255/50ZR16

Michelin's directional classic tire is now available for early C4 Corvette owners. The 255/50 ZR16 Michelin Pilot Sport was designed for the 84-86 Corvettes with 16 wheels. Y speed rated up to 186mph with a V shaped directional tread pattern allowing the tire (and your Corvette!) to be pushed to their limits. Sold individually.

Lug Nut Cleaning "Brush"

Innovative tool is the absolute easiest way to keep lugs perfectly detailed. Simply dunk in soapy water, position over nut, then press and twist. Fits 3/4" - 13/16" nuts and completely scrubs surrounding recess up to 2" deep. Includes extra "brush" head. X-3040 is set of 3 replacement foam heads.

X-2430	Lug nut & wheel brush.....	9.99
X-3040	Replacement heads	5.99

Factory Reproduction Wheels

Upgrade your Corvette with a new set reproduction factory style wheels. Your C4 Corvette can take on character with the latest in C5, C6 and even C7 Corvette designs. All wheels are cast aluminum; triple chrome plated or powder coated in gloss black. 2-year warranty against manufacture defects. Sets include lug nuts for installation and matching center caps. Designed as a direct replacement for 1984-1996 Corvettes without the use of spacers. No Discount.

Green Performance Air Filter

The simplest way to add 3-5 horsepower is to swap your stock air filter for a high-flow unit. Green Performance Air Filters use two layers of tightly-interwoven cotton fabric, specially designed rubber seals and deeper pleats to provide maximum airflow. Green Air Filters can be washed and reused over and over, which is why a lifetime guarantee comes with each one.

AC-224	85-89	Green Performance air filter	79.99
AC-225	90-96	Green Performance air filter	79.99
AC-230	84-96	Green Performance recharger kit.....	19.99

aFe Performance Filters

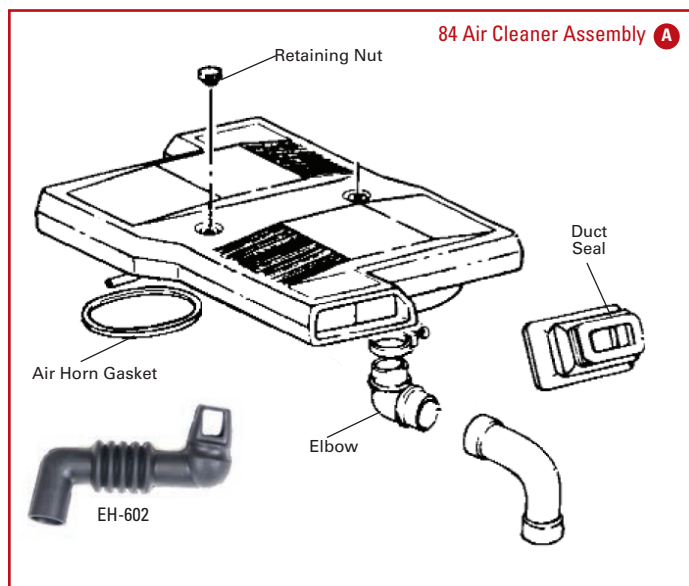

The cheapest horsepower available—simply swap your stock air filter for a high-flow aFe performance filter. Washable and reusable oiled cotton material traps dirt on the filter's outer surface to allow virtually unrestricted power-producing airflow into the engine.

PM-724	94-96	Power Coupler, LT1/LT4, rear.....	49.99

Vortex Rammer Cold Air System

For a serious power boost, replace your restrictive stock air box with a Vortex Rammer induction system. Pressurized air drawn from the radiator cavity is forced up through a specially designed scoop into the sealed Rammer box. There a revolutionary air cleaner injects cold air directly into the intake. Installation requires cutting stock radiator shroud. Black only.

PM-198	85-89	Vortex Rammer.....	299.99
PM-198A	90-96	Vortex Rammer.....	299.99

MAT or IAT Sensor

Manifold Air Temperature sensor or Intake Air Temperature sensor provides ECM with incoming air or fuel/air mixture temperature.

EH-619	92-96	Manifold air temperature sensor (MAT).....	18.99

MAT Sensor Relocating Harness

Your C4's performance is directly affected by the ECM's ability to maintain proper air/fuel mix and timing advance. Power loss can occur due to false (hot) readings being sent to the ECM. Kit relocates sensor to air filter housing (requires drilling) where cooler surrounding air enhances performance.

Coolant By-Pass Kit

Factory set-up routes heated coolant through throttle body. Bypass tube eliminates this power robbing "mistake" by direct-connecting the coolant lines – cooler inlet air generates more horsepower! Install requires no modification.

PM-207	92-96	Coolant by-pass kit, LT1 & LT4.....	20.99
--------	-------	-------------------------------------	-------

Idle Air Control Valve

Idle air control valve (IAC) controls the engine's idling RPM by allowing air to bypass around the throttle body plate based on the ECM parameters of engine temperature or load. Faulty idle air control valve can cause irregular idle speed, check engine lights and engine stalling.

FI-112	85-88	Idle air control valve (IAC)	89.99
FI-113	89-93	Idle air control valve (IAC)	109.99
FI-240	90-95	Idle air control valve (IAC), LT5	79.99
FI-241	94-95	Idle air control valve (IAC)	94.99
FI-275	96	Idle air control valve (IAC), LT1 & LT4	169.99

Throttle Position Sensor

Throttle Position Sensor units (TPS) are variable voltage type sensors that are located on the base of the throttle body unit. The throttle position sensor provides the ECM with throttle position and movement necessary to optimize engine performance.

FI-104	85-89	Throttle position sensor (TPS)	49.99
FI-255	90-91	Throttle position sensor (TPS)	69.99
FI-256	92-93	Throttle position sensor (TPS)	34.99

Electronic Spark Control Modules & Sensors

Knock sensor detects engine knock or detonation- information is then relayed to ECM/PCM (computer) and used to fine tune ignition timing. A bad knock sensor can cause a fault code and skewed ignition timing.

Hypertech Power Coil Kit

Hypertech's Power Coil is 40% more powerful than a stock coil – putting out 53,000 volts.

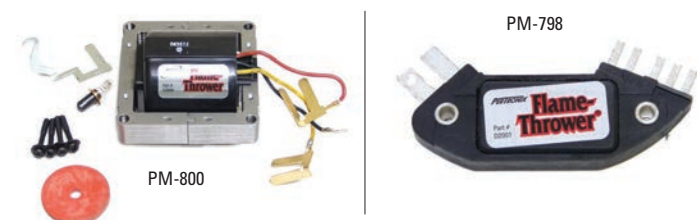

A hotter spark contributes to increased horsepower, quicker acceleration and better fuel economy. Distributor cap features bronze terminals for maximum conductivity. Includes rotor and hardware.

PM-101	85-91	Hypertech Power Coil kit	101.99
--------	-------	--------------------------------	--------

Flame Thrower Coils & Modules

Pertronix ignition modules and coils are direct replacement while enhancing high RPM performance. 50,000 volt, low resistance coils combined with high energy, faster spark modules can produce 100% more energy across the spark plug gap. Enabling larger plug gaps and increased combustion efficiency- a proven performance combo.

PM-800	84-91	Flame-Thrower ignition coil.....	69.99
PM-798	84-91	Flame-Thrower ignition module.....	74.99

Petris Opti-spark Distributor

Hand assembled distributor with cap and rotor. Features Mitsubishi optical sensor, brass terminals and high voltage straps. Each unit includes a vacuum ventilation hose, check valve and restrictor to eliminate moisture issues. Bench tested to ensure reliable, trouble-free installation and ignition. Includes wiring harness. No Discount.

M-4128	92	Petris Opti-Spark distributor	484.99

AC-Delco "Rapid Fire" Spark Plugs

AC's "Rapid Fire" plugs are engineered to include a multi-point electrode system that can revolutionize your Corvette's performance. Enjoy the benefits of easier start-ups and a smoother idle, quicker throttle response and a welcome increase in fuel economy. Sold individually.

M-3109	84	"Rapid Fire" spark plug (R45TS).....	ea	6.99
M-3110	85-86	"Rapid Fire" spark plug, 86 w/cast iron heads (R43TS).....	ea	6.99
M-3111	86-91	"Rapid Fire" spark plug, 86 w/aluminum heads (FR3LS).....	ea	6.99

MSD Spark Plug Wires

The MSD 8.5mm Super Conductor Wire is "the" performance wire. Engineered from the inside out, the 8.5 offers everything you have ever wanted in a wire.

Features include: Ferro-Magnetic center core, helically wound copper conductor, high dielectric insulator, 8.5" jacket protects against heat & tears, "dual crimp" terminals and heavy-duty boots for voltage isolation.

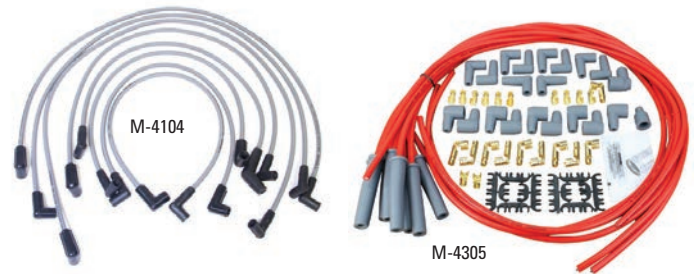

M-4283	84-91	MSD spark plug wire set, 90 degree plug boots.....	149.99
M-4284	84-91	MSD spark plug wire set, multi-angle plug boots.....	149.99
PM-532	92-96	MSD spark plug wire set, LT1 & LT4.....	214.99

Reproduction Spark Plug Wires

Reproduction spark plug wires manufactured by OE manufacturer, Packard Industries. Manufactured from original tooling with Packard Delcore II wire with Kevlar silicone wrapped construction to prevent breaks and cracks in the conductor. Original style boots, stainless terminals, correct length for factory installation. Car set. Made in USA.

M-4103	84	Spark plug wire set.....	54.99
M-4104	85-91	Spark plug wire set.....	54.99
M-4106	92-96	Spark plug wire set, LT1 & LT4.....	99.99

Dragon Fire Sport Spark Plug Wires

Dragon Fire "cut to fit" 8.5mm spark plug wires with either 90 angle or 180 straight end boots. 150 ohms per foot is possible with spiral wound Kevlar core silicone jackets and brass terminals. Available in red or black or with hi-temp ceramic boots in black. Car set.

M-4304	84-91	Dragon Fire Sport spark plug wires, 90 (red or black).....	79.99
M-4305	84-91	Dragon Fire Sport spark plug wires, 180 (red or black).....	79.99

BORLA Exhaust

The sound of power. Incorporating over three decades of race-proven engineering, every BORLA system is built of premium 300 series austenitic stainless steel. All feature smooth mandrel bends for accurate fit, are fully bolt-on and wear mirror polished tips. Million Mile Warranty.

BORLA Stainless Mufflers & Y-Pipes

Convert your 84-91 Corvette from the stock 2.25" exhaust to a more aggressive 2.5" system. 304 stainless rear y-pipe and BORLA S-type multi-core mufflers with intercooled angle-cut square tips. Feature BORLA's patented intercooled design. No Discount.

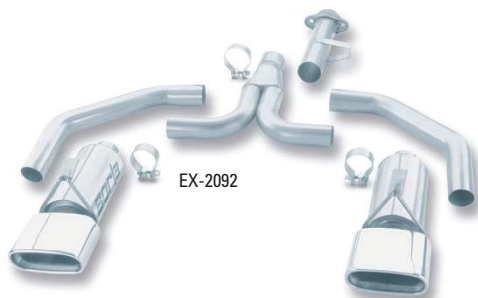

EX-966 84-91 BORLA mufflers w/ZR1 tips.....1,418.99

BORLA Stinger

BORLA's new "Stinger" exhaust system for 1986-1991 Corvettes increases performance, reduces weight and provides the famous BORLA growl. Aircraft-quality T-304 stainless steel system is a direct replacement for the much heavier (by some 20lbs.!) stock system and is based off the big C5/Z06 system known as the "Stinger". Includes mufflers w/rectangular tips and rear exhaust Y-Pipe. No Discount.

EX-2092 86-91 BORLA Stinger exhaust w/rectangular tips.....1,035.99

92-96 BORLA Exhaust System

BORLA Cat-Back exhaust system features straight-through and multi-core technology to unleash the beast in your LT1 Corvette. 2.5" system increases exhaust velocity, adds power, driving excitement, fuel economy and the distinctive BORLA sound of power. No Discount.

EX-967 92-96 BORLA exhaust system w/LT1 style tips.....2,481.99

MagnaFlow

All-stainless steel, mandrel bent systems are fully bolt-on and boast mirror polished tips and mufflers. Magnaflow's signature straight-through, wide-open performance with a smooth, deep tone. Lifetime warranty.

86-91 MagnaFlow

Fully welded- made of 100% stainless steel. 2.5" mandrel bent cat-back exhaust system increases horsepower and torque, while providing a smooth, deep tone and of course, stunning looks. Features 3.5" polished tips. Includes all hardware for installation. No Discount.

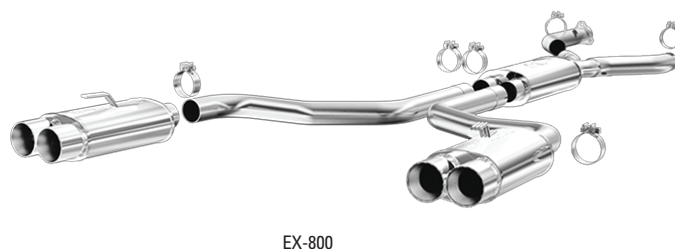

EX-798 86-91 MagnaFlow cat-back exhaust system1,039.99

92-96 MagnaFlow Exhaust

MagnaFlow Performance 3" exhaust system yields the greatest increase in both horsepower and torque as your Corvette breathes easier and performs better. 100% stainless, mandrel bent system smooths exhaust flow through the performance designed resonator and mufflers. Features massive 4" polished stainless exhaust tip, all necessary hardware and instructions. No Discount.

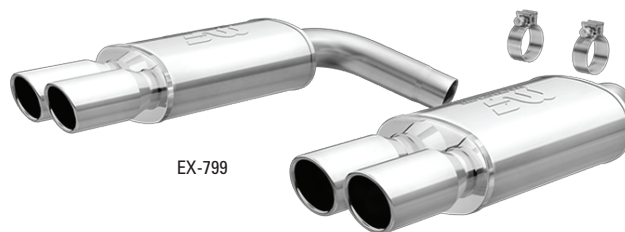

EX-800 92-96 MagnaFlow Exhaust System1,299.99

92-96 MagnaFlow Mufflers

MagnaFlow's polished stainless mufflers can be installed on 92-96 LT1/LT4 Corvettes. 2.5" inlet straight-through design mufflers add horsepower and torque, while giving your LT1 power plant the famous MagnaFlow sound. Features 3.5" stainless tips. Must cut factory exhaust for installation - complete instructions included. No Discount.

--------	-------	-----------------------------	-------

LT1 Style Exhaust Tips

Stainless steel tips give '85-91 C4s the look of '92-95 factory exhaust, or upgrade your stock '92-up tips with a flash of polished bright work. 2-piece sets include hardware.

EX-435	85-91	LT1 style exhaust tips.....	54.99
EX-443	92-96	LT1 style exhaust tips.....	69.99

Stainless Works

Custom exhaust fabrication at its finest. StainlessWorks produces the systems most exhaust companies don't want to touch. US sourced aircraft quality 304 stainless is fully tig-welded and mandrel bent on CNC machines. Lifetime guarantee on materials and workmanship.

L98 Long Tube Headers

L98 headers make excellent power adding up to 25 rear wheel HP. 304 stainless steel is known for its extremely high resistance to corrosion and excellent thermal resistance properties. Will require cutting and welding to connect to stock or aftermarket exhaust system. No discount.

EX-2080 85-91 Stainless long tube headers, L982,119.99

LT1/LT4 Headers & Exhaust System

More performance can be found from your LT1/LT4 Corvette with a set of long tube headers and/or SW's 2.5" exhaust system. Long tube headers feature 1 5/8" primaries, 3/8 CNC laser cut flanges and 2.5" collectors. Headers available with high-flow converters. LT1/LT4 Corvette exhaust features a hi-flow x-pipe for improved exhaust scavenging, dual turbo (S-tube or chambered) mufflers and mirror polished wide oval exhaust tips. No discount.

EX-2156 90-96 Long tube headers w/hi-flow cats.....2,249.99
EX-2159 90-96 Exhaust system w/s-tube mufflers.....1,699.99
EX-2158 90-96 Exhaust system w/chambered mufflers.....1,699.99

Exhaust/Header Wrap

Common knowledge says heat is the enemy of power. Composite wrap reduces underhood temps up to 50% - plus promotes increased exhaust flow. Sold in 2" x 50' roll. Tan withstands 1200°F direct and 2000°F intermittent heat, titanium 1800/2500°F respectively. Hi-Temp silicone spray coating penetrates to seal, protect and prolong the life of tan wrap. Spray is not recommended for titanium wrap. 304 stainless steel ties secure wrap to pipes/collectors for a clean finished look. Check out the tie wrap tool to make this job even easier.

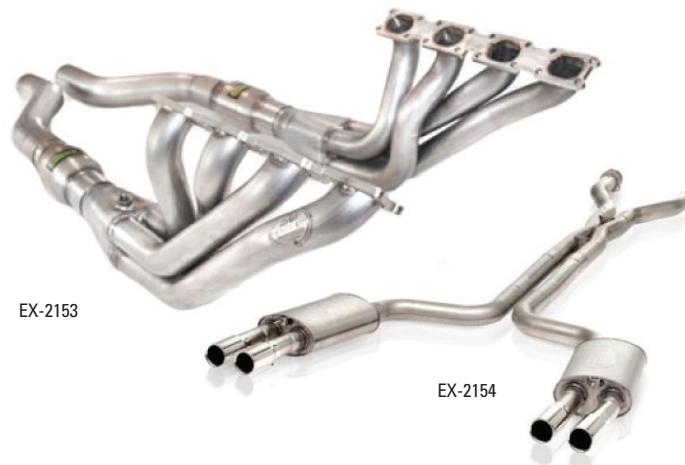

EX-2127 Exhaust/header wrap, tan, 2" x 50"49.99
EX-2128 Exhaust/header wrap, titanium, 2" x 50"59.99
EX-2129 Stainless locking ties, 8" (set of 8).....14.99
EX-2130 Stainless locking ties, 14" (set of 4).....9.99
TL-176 Stainless locking ties tool.....5.99
EX-2131 Hi-Temp silicone coating, 12 oz. aerosol.....10.99

Note: Aerosol materials such as silicone coating cannot be shipped by air.

ZR1 Headers & Exhaust System

Substantially increase ZR1 Corvette performance with Stainless Works long tube headers coupled with a full 3" exhaust system. 304 stainless long tube headers feature 2" primaries, 3/8 CNC laser cut flanges and 3" collectors. Headers available with high-flow converters. LT5 Corvette exhaust system features a hi-flow 26" long x-pipe for improved exhaust scavenging, dual turbo (S-tube or chambered) mufflers and mirror polished dual outlet exhaust tips. No discount.

EX-2153 90-95 LT5 Long tube headers w/hi-flow cats.....2,149.99
EX-2154 90-95 LT5 3" exhaust system w/s-tube mufflers1,619.99
EX-2155 90-95 LT5 3" exhaust system w/chambered mufflers.....1,619.99

Flowmaster Force II Exhaust

Add Flowmaster's patented D-port design aluminized Y-pipe to a pair of polished stainless tip mufflers (EX-552 above) and you have the Force II cat-back system. Features 3" diameter center section.

EX-595 86-90 Force II cat-back exhaust system.....925.95

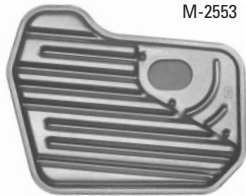

10% RETAIL DISCOUNT

HOW IT WORKS – Retail customers receive 10% savings on a minimum purchase of \$850.00 of any combination of parts and/or accessories from this catalog or Zip's Web store. Sorry, No Discount ("ND") items may be included in total value but are not eligible for discount. Offer applies to a single order only and some restrictions apply, call your Zip Products sales representative for details.

TM-305

Converter Lock-Up

Enables torque converter to lock-up (overdrive) without need for auxiliary computer or toggle switch. Installs externally on 700R4 or 200R4 automatic transmission. Includes fuse, fuse holder, pressure switch (install in 4th gear oil pressure port) wiring harness and complete instructions.

ES-577	84-92	Torque converter lock-up switch	94.99
--------	-------	---------------------------------------	-------

ES-577

PM-167

Shift Control Harness

If your automatic transmission "hunts" gears, this harness will help eliminate the problem. In-dash unit plugs into transmission harness under passenger-side dash; under car version plugs into harness at transmission. Both feature on-off switching and use electronic circuitry to prevent converter from locking up unless shifting into overdrive. Fits all 700R4 transmissions.

PM-166	84-92	Shift control harness, in dash	34.99
PM-167	84-92	Shift control harness, under car	34.99

B&M Shift Plus

Improves the shift characteristics of Corvettes equipped with the 4L60E automatic transmission. Switch mounts to console and features three settings: stock shifting, Level 1 (firmer) and Level 2 (quick/firm for street performance).

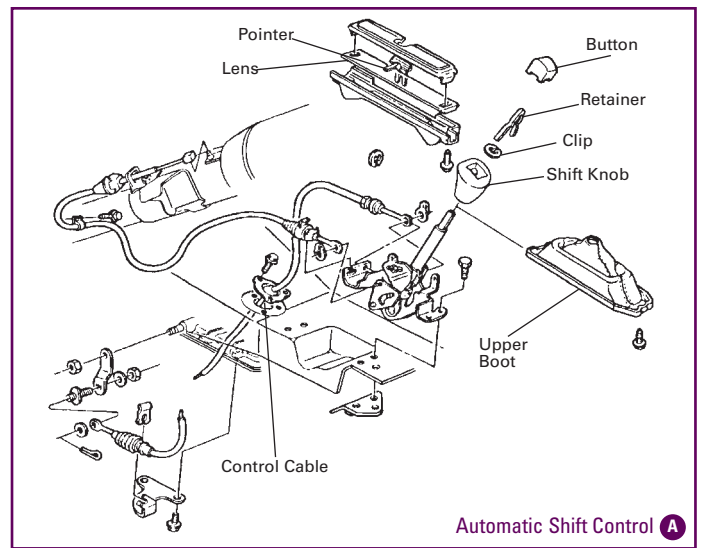

PM-231	93L-96	Shift Plus switch	74.99
--------	--------	-------------------------	-------

BG ATC Plus

Enhances properties of both new and used automatic transmission fluid- improves fluid oxidation stability, thereby prolonging fluid and transmission life. BG ATC Plus prevents leaks by conditioning hardened seals, controlling transmission shudder and retards formation of sludge and varnish deposits.

MG-184	BG ATC Plus	13.99

Fidanza Aluminum Flywheel

Made from the highest quality 6061 T6 aluminum- fantastic for strength, heat dissipation and of course, reduction in weight. The friction surface used is an incredibly strong 1045 steel, milled to meet high specifications.

All Fidanza aluminum flywheels can mate with any type of clutch material, including organic, kevlar, ceramic, metallic and sintered iron

TM-281	84-85	Fidanza aluminum flywheel W/ZF 6-speed conversion.....	649.99
TM-267	89-96	Fidanza aluminum flywheel, 6-speed	649.99
TM-276	90-95	LT5 Fidanza aluminum flywheel.....	699.99

BG Syncro Shift II

BG Syncro Shift II 75W-80 synthetic gear lubricant is specially formulated for manual transmissions. GL-4 application oil provides thermal stability, low-temperature fluidity, hot rattle suppression, noise dampening, shear stability, smoother shifting characteristics and wear reduction (synchronizer, gears, bearings, shift fork).

MG-210		BG Syncro Shift II.....	32.99
--------	--	-------------------------	-------

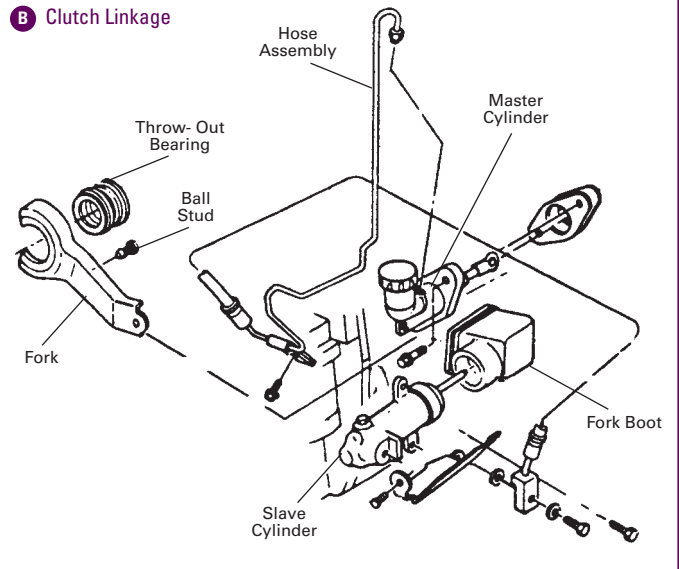

Clutch Kits

Direct replacement for stock components. All-new assembly includes matched clutch disc, pressure plate, throw-out bearing and alignment tool. 89-96 Clutch kits are designed to be used with the factory dual mass flywheel.

TM-106	84	L98 Clutch kit, 10.4"x 26 splines	159.99

F-642	89-96	Hood	1,899.99

100% Reproduction Hood

GM Licensed reproduction hood manufactured of SMC (sheet molded compound). Both inner and outer panels are produced on GM original tooling, bonded together in factory style fixtures with correct adhesives. The result- a C4 Corvette hood that looks and fits as original. Ships truck freight. No discount.

F-683	84	GM licensed hood	1,899.99
-------	----	------------------------	----------

Hi-Rise Hood

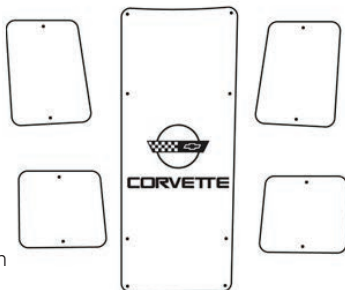

Hi-rise hoods have a 2 3/4" rise in the center and are fully functional, cowl induction hoods. Ships truck freight collect. No discount.

F-413	84	Hi-rise hood	1,899.99
F-521	85-96	Hi-rise hood	1,899.99

AcoustiSHIELD Hood Panel

QuietRIDE Solutions underhood cover kits not only insulate your Corvette's engine compartment, but add a custom look to your Corvette's underhood area. Pre-cut heat insulation is engineered to lay inside the wells of your hood to protect paint from radiated heat. The ABS AcoustiHood panel then lays over the heat shield insulation for a clean look sure to please the judges. Available in a smooth version or with a 3-D molded GM licensed Corvette emblem.

Cooling & Heater System

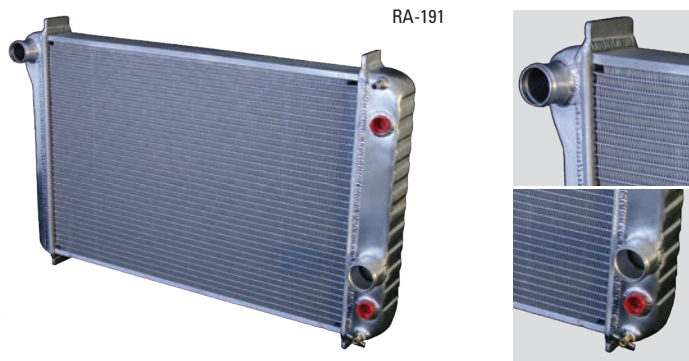

Direct Fit Aluminum Radiators

Like the name says, our radiators are designed to bolt right in – no ifs, ands or buts. Every Direct Fit radiator is made in the USA and begins life as a double-row core furnace brazed for strength and accuracy. Press formed end tanks are meticulously TIG welded by real craftsmen to ensure leak-free performance and knockout looks. Have a work of art under your hood.

Direct Fit Aluminum Radiator

Original C4 Corvettes introduced the aluminum radiator with plastic tanks – not a bad radiator, but not designed to last the lifetime of your Corvette. Plus, as soon as modifications come into play, cooling needs to be addressed. Direct Fit radiators increase cooling capacity 100% over OE unit while eliminating failures due to cracked end tanks and/or gasket leaks. 100% full aluminum epoxy-free radiator features (2) 1" rows, press formed tanks and an optional built-in oil cooler. 84-89 radiator includes mount cushions.

RA-168	84-89	Aluminum radiator	839.99
RA-170	90-96	Aluminum radiator, Manual	839.99
RA-169	90-96	Aluminum radiator, Automatic	739.99
RA-191	90-96	Aluminum radiator w/engine oil cooler	839.99

Single Row Aluminum Radiator

100% full aluminum epoxy-free radiator eliminates failure due to original plastic tanks or leaky gaskets. One 1.5" row increases cooling capacity by over 50% over factory radiator. Includes press formed end tanks and transmission connections. US Made. 84-89 radiator includes mount cushions.

RA-234	84-89	Aluminum radiator	569.99
RA-235	90-96	Aluminum radiator	569.99

Note: Radiators include connections for automatic transmissions, must use plugs for 6-speed equipped Corvettes.

OE Style Radiator

Factory style aluminum radiator with plastic end tanks.

RA-247	84-89	Radiator	319.99
RA-249	90-96	Radiator	289.99

Note: Radiators include connections for automatic transmissions, must use plugs for 6-speed equipped Corvettes.

84-89 Electric Fan Upgrade

Increase the air flow of your C4 Corvette with a Direct Fit SPAL fan kit. This fan will increase airflow by 30% (2360 cfm) over the stock fan. Direct replacement utilizing a special bracket system. Uses factory hardware for installation. Stock wiring does not match and will need to be modified. Instructions included.

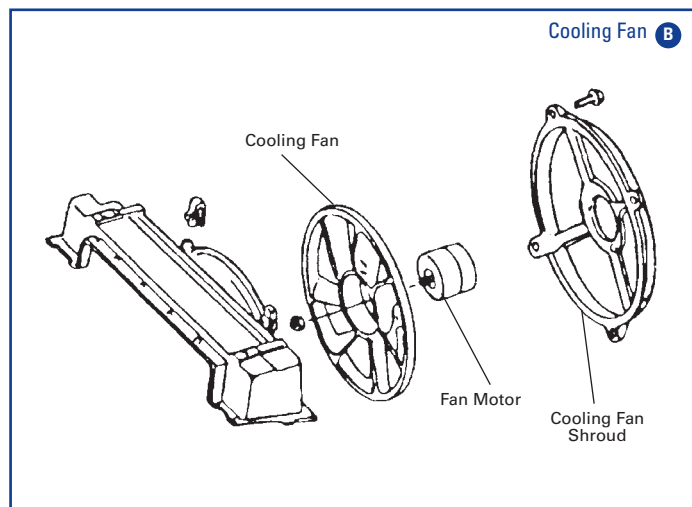

RA-180	84-89	Electric fan upgrade kit.....	289.99
--------	-------	-------------------------------	--------

90-96 Dual Fan Upgrade

Boost the air flow on your 90-96 Corvette with a dual fan package featuring two 11" SPAL fans. Increases cooling fan capacity to over 2760 cfm. Pre-installed in a common shroud, includes all necessary brackets and hardware for installation. Custom designed to mount in place of original fan package without any modifications. Single row kit fits factory radiators, double row kit is for use with Direct Fit Aluminum radiators.

Headlight & Lights

New Headlight Motor

Restore your Corvette's headlight operation with Zip's new headlight motors. Perfect for customers with damaged or broken headlight motor cores. No core charge. Specify LH or RH when ordering.

HDL-344	84-87	Headlight motor (LH or RH).....	269.99
M-2837	88-90	Headlight motor (LH or RH).....	259.99
HDL-354	91-96	Headlight motor (LH or RH).....	269.99

Rebuilt Headlight Motors

An alternative to the cost of a new GM unit is a rebuilt headlight motor. Rebuild includes new drive gears and a complete electrical overhaul. 88-96 units sold on exchange; \$150.00 core charge required if rebuildable motor does not accompany order. Motors with cracked cases are not rebuildable. Additional charges for cut-off harness pigtails.

S-146	84-87	Headlight motor rebuild service	199.99
M-3119	88-90	Rebuilt headlight motor (LH or RH)	159.99
M-3880	91-96	Rebuilt headlight motor (LH or RH)	159.99

1988-1996 headlight motors were 2 wire designs made of metal. 1988-1990 motors included pigtail harness with its own plastic connection plug and round pins. 1991-1996 headlight motors include a pigtail without the plastic plug housing. Flat harness pins are inserted into existing headlight motor plug.

84-87 Headlight Motor Repair

Don't pay the cost of a complete OEM replacement motor if the problem is simply free-spinning or slipping gears. Improved material headlight gears will eliminate the missing gear teeth often found in 84-87 headlight motors.

HDL-230	84-87	Large headlight motor gear, nylon.....	ea 14.99

HDL-399	84-87	Headlight motor over-ride knob	ea 8.99

88-96 Headlight Motor Repair

88-96 Corvette headlight motors fail due to brittle gears and pellet bushings that turn to powder over time. These components were never designed to last more than 10 years.

HDL-310	88-96	Headlight motor gear, nylon.....	ea 14.99
HDL-418	88-96	Headlight motor gear, aluminum, includes bushings	ea 44.99

HDL-419	88-96	Headlight motor side cover repair kit	7.99
HDL-401	88-96	Headlight motor over-ride knob	ea 8.99

Bronze Headlight Motor Gears

Nylon headlight gears commonly fail due to their brittle composition. Replacement gears made of improved materials are available, or, for a more durable fix, install bronze gears instead. '84-87 motors use a large and small gear; when replacing gears with bronze, both size gears should be replaced.

HDL-234	84-87	Large bronze headlight gear	ea 59.99
HDL-233	84-87	Small bronze headlight gear	ea 64.99
HDL-388	84-87	Bronze headlight gear set	ea 119.99
HDL-275	88-96	Bronze headlight gear w/bushings	ea 64.99

88-96 Headlight Motor Linkage

Over time the plastic bushings in headlight motors become brittle and deteriorate, causing additional stress on the headlight system and gears in particular. Car set of 8 plastic bushings will restore your Corvette's headlight motor to working condition.

HDL-366	88-96	Headlight motor linkage bushing kit (8pcs)	39.99
---------	-------	--	-------

Harness Repair

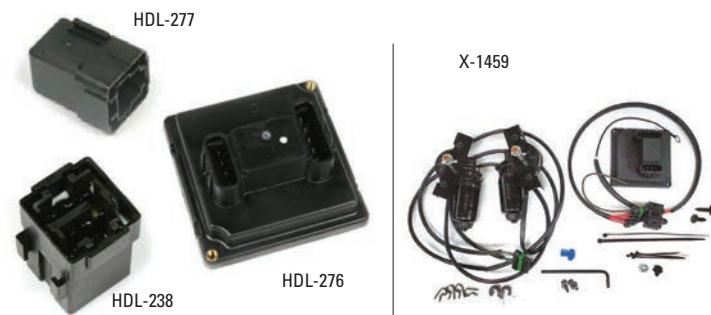

Headlight motor pigtails are often cut to aid in the removal of the headlight motor. Unfortunately, this could cause short circuit in your headlight motor over time. New electrical pigtails are available to return your headlight motor to its original condition. Includes correct harness plug.

M-3569	84-87	Headlight motor pigtail	ea 34.99

Daytime Running Light Module

Add Daytime Running Lights to your 84-96 Corvette, just like the C5 Corvettes. Daytime Running Lights are an inexpensive addition that will improve safety and is legal in all 50 States! The DRL module connects to your turn signals and automatically controls when they should be on. During the day, they function as DRLs (Daytime Running Lights), but turn off when you turn on your lights. Normal turn signal functionality remains intact.

LED Taillights

LED taillights will brighten up the rear of any Corvette. Taillights feature LED bulbs that are much brighter than factory bulbs. Easy do-it-yourself installation, plugs into the factory tail lamp harness. Electronic flashers are required to correctly drive LED lights. Load resistors may be needed on some applications to emulate incandescent bulbs.

Center Taillight Flasher Module

Enhance your safety by adding our Brake Light Flasher to the third brake light on your Corvette. This flasher module connects to your center mount brake light (third brake light) and automatically pulses it when you apply your brakes. The light will pulsate on and off for about a second, then stay on steady for as long as you press the brake pedal.

X-1601	84-96	Taillight flasher.....		69.99
--------	-------	------------------------	--	-------

Phantom Taillight Grills & License Plate Surround

Impact resistant ABS plastic with urethane enamel finish. Specify Torch Red, silver, white, gloss black or matte black. Order matte black for paint to match. 4-piece taillight set includes screws with matching cap covers. License surround mounts with existing hardware.

PM-816	85-89	Programmable ECM	599.99
SF-860	85-89	ECM mount bracket plastic nuts (2).....	3.49

Body Control Module

1990-1996 body control module is often referred to as the BCM or CCM which controls everything within the body functions of the C4 Corvette. The CCM is also integrated with the security (VATS) system and when it fails, your Corvette will turn over and start, but it will only run for a few seconds before cutting off. Zip Corvette is now able to rebuild your 1990-1996 Corvette's CCM. Please allow a 2 week turnaround for the rebuilds. No discount.

S-171 90-96 BCM/CCM rebuild service **329.99**

Hypertech Power Chips

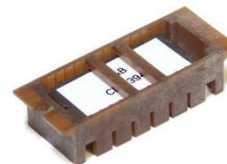

If you're looking for more horsepower and better performance, look no further than Hypertech. Plug-in power chips recalibrate fuel delivery and ignition timing to deliver improved horsepower, torque, acceleration and top-end speed – without affecting around-town fuel efficiency. Automatic cars also benefit from improved shifting and torque converter lock-up. Street Runner chip offers power tuning for stock or mildly modified Corvettes (cat-back exhaust and high-flow air filter). 49-states legal and warranty friendly. Specify year, transmission and California use.

EPROM Calibration Service

The 27C256 Chip or EPROM in your memcal does not have an indefinite life. The data or calibration will begin to deteriorate after 15-20 years, causing many running issues in your Corvette. Zip can fully erase your original EPROM and reprogram it with the factory calibration. If needed, we can also eliminate the VATS system or change cooling fan temperatures.

S-218 84-93 EPROM calibration service **Call**

10% RETAIL DISCOUNT

HOW IT WORKS – Retail customers receive 10% savings on a minimum purchase of \$850.00 of any combination of parts and/or accessories from this catalog or Zip's Web store. Sorry, No Discount ("ND") items may be included in total value but are not eligible for discount. Offer applies to a single order only and some restrictions apply, call your Zip Products sales representative for details.

84-87 Sport Seats

Non-perforated seat covers

1984-1988 Corvette seat covers are available with either original-style perforated or non-perforated inserts. While perforated inserts look great, over time they do not seem to hold up to wear patterns as well.

84-87 Sport Seats w/Embroidered Emblem

Leather-Like Seat Covers

Leather-like reproduction seat covers are manufactured of durable high-grade vinyl that will provide the richness, beauty and style of genuine leather but at a fraction of real-leather prices. You can expect a perfect fit and color match for your Corvette's seats. Sold in pairs in matching factory colors. Leather-like seat covers do not include factory embroidered emblems.

Call Zip Corvette for information on mounted two-tone seat covers with an embroidered C4 emblem on the headrest.

Seat Armour

Quick and effective protection for your Corvette's leather seats – just slip over the headrest and jump in! Soft cotton terry/velour blend wears like iron. Machine washable. Specify gray, tan or black. Sold each.

X-3936	84-96	Seat Armour	36.99
--------	-------	-------------------	-------

Leatherette Seat Slip Covers

Use to protect your Corvette's new seat covers or use to hide years or worn leather. Made from high-grade vinyl, leatherette covers are soft and supple yet durable and easy to clean. Leatherette slip covers are a perfect alternative if reproduction covers are not in the budget. Available in a full selection of both solid and two-tone colors. Specify color when ordering.

X-3798	84-96	Leatherette seat covers, standard seats	329.99

--------	-------	---	------

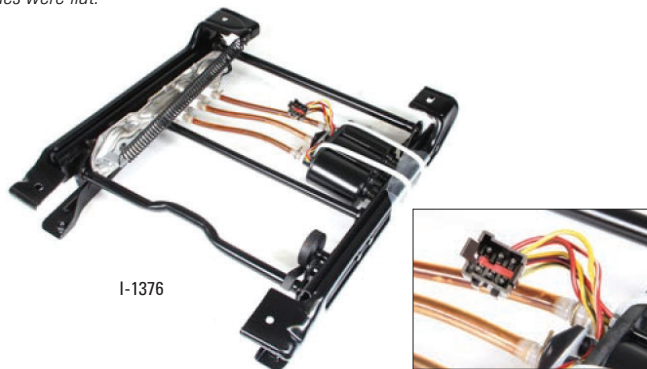

I-1335

Rebuilt Power Seat Track

If your seat motor runs but doesn't move the seat, most likely the track gears are stripped. An alternative to salvage yard sourcing is having your old track rebuilt to original working condition. Rebuild service includes disassembly, new gears and bushings and lubrication of reassembled track. Sold on exchange. Add \$150.00 if rebuildable core is not included with order.

I-1376	84-87E	Rebuilt seat track assembly	ea 239.99

Blockit “Quick & Quiet” Noise Deadener

Tone down interior noise – and skip pulling your Corvette’s carpet out to do it! Uniquely layered acoustical soundproof material features durable UV protected vinyl top- simply lays on top of carpet to quickly remedy tire hum and exhaust drone. 3-piece set is cargo/trunk mat plus matching pieces that install behind seats. Coupe only.

X-3862	84-96	Blockit “Quick & Quiet” interior noise deadener.....	189.99
--------	-------	--	--------

Blockit DeadMat

Developed to eliminate unwanted vibration & noise in your Corvette. Dramatically reduces structural vibration and radiated borne noise. Self-adhesive backing makes for a simple cut and stick application. Cover an entire area or just a strategic portion with outstanding results.

X-3781	Blockit DeadMat – 8 sq feet.....	69.99
X-3794	Blockit DeadMat – 20 sq feet.....	99.99
X-3794	Blockit DeadMat – 36 sq feet.....	99.99

AcoustiSHIELD

AcoustiSHIELD will give your Corvette all the benefits of an automotive insulation and sound damping system that will give you the quiet riding comfort you desire. Pre-cut carpet and floor pan insulation kits will insulate and control noise, vibration and heat. Includes easy-to-follow installation instructions and everything you need to do the job right.

ACC Contoured Heavy Duty Floor Mats

Newly designed heavy duty contoured floor mats designed to look good AND protect your Corvette's carpet. These floor mats feature a heavy waterproof rubber backing that is "formed and contoured" to fit inside the foot well but raised on the sides to protect your carpet from spills & soil that would normally slip past traditional floor mats. Manufactured using Cut Pile carpet, these floor mats do not look like an afterthought, but a factory option. Available in all original colors for a perfect match.

ACC Embroidered Cargo Mat

A Corvette's rear storage area is the most likely place to first show the results of hard use and exposure to direct sun. Remedy an unsightly situation and enjoy newfound protection at the same time by complimenting your new factory-style or embroidered floor mats with a matching cargo mat. Fit, finish, color, material and embroidery options match the quality of ACC's floor mats.

Rear Storage Organizer

Carpeted decks finish off the interior nicely, but if you've ever tried to put something behind the seats, then you know once you hit the accelerator everything seems to slide around. The rear cargo organizer is custom designed, manufactured of sturdy vacuum formed ABS. Friction fit means this tray is in and out within literally seconds. Fits 1984-1996 Coupes and 1990-1996 Convertibles.

Rear Hatch

Rear Shade Curtain

Replace your C4 Corvette's ripped, torn or heavily faded rear shade curtain and restore your C4 Corvette's interior to its new condition. The package shade curtains are made to fit just like the original curtain, correctly stitched, including the sewn-in welt at the rear edge for installation in the winding mechanism. Must be installed into the winding mechanism.

Rear Hatch Lift Supports

Slow lifting or supports that will not hold the rear glass are common to C4 Corvettes. New replacement struts will restore your Corvette's functionality while eliminating the possibility of a costly broken rear glass. Recommend replacing both supports at the same time.

M-3851	84-96	Rear hatch lift strut.....	34.99
M-4131	84-96	Rear hatch lift struts, car set	59.99

Coupe Hatch Vent

Enjoy flow-through ventilation and less wind buffeting in the cockpit. Hatch vent bolts to striker using roof panel ratchet to lock hatch 1 1/2" in the open position. Sturdy metal brackets do not affect factory alarm or interior lights.

84-89 Dash Cluster Rebuild

If your 84-89 Corvette's dash cluster is on the fritz or has gone completely dark due to faded LCD panels, consider having your cluster professionally rebuilt. Rebuild service includes: disassembly and inspection of unit, all-new power supply boards and interboard connectors, new halogen bulbs and recalibration to factory specs. Rebuild does not include replacement of LCD panels. Typical remanufacture time is 7-10 business days. No discount.

S-149 84-89 Cluster rebuild service349.99

Note: If new LCDs are required for rebuild due to cracked, broken or sun faded displays, average cost per LCD is \$75-125 each depending upon year and display.

1984-96 Factory Radio Rebuild

If you'd like to keep your interior looking OEM but your factory radio has played its last tunes, have it remanufactured to look and work as new. Rebuild service includes: repair of PC board solder connections, replacement of belts, idlers and other high-failure parts, cleaning and adjustment of tape deck or CD mechanics and tuning of radio circuits. Typical rebuild time is 2-3 weeks. One year warranty. Ask your Zip sales representative for details.

90-96 Speaker Covers & Carpets

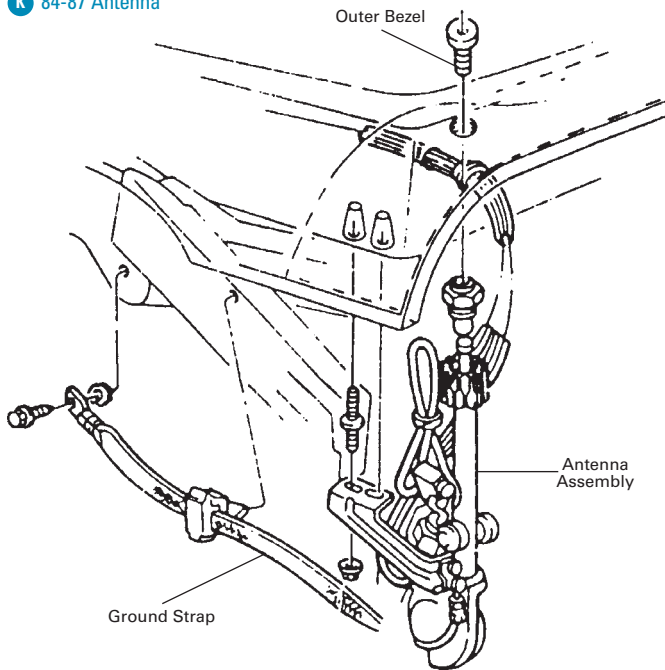

Factory 1990-1996 Corvette speakers were covered in a cloth material that can quickly become worn and torn with age as the material disintegrates. Factory style material is not available; however, Zip has a solution that will allow you to return your C4 Corvette to its previous glory. New replacement speaker cover carpets or assemblies are manufactured with cut-pile (90-93) or Tru-Vette (94-96) carpet for a seamless look with your C4 Corvette's interior. Sold in pairs.

Roof Panel Identification

To determine whether your 1986 Corvette has an early or late design roof panel, measure from the sunvisor pin to the roof panel mounting bolt. Early '86 design measures 4 9/16"; late '86 measures 2 3/4". Another way to measure, Early '86 design measures 28 1/2" between the mounting bolts on the front windshield; Late '86 models measure 31 1/2".

Fiberglass Roof Panels

New reproduction fiberglass roof panels which include a new GM frame and headliner. Complete assembly is finished in gel coat, ready to be primed and painted to match your C4 Corvette. Includes un-installed edge trim. D.O.T approved. Specify year when ordering. No discount.

HT-457	84-96	Fiberglass roof panel.....	999.99
--------	-------	----------------------------	--------

HT-457

Roof Panel Edge Trim

Often damaged due to attempted removal, Zip's new steel edge trim surround will allow you to paint your Corvette's roof panel and completely refinish it to a factory appearance.

HT-456	84-96	Roof panel steel edge trim	159.99
--------	-------	----------------------------------	--------

Headliner

Replace your Corvette's factory roof panel headliner with a new reproduction. Originally installed on 84-96 Corvettes with the fiberglass roof panels, designed to eliminate interior heat and noise. Installs by pressing into place using the existing fasteners from your original roof panel. Black as original.

X-631	84-96	Solarshade, solid tint.....	44.99

Headliner Repair

This do-it-yourself headliner material kit installs in just one hour. Simply remove your Corvette's roof panel headliner, apply Quick Fix Spray Adhesive (sold separately) and re-install headliner. Includes 6 feet of material to cover the entire headliner and trim. Specifically designed spray adhesive will not damage existing headliner forms like other adhesives.

HT-386	84-96	Headliner repair material.....	39.99
MG-118	84-96	Headliner spray adhesive	9.99

Top Storage Sliders

Whether your Coupe has a lighter-weight glass roof panel or a heavier fiberglass top, these sturdy rails take the struggle out of storage and retrieval. Roof panel lies on rails and slides right into factory latches. Eliminates "bang-around" damage to top, speakers and carpet. Easy installation using existing hardware. Sold in pairs.

X-555 84-96 Top storage sliders..... 99.99

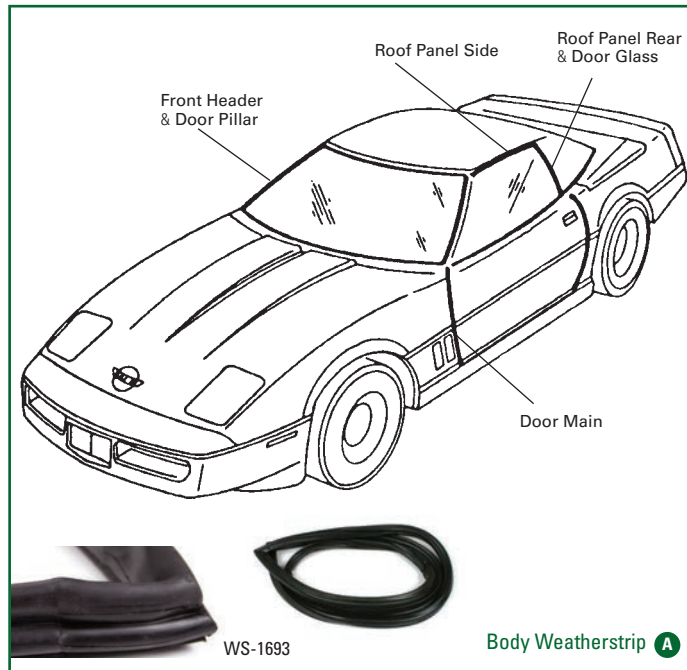

Weatherstrip

On the subject of weatherstrip, "it's all the same" couldn't be less true. Because fit, feel and formulation of rubber weatherstrip can vary greatly among manufacturers, know that Zip offers only the absolute highest quality pieces made. EDPM reproduction weatherstrip is available from both US made and imported manufacturers. For the closest reproduction available, consider original style Latex weatherstrip.

Car Covers

Shield your Corvette's finish from Mother Nature's worst with a premium quality car cover. New technology breathable fabrics allow moisture to escape to keep even the most delicate paint protected. All covers feature double-stitched seams, hemmed bottoms, large mirror pockets and sewn-in elastic front and rear for a stay-put snug fit.

Max-Tech Cover

4-layer protection that's easy on the wallet. Weather resistant Max-Tech allows paint to "breathe" and trapped moisture to evaporate. Features mirror pockets and storage bag. Gray only.

CC-58	84-90	Max-Tech car cover	109.99
CC-57	90-96	Max-Tech car cover, 90 ZR-1 & 91-96 All	109.99

CC-57

Premium Flannel Cover

Excellent dust barrier for garage-kept Corvettes. Moisture resistant poly/cotton outer layer is fully lined with soft flannel to pamper the finest paint. Features elastic corners and grommets for cable lock. Tan only. Storage bag included.

CB39TF	84-90	Flannel car cover	159.99
CC-56	90-96	Flannel car cover, 90 ZR-1 & 91-96 All	159.99

CC-152

Covercraft Form-Fit

Luxurious body hugging polyester with Spandex features a cotton inner lining for absolute beauty in curves. Highly breathable and machine washable. Available in black, charcoal, dark blue, silver-gray, hunter green or bright red. Includes matching storage bag.

CC-152	84-96	Covercraft Form-Fit indoor car cover	507.99
--------	-------	--	--------

CC-152

SuperStretch Indoor Cover

Form fitted SuperStretch features an elastic fabric designed for superior protection while it molds to contour of your Corvette. Elasticized, hemmed seams keep it snug. Unique fleece lining protects finish. Full color C4 Corvette emblem on front. Includes storage bag.

CC-176	84-96	SuperStretch car cover w/C4 emblem	179.99
--------	-------	--	--------

Stormproof™ Embroidered Cover

CoverKing's 3-layer Stormproof is created by spraying molten acrylic foam and microscopic electro-flock cotton fibers onto woven polyester. Resulting "peach fuzz" fabric is highly water resistant yet breathable. UV protected. Features embroidered C4 emblem. Available in yellow, red or silver with black sides.

CC-99	84-96	Stormproof car cover	449.99
-------	-------	----------------------------	--------

Black Onyx Satin

Polyester blend includes Lycra/Spandex to make the perfect combination of a Stain-like exterior with a luxuriously soft underside. Front and rear hems, mirror pockets and generation specific pattern makes for a sleek, form fitting look.

CC-168	84-96	Black Onyx stain indoor cover	149.99
--------	-------	-------------------------------------	--------

CC-168

POLICIES & SHIPPING - Zip Products

We're proud that orders placed by 3:00 p.m. EST ship that same day on in-stock items! Packages ship UPS Ground unless otherwise requested or unavailable due to location or size and weight of parts. Expected delivery is 1-6 business days within the continental USA. Please provide complete street address to ensure delivery. Saturdays, Sundays and holidays are not included in UPS delivery times.

SHIPPING CHARGES - Shipping charges are most precisely calculated by shipment type, order weight and destination. Customers will be notified of shipping charges prior to order shipment. Please call or go online for shipping charge quotes if desired.

UPS AIR SERVICES- UPS provides all guaranteed Air services for Zip Products unless specified by the customer. Available services include Next Day Air, 2nd Day Air, and 3 Day Select. All charges are based on weight or dimensional weight (whichever is greater) and shipment destination. Saturday service is available on Next Day Air shipments only.

TRUCK SERVICES- Some parts in our catalog are too large to be shipped by UPS. These parts are noted in the catalog as "truck". Truck shipments are required to be prepaid for the total parts cost plus freight charges by check, money order or credit card. The customer is responsible for being at provided shipping address to accept parts.

OTHER SHIPPING SERVICES- Zip Products also uses the services of FedEx and the U.S. Postal Service. Orders must be paid by credit card, Pay Pal or prepaid check. All FedEx continental USA services are available. Packages sent through the Post Office are sent First Class Priority.

ZIP INTERNATIONAL- From single parts to everything needed for a complete restoration, Zip ships Corvette parts the world over. International orders are processed within 24 hours of receipt and delivered via UPS, Postal Service or your own freight forwarder. Please specify shipping method preferred. If not specified, orders will be shipped by the best method as determined by Zip Products. Charges are based on actual weight or dimensional weight according to the size of the entire shipment, whichever is greater. Payment is accepted by credit card, Pay Pal or bank draft. Shipping charges do not include any customs or duty fees and may not include brokerage fees. Quotes will be provided for total cost of order, if required due to payment method.

- **Canada:** Orders must include full address with city and province. All orders are shipped UPS Ground or Air unless otherwise specified or UPS is unable to deliver to your location. To better serve our customers, Zip is recognized as a non-resident importer, a status that allows us to collect all duties, taxes and brokerage fees at the time your order is processed. This arrangement means you know the exact cost to have parts delivered to your door – no hidden costs for your shipments!
- **PUERTO RICO, HAWAII & ALASKA:** All Puerto Rico and Hawaii orders can be sent UPS Ground, Next Day Air, 2nd Day Air, or through the Post Office. Please specify shipping method preferred.
- **A.P.O., F.P.O.:** All orders going to these addresses must be sent by the Post Office.
- **VIRGIN ISLANDS, GUAM:** All orders going to these locations can be shipped via UPS Express or the Post Office. Please specify shipping method preferred.

MAIL-IN ORDERS- Customers placing orders by mail and paying by personal check, money order or certified funds can go online or call for shipping charge quote. Shipping charges are most precisely calculated by order weight and destination. Download order forms at www.zip-corvette.com.

LIABILITY DISCLAIMER- Zip Products is not responsible for any damage, injury, loss or any other charges, caused by delays or incurred in the replacement of any defective items. Zip's liability is limited to the replacement and the shipping cost of defective items only. Improper installation, damage or injury resulting from the use of items sold by Zip Products are the purchaser's responsibility. Due to changes in the Corvette industry, part numbers, specifications, prices and availability of parts can change. Consequently, there may be times when parts are discontinued or prices increased. Changes may also occasionally occur in our policies and terms. Call Zip during regular business hours for up-to-date information.

CHEVROLET, the Chevrolet emblem, CORVETTE, Corvette emblems, GM and AC-Delco are trademarks of General Motors Corporation.

©2023 Zip Products, Inc. All rights reserved. No part of this publication may be reproduced without the prior written consent of Zip Products. Content is based on information believed to be reliable, but cannot be guaranteed. Printed in the USA.

"NO HASSLE" GUARANTEE- Since 1977, Zip Products has supplied parts and accessories to Corvette enthusiasts the world over. Then as now, packed into every shipment is our unparalleled commitment to customer service. Here at Zip, we believe a happy customer is a repeat customer. If you're not completely satisfied with any product for any reason, we'll promptly refund or exchange any purchase within 30 days.

LOW PRICE GUARANTEE- Zip works hard to make certain our prices are competitive. That said, it's possible you may find "cheaper" merchandise elsewhere. If it is the same brand part or accessory offered for a lower price by another supplier, we'll match their published price. Price must appear in a current magazine advertisement, Web site or catalog to qualify. Don't sacrifice quality and customer service for the sake of a few dollars – call Zip!

RETAIL DISCOUNTS- Retail customers receive a 10% discount on each minimum purchase of \$850 on any combination of parts and/or accessories, excluding (ND) items. Call or visit online for more information.

WHOLESALE ACCOUNTS- Zip provides Corvette parts to more than 3000 wholesale accounts around the globe. Multi-line discount programs are designed for the installer or reseller. Contact a salesperson for specific details. Proof of business required.

"NO DISCOUNT"- An (ND) designation beside a part, group of parts or price indicates that "No Discount" is available on that part or group of parts.

BACKORDERS- Over 96% of orders ship complete; however, backorders do occasionally occur. Most ship within 10 business days. For longer delays, our policy is to ship orders up to 30 days old. Past 30 days we'll call for authorization first. If you wish to cancel a backorder, please notify Zip as soon as possible.

ITEM SHORTAGES- Inspect merchandise immediately upon receipt of order. Notify Zip of any shortages or discrepancies in your order within seven (7) days from shipment date. No claims allowed after seven (7) days.

DAMAGED PARTS- All parts shipped are insured for the amount of purchase. Should your order arrive damaged or missing merchandise, immediately notify the carrier (UPS, truck freight company, etc.) and Zip. Keep all shipping materials (box, packing, etc.) intact until an inspection can be made by the carrier.

CORE REFUNDS- Customers who have purchased a product sold on an exchange basis and had a core deposit applied must return the required rebuildable core within 30 days from the date of shipment. A copy of the original invoice must accompany the return. Failure to return cores within 30 days may result in a reduction or loss of the core deposit. Return freight for cores is the responsibility of the customer.

RETURNS & EXCHANGES- Zip includes a return form on the back of each invoice for your convenience. If you have questions or concerns regarding a return or exchange, call to speak to your Zip sales representative. Returns are eligible for one (1) year without a restocking fee. Return shipping is the responsibility of the customer. C.O.D. return packages are not accepted. The customer is responsible for returning parts in the same condition they were received, with proper packaging and insurance to cover the value of parts being returned. Canadian and international customers, call for authorization to return parts.

SALES TAX- Zip is required by state law to collect and remit sales tax on purchases made and shipped to a variety of states. These requirements are based on the specific regulation of the state. Tax is based on delivery destination and may include freight charges. More information about sales tax collection can be found at: <https://www.zip-corvette.com/tax.html>.

IN-STORE SHOPPING- Zip has thousands of parts and accessories available for immediate pick-up at our showroom counter. Call before you come and we'll have your order waiting. Showroom hours are 8:30 a.m. to 5:30 p.m. EST Monday-Friday and 10 to 3 Saturdays. When traveling in the Richmond, Virginia area, visit Zip Products in Mechanicsville. We're just east of downtown Richmond, and only a quick drive off interstates I-64, I-95 or I-295.

**Zip has over 25,000 part & accessories
in stock and ready to ship!**

Meet Zip Products!

It has been said a company's true value is in its people – and never have those words been better illustrated than here at Zip. You'll find under our roof a staff boasting more than one hundred years of collective Corvette knowledge, with many having been with us for a decade or longer.

Impressive? Yes, but the real beneficiary is you: our customer. We're committed to providing the best customer service, best parts and best Corvette experience possible. Every day. See for yourself what "Corvettes are all we do" really means!

Established in 1977, Zip Corvette has proven to be an industry leader for both restoration and performance Corvette parts. See for yourself – we are real people, selling real parts, in real time. Visit www.zip-corvette.com/about
